The following proposals, received on DAP between January 1-15, 2010, have now been approved. For more information on the DAP process see the Academic Handbook at http://www.uwo.ca/univsec/handbook

**FACULTY OF ARTS and HUMANITIES**

**MODERN LANGUAGES AND LITERATURES**

*Effective January 1, 2010*, the phrase "Prepares students for progression to Japanese 4450" be changed to "Prepares students for progression to Japanese 3350" in the course description of Japanese 2260 at the Department of Modern Languages and Literatures on Main Campus.

*Effective January 1, 2010*, Japanese 3350 be removed as antirequisite in the course description of Japanese 2260 at the Department of Modern Languages and Literatures on Main Campus.

**Japanese 2260 – Intermediate Japanese.**

This course is designed to build on all four language skills (reading, writing, listening, and speaking) in Japanese developed in earlier courses. Emphasis is on the expansion of Japanese vocabulary, grammatical structures and kanji. Oral/aural practice is supplemented by weekly language laboratory sessions. Prepares students for progression to Japanese 3350.

Antirequisite(s): Japanese 2250, the former Japanese 020, 026, the former International and Comparative Studies 026, 126...

*Effective January 1, 2010*, the phrase "Certificate of Proficiency in Spanish/German/Italian" be changed to "Certificate in Practical Spanish/German/Italian" in the admission requirements of these 3 certificates at the Department of Modern Languages and Literatures on Main Campus.

**Certificate in Practical Spanish**

Admission Requirements: Completion of first-year requirements including 1.0 course from Spanish 1030 or 1030W/X with a mark of at least 60%. Those with Grade 12 U Spanish will receive special permission to go straight into Spanish 2200 or 2200W/X. A student may not pursue both a Certificate in Practical Spanish and a Spanish module.

**Certificate in Practical German**

Admission Requirements: Completion of first-year requirements including German 1030 with a mark of at least 60%. Those with Grade 12 U German will receive special permission to go straight into German 2200. A student may not pursue both a Certificate in Practical German and a German module.

**Certificate in Practical Italian**

Admission Requirements: Completion of first-year requirements including 1.0 course from Italian 1030 or 1030W/X with a mark of at least 60%. Those with Grade 12 U Italian will receive special permission to go straight into Italian 2250. A student may not pursue both a Certificate in Practical Italian and an Italian module.

*Effective January 1, 2010*, Spanish 3337E and 3347E be removed from the Honors Specialization and Major in Spanish Language and Literature modules at the Department of Modern Languages and Literatures on Main Campus.

**Honors Specialization in Spanish Language and Literature...**

0.5 course: Spanish 3331F/G*, Spanish 3333F/G, 3334F/G, 3336F/G, 3338F/G, 4402F/G or 4404F/G (Modern Spanish Literature).

0.5 course: Spanish 3330F/G*, Spanish 3343F/G, 3344F/G, 3346F/G, 3348F/G, 4403F/G or 4405F/G (Spanish-American Literature).

**Major in Spanish Language and Literature...**

0.5 course: Spanish 3331F/G*, Spanish 3333F/G, 3334F/G, 3336F/G, 3338F/G, 4402F/G or 4404F/G (Modern Spanish Literature).

0.5 course: Spanish 3330F/G*, Spanish 3343F/G, 3344F/G, 3346F/G, 3348F/G, 4403F/G or 4405F/G (Spanish-American Literature).
Effective January 1, 2010, Spanish 3316F/G – Theories of Language be removed from the course offerings, the Major in Spanish Language and Linguistics and the Minor in Spanish Language and Linguistics at the Department of Modern Languages and Literatures on Main Campus.

Major in Spanish Language and Linguistics...

Minor in Spanish Language and Linguistics...
1.5 courses from the following: Spanish 2214F/G, 3314F/G, 3315F/G, 3390F/G, 4406F/G, 4407F/G, 4408A/B, 4411F/G, 4412F/G.

FACULTY OF ENGINEERING

CIVIL AND ENVIRONMENTAL ENGINEERING

Effective January 1, 2010, to correct an error that was made when updating the third year course selection for CEE Option B and Option F to reflect the changed course number CBE 3363A/B to CBE 4409A/B.

B. Environmental Engineering Option
Third Year Program
CEE 3326, CEE 3347A/B, CEE 3348A/B, CEE 3355A/B, CEE 3361A/B, CEE 3362A/B, CEE 3369A/B, CEE 3386A/B, CBE 4409A/B, Earth Sciences 3340A/B, 0.5 non-technical elective.
Selection of the non-technical elective must be approved by the Departmental Counsellor to satisfy the CEAB requirements of subject matter that deals with central issues, methodologies, and thought processes of the humanities and social sciences. An approved list can be found on the Engineering website.

F. Civil and International Development Option
Third Year Program

FACULTY OF HEALTH SCIENCES

COMMUNICATION SCIENCES AND DISORDERS

Effective September 1, 2010, the title and course prerequisites for CSD 4439 (Normal Language Development) be revised as outlined below.

