

The following proposals, received on DAP between August 1-15, 2009, have now been approved.
For more information on the DAP process see the Academic Handbook at <http://www.uwo.ca/univsec/handbook>

FACULTY OF SOCIAL SCIENCE and CONTINUING STUDIES

*Effective **September 1, 2009** the requirements for the Diploma in Accounting be amended to include that at least four of the six required diploma-credit courses must be taken in residence with Continuing Studies.*

Calendar copy should be changed to read as follows:

The Diploma in Accounting is offered in partnership with the Faculty of Social Science. In combination with a university degree from a recognized university, the Diploma in Accounting is designed to provide students with the 51 credit-hours prescribed in the Syllabus for Entry to the Chartered Accountancy Profession (Uniform Final Examination (UFE) of the ICAO). Diploma-credit courses are taken over 2 nine-week intensive spring and summer sessions. In order to graduate from the program, students must obtain an overall average of at least 70% for all applicable degree-credit and diploma-credit courses taken. At least four of the six diploma-credit courses must be taken in residence with Continuing Studies. This Diploma must be completed within three years from acceptance into the program.

Visit the Continuing Studies website at www.uwo.ca/cstudies for full program information.

Application deadline: January 15 to be considered for the Spring/Summer Term.

REGISTRAR'S UPDATE

Media, Information and Technoculture

Replace a few of the words in the description of the following course to read as follows:

MIT 3130F/G, The New Political Economy of Information: Networked Capitalism

The course digs beneath the hype about the "new economy" to examine the real dynamics of commodification that are emerging from the interaction between digital networks and high capitalism. Topics include dot.commercialization, virtual advertising, open/closed networks, Web content industries, portals and search engines, knowbots and market agents, and piracy.

Prerequisite(s): At least 65% in each of MIT 1200F/G, 1500F/G and 1700F/G.
3 lecture hours, 0.5 course.