Communication Sciences and Disorders 4439A/B - Normal Language Acquisition
Study of the phonological, semantic and syntactic development in the normal child.
Antirequisite(s): The former Communicative Disorders 239a/b.
Prerequisite(s): Health Sciences 2700A/B or the former Health Sciences 3700A/B, or Kinesiology 3347A/B, or Psychology 1000 or 2040A/B or 2410A/B
2 lecture hours, 1 laboratory/tutorial hour, 0.5 course.

KINESIOLOGY

Effective September 1, 2010, Kinesiology 2025Q/R/S/T (Snowboarding) will be introduced in the School of Kinesiology.

Kinesiology 2025Q/R/S/T – Snowboarding
An introduction to snowboarding as a physical recreation activity. Course content will include physical and psychosocial factors affecting the lifelong enjoyment of snowboarding, consideration of safety and etiquette, equipment selection, and the development and understanding of selected skills.
Prerequisite(s): Completion of the first year Kinesiology program and registration in the School of Kinesiology. The course is designed to accommodate a diversity of skill levels.
Antirequisite(s): Kinesiology 2212Q/R/S/T, if taken prior to 2010-11
30 lab/lecture hours, 0.25 course.
Note: Because this course may be offered off campus and/or outside normal course timetable days and dates, students should contact the School of Kinesiology to confirm location, dates, times and associated costs for travel and expense.

FACULTY OF SOCIAL SCIENCE

GEOGRAPHY

Effective September 1, 2010, the prerequisites for Geography 2420A Economic Geography will be changed to reflect the replacement of MOS 1020A/B with MOS 1021A/B and MOS 1023A/B.

Geography 2420A/B Economic Geography
The forces reshaping global economic geography; fundamentals of spatial economics; principles of locational decisions; spatial interaction; and growth of spatial economic systems are examined. Examples of these concepts are taken from a variety of countries.
Prerequisite(s): 1.0 course from Geography 1100, 1300A/B, 1400F/G, 1500F/G or the former Geography 020E; Economics 1020, 1021A/B, 1022A/B; MOS 1021A/B, 1023A/B or the former MOS 1020A/B.
3 lecture hours, 0.5 course.

Effective January 1, 2010, Geography 4901E Thesis (Science) should be added under the last line of the course listing for the following modules:
Honors Specialization in Geography – BA
Honors Specialization in Geographic Information Science – BA
Students wishing to pursue Graduate Studies are encouraged to take Geography 4900E or 4901E.

Effective January 1, 2010, Geography 4901E Thesis (Science) will be introduced by the Faculty of Social Science.

Geography 4901E Thesis (Science)
A thesis on a geographical problem in the natural, physical or technical sciences.
Prerequisite(s): 4th year status, and enrolment in an Honors program with a specialization or major in the Department of Geography.
Hours by arrangement, 1.5 course.

Effective January 1, 2010, Geography 4901E Thesis (Science) will be added to the list of Science-equivalent courses in the specified Geography modules.

In the Notes sections following each of the following modules:
Honors Specialization in Geography - BSc
Honors Specialization in Geographic Information Science – BSc
Major in Geography
Major in Physical Geography
Major in Geographic Information Science

Effective January 1, 2010, Geography 4901E Thesis (Science) should replace Geography 4900E under the last line of the course listing for the following modules:
Honors Specialization in Geography – BSc
Honors Specialization in Geographic Information Science – BSc (Calendar Copy on page 204 of the UWO 2009 calendar)
Students wishing to pursue Graduate Studies are encouraged to take Geography 4901E.

BRESCIA UNIVERSITY COLLEGE

BIOLOGY

Effective January 1, 2010. Add to the UWO calendar Affiliate Colleges section that Biology 0010 is offered at Brescia University College.

Biology 0010 - Biological Systems
In-depth study of the concepts and processes in biological systems. Students will study theory and conduct investigations in the areas of biochemistry, metabolic processes, molecular genetics, homeostasis, and population dynamics. Emphasis will be placed the development of skills and knowledge needed for further study Biology and related fields.
Prerequisite(s): High School Biology (Grade 11 Advanced Level or equivalent) and registration in the Preliminary Year programme at Brescia University College.
Antirequisite(s): Grade 12U Biology or any university level Biology course.
2 lecture hours, 3 laboratory/tutorial hours, 1.0 course (Brescia).

ENGLISH

That effective May 1, 2010, English 2701F/G Biblical Women in Contemporary Art and Literature be added at Brescia University College.

English 2701F/G Biblical Women in Contemporary Art and Literature
This course considers biblical women as they are reinterpreted in poetry, novels, short stories and art. When biblical stories are compared with creative interpretations of them, ancient stories are illuminated and contemporary concerns addressed, challenging us to ask new questions of biblical texts and of ourselves as well.
Antirequisite(s): Religious Studies 2254F/G (currently in development)
3 hours, 0.5 course (Brescia)

That effective September 1, 2010, the following course be added at Brescia University College.

English 2021F/G: Science Fiction and Religion
Though science and religion may seem poles apart, the admixture of physics and metaphysics has a long history in SF, from its originary text, Frankenstein, to such recent SF bestsellers as Robert J. Sawyer's Calculating God. This course will explore the range of ways SF deals with religious themes.
3 hours, 0.5 course. (Brescia)

That effective September 1, 2010, the following course be added at Brescia University College.

English 2022: Great Books
What makes a great book a great book? This survey course offers students a literary world tour of classic novels primarily in English but also in translation, tracing the history and aesthetics of long-form fiction from its roots in the Early Modern period to the present day.
Antirequisite(s): English 2500E
3 hours, 1.0 course. (Brescia)
Note: may not be counted as an elective toward any English module

PHILOSOPHY

That effective May 1, 2010, Philosophy 2230F/G Philosophy and the Arts be added at Brescia.

Philosophy 2230F/G – Philosophy and the Arts
An intensive study of the interrelationships between philosophy and the arts. Students will study philosophical and critical texts as well as works of art ranging from literature to the visual arts. Subjects such as artistic expression, mimesis, creativity, symbolism, modernism, and art criticism will be explored.
Antirequisite(s): Philosophy 2090E
3 hours, 0.5 course (Brescia)

**RELIGIOUS STUDIES**

That effective **May 1, 2010**, Religious Studies 2219A/B Christianity and Islam in Conversation be added at Brescia University College.

**Religious Studies 2219A/B Christianity and Islam in Conversation**
This course introduces the foundational beliefs and practices of two of the monotheistic religions, Christianity and Islam, as a basis for understanding, conversation and dialogue. Small group work, visits to representative religious sites, class presentations and guest speakers.
Antirequisite(s): Religious Studies 191F/G Special Topics Christianity and Islam in Conversation, offered in 2002-03, 2004-05, 2005-06
3 hours, 0.5 course (Brescia)

That effective **May 1, 2010**, Religious Studies 2248A/B Religion, theology, and the Educator be added at Brescia University College.

**Religious Studies 2248A/B Religion, Theology and the Educator**
An examination of the relationship between religion and theology in the person of the educator. Of particular relevance to persons interested in teaching religion or educational work in a religious setting. Strongly recommended for students enrolled in the Major in Religious Education. Readings, small group work, seminars, and academic journal.
Prerequisite(s): 2.0 courses in Religious Studies, including .5 from among 1026F/G, 2201F/G, or 2226F/G; and .5 from among 1028F/G, 2202F/G, or 2227F/G; or permission of the instructor.
3 hours, 0.5 course (Brescia)

That effective **May 1, 2010**, Religious Studies 2254 F/G Biblical Women in Contemporary Art and Literature be added at Brescia University College.

**Religious Studies 2254 F/G Biblical Women in Contemporary Art and Literature**
This course considers biblical women as they are reinterpreted in poetry, novels, short stories and art. When biblical stories are compared with creative interpretations of them, ancient stories are illuminated and contemporary concerns addressed, challenging us to ask new questions of biblical texts and of ourselves as well.
Antirequisite(s): English 2701F/G (currently in development)
3 hours, 0.5 course (Brescia)

**REGISTRAR’S UPDATE**

The following minor changes were approved:

**THE RICHARD IVES SCHOOL OF BUSINESS**

Present Calendar Copy:

**Business Administration 1220 - Introduction to Business**
The course is designed to present an opportunity for students to examine and discuss a broad range of business situations where analysis and decision-making are required. Stress is placed on management's function to make decisions. Course Divisions: (1) Finance (2) Marketing (3) Operations (4) Organizational Behaviour and (5) General Management.
Antirequisite(s): Business Administration 2295F/G, 2299.
3 lecture hours, 1.0 course.

Proposed Calendar Copy:
Business Administration 1220 - Introduction to Business

Business 1220, offered by the Ivey Business School, gives students from all faculties the opportunity to learn business fundamentals in finance, marketing, operations, organizational behavior and general management. The course is delivered using Ivey’s renowned case method, which challenges students to learn by doing, within an active class environment of no more than 85 students. Students explore real business issues, make management decisions, defend their position, and take action. This course will be particularly appealing to those students who want a glimpse of Ivey’s unique learning experience.

Antirequisite(s): Business Administration 2295F/G, 2299.

3 lecture hours, 1.0 course.

FACULTY OF HEALTH SCIENCES

Present Calendar Copy:

Kinesiology 2212Q/R/S/T – Alpine Skiing or Snowboarding

An introduction to alpine skiing or snowboarding as a physical recreation activity. Course content will include physical and psychosocial factors affecting the lifelong enjoyment of skiing or snowboarding, consideration of safety and etiquette, equipment selection, and the development and understanding of selected skills.

Prerequisite(s): Completion of the first year Kinesiology program and registration in Kinesiology. The course is designed to accommodate a diversity of skill levels.

Note: Because this course may be offered off campus and/or outside normal course timetable days and dates, students should contact the School of Kinesiology to confirm location, dates, times and associated costs for travel and expense.

30 lab/lecture hours, 0.25 course.

Proposed Calendar Copy:
