WELCOME
TO THE SPRING/SUMMER
PROGRAM AT WESTERN!

Whether you are a new student or a continuing one, we hope you will find courses of interest in these pages.

Considering attending Western for the first time?
Review the information at success.uwo.ca/new_students

CONTACT
Contact us if you have questions and/or if you would like to book an appointment with an advisor at fyresource@uwo.ca, 519-661-3559.

COLLECTION, USE AND DISCLOSURE OF PERSONAL INFORMATION

Western University collects personal information under the authority of the University of Western Ontario Act, 1982, as amended. To view the complete Personal Information Collection Notice visit the online Academic Calendar at westerncalendar.uwo.ca.

APPLY FOR ADMISSION IF:

1. You have never attended Western
   OR
2. You have attended another post-secondary institution since last attending Western
   OR
3. You were required to withdraw from Western

If you do not know if you need to apply, please call Student Central at 519-661-2100, Monday-Friday 9:00am-4:00pm.

Use the instructions on page 16 in this booklet only if you wish to attend part-time (3.0 courses or fewer at one time).

If you wish to attend full-time, apply at ouac.on.ca/ouac-105

SEE PAGE 16 FOR IMPORTANT INFORMATION ABOUT APPLYING FOR PART-TIME ADMISSION
COURSE OFFERINGS

The Spring/Summer Session shall be comprised of three periods:

- Twelve-week period - May to August (Summer Evening and Spring/Summer Distance Studies)
- Six-week period - May to June (Intersession)
- Six-week period - July to August (Summer Day)

All university courses require constant attention to class preparation and review. Expect to spend at least 2-3 hours in studies outside class for every hour you spend in the classroom. Consult session timetables for complete information about course times and dates.

Choosing the Right Course

Choose a course that reflects your interests, especially at the beginning of your program. You will be more motivated if you take a course that interests you and the course experience will be more satisfying.

Gathering further information will help you to choose a course that will be manageable. You can obtain more information about courses in a number of ways:

1. Start with a course description; it will help you to determine what is required for the course. In an English literature course, for example, you would expect to do a substantial amount of reading and writing.
2. Departments can provide you with detailed course outlines, including such information as commonly used textbooks and typical assignment breakdowns. Some of these outlines may be found on departmental websites.
3. Browsing through textbooks at the University Book Store can also show you the range of ideas and concepts involved in subject areas.
4. Ask someone who has taken the course for an opinion, or contact the instructor to find out more about the course.
5. Department Counsellors have valuable information about the courses you may be considering and are usually the best resource to assist with specific course information.
6. Your academic counsellor can advise you about appropriate course selection, especially as it relates to your program requirements and appropriate course load.

Selecting Senior Courses

Part-time students who have completed 10 first-year course are eligible to register in senior courses (numbered 2000 - 4999) for which they have completed the prerequisite(s). Part-time students who have a substantial background and interest in a particular subject area are eligible, on written recommendation of the Dean of their Faculty, to register in a senior course pertinent to that subject prior to the completion of a first-year course. All part-time students must complete successfully the 5.0 first-year courses within their first 10.0 courses attempted.

**WORKLOAD**

**How Many Courses May I Take?**

**Fall/Winter**

Students enrolled in 3.5 courses or more in Fall/Winter session are considered full-time students; students enrolled in fewer than 3.5 courses in any term are considered part-time students.

Students may not take more than 3.0 courses by distance studies during fall/winter session. Students wishing to take more than the permitted number of distance studies course must receive permission from the dean of their academic faculty before course selection.

All students may choose from courses offered during the day, evening, by Distance Studies, or a combination of these.

**Spring/Summer**

The workload for the Spring/Summer/Distance Sessions* (i.e., May to August) at this University or any other shall be restricted to a maximum of 2.5 courses, with no more than 2.0 courses to be taken simultaneously (excluding Distance Education courses). In the case where 2.0 courses are taken simultaneously, only 1.0 of them may be a laboratory course.

**How Long Will it Take to Complete a Degree?**

There is no time limit for completing most Bachelor of Arts and Bachelor of Science degrees; therefore, you may choose the pace that best suits you. For example, part-time students who complete 2.0 courses in the Fall/Winter term and 1.0 course in the Spring/Summer term would take 5 years to complete a 15.0 course (Three Year) BA, and 7 years to complete a 20.0 course (Four Year) BA. Although many part-time students spread their degree over several years, some part-time students stay at the same pace as full-time students by completing 3.0 courses during the Fall/Winter term and 2.0 during the Spring/Summer term.

Choose the pace that best suits you.

---

**UNDERGRADUATE DEGREES OFFERED**

**1. Academic Programs**

In Year One, choose from either a Common First Year or a Specialized First Year.

**Common First Year:**
- Register with one of the Faculties of Arts and Humanities, Science, or Social Science
- Choose your module(s) after Year One
- Choose from Three Year (15.0 course) or Four Year (20.0 course) degrees

**Specialized First Year Programs:**
- Bachelor of Management and Organizational Studies
- Bachelor of Health Sciences
- Engineering
- Human Ecology

*Begin in Year One or apply to transfer later*

**2. Second Level Entry Professional Programs**

Beginning after two, three, or four years of undergraduate study:
- Business Administration
- Dentistry
- Education
- Law
- Medicine
- Social Work
- Kinesiology
- Media, Information and Technoculture
- Music
- Nursing

---

**Applying to Graduate**

An Application to Graduate must be completed through the Student Center by April 30 in the Winter term by each student who expects to graduate at the Spring Convocation.

An Application to Graduate must be completed through the Student Center by September 8 of each year by each student who expects to graduate at the Autumn Convocation.

The onus is on students to verify, on their Application to Graduate, the degree and program of study to appear on their diplomas and transcripts. Applicants must inform the Registrar, in writing, if they wish to change their name, to question their degree designation, or to postpone their graduation. Candidates who meet the requirements for graduation in the degree and program of study specified on their Application to Graduate will graduate at the Convocation specified on the Application. Students who fail to meet the requirements for the specified degree and program of study will not graduate at the specified Convocation and should consult the Dean of their Faculty regarding alternative graduation possibilities.

The deadline to receive applications for graduation in February (i.e., at the in absentia February Convocation) is set as January 22. The in absentia February Convocation will be scheduled for the last Friday in February.

---

**Academic Calendar**

The official, up-to-date Western Academic Calendar is available online at westerncalendar.uwo.ca.

---

You can obtain your **final grades** from student.uwo.ca. You require your Western Identity user ID and password.

Telephone: 519-661-2100
Fax: 519-661-3615
contact@uwo.ca
register.uwo.ca/applying/distance_studies

Distance Studies occurs when learners are separated from the instructor and classmates, whether across the hall or across the province. Unlike the courses of the past that depended entirely on written communication through the mail, today’s distance courses may include multimedia materials and often take advantage of web-based communication technologies. Western’s Distance Studies online courses will let you pursue university studies if you cannot attend regular classes. This form of instruction allows you both time and place flexibility to meet your educational objectives.

Format

Each online course is mediated through OWL, now powered by Sakai. OWL is a learning management system that provides a set of tools that are all web based. You use a web browser to view and interact with other students and course material in a manner similar to viewing web pages on the internet. In addition to OWL’s learning resources, many courses have a textbook or collection of readings, which have been selected by your instructor, to aid in your learning. Textbooks and collected readings may be purchased at the Book Store at Western (bookstore.uwo.ca)

Online Courses

OWL is the primary delivery tool for most online courses and is a supplementary resource in others. Online courses give you the same opportunity to learn as on-campus courses, except they are more flexible. Just as you would prepare yourself for an on-campus course, preparing your computer is your responsibility. You will require an Internet connection and are responsible for the cost of arranging the connection. Both dial-up and high-speed Internet connections are supported by OWL.

Note: The increasing sophistication of web-based resources means that it may take more time to access OWL over a dial-up connection. Please take this into consideration when choosing your Internet connection. You can also use Internet functions to search library catalogues and other resources around the world. Students who take courses by this method enjoy the stimulation of discussion, the social contact the system provides, and access to worldwide resources. OWL can be found owl.uwo.ca

Examination Centres

When registering for Distance Studies courses, students must select an exam centre. Once you have selected the centre, you must write the midterms and/or final examinations at that location.

To change your exam centre contact the Distance Studies office at 519-661-2111 x84879 or email distexam@uwo.ca. Any changes must be made at least three weeks prior to the exam date.

There is a fee to have a “make-up” exam scheduled off-campus.

Note: The final day to add a half (0.5) or full (1.0) Distance Studies course, for the Summer Term is May 13, 2017. If you encounter difficulty registering, please contact Student Central at 519-661-2100.

Examination Centres*

Barrie (701), Calgary (707), London (Western - 702), Ottawa (703), Sudbury (704), Toronto (705), and Vancouver (706)
* These are the only exam centres for Western. For more information, please contact Student Central at 519-661-2100.

Course Information

Information about the general conduct of your course, textbooks, examinations, and submission of assignments is available online at the Distance Studies website: registrar.uwo.ca/applying/distance_studies

For further information regarding fees, adding or dropping course(s), admissions, or any other administrative concerns, contact Student Central at 519-661-2100 or email contact@uwo.ca

Register Early!

Enrolment in each course is limited. Courses often fill on the first day of course selection. The University is unable to guarantee registration and reserves the right to withdraw course offerings.

If a Course is Cancelled...

The full tuition you paid will be refunded. Students enrolled in a Distance Studies course that has been cancelled will be notified.

REMEMBER

You are responsible for selecting courses that meet your degree and program requirements for graduation.
Distance Studies Courses are Open to:

Distance studies courses may be taken by students who reside in Canada or by students abroad who are able to attend one of the scheduled examination centres. These students may take a Distance Studies course through Western when they obtain a Letter of Permission from their home university. Contact the Office of the Registrar for more information.

The Book Store at Western

Western University, University Community Centre
London, Ontario, N6A 3K7
Telephone: 519-661-3520  Fax: 519-661-3673
bkstor@uwo.ca
bookstore.uwo.ca

Distance Studies Textbooks

Order your course textbooks online or by mail, fax, or phone at the earliest possible date. If you are ordering your texts by mail or fax, send a letter clearly stating your name, address, phone number, student number, course, and the date classes commence, in addition to listing the author and title of each item that you wish to order. Titles not immediately available will be sent to you as soon as stock arrives.

All course texts can be looked up on the Bookstore at Western website (bookstore.uwo.ca).

Technology Requirements

The protection of all home computers that have access to the Western University network is the responsibility of the individual accessing the network. Information Technology Services recommends that you take precautions to protect your computer and electronic identity. It is imperative that you regularly update your anti-virus protection and your operating system. For more information please see security.uwo.ca.

For details on the minimum hardware and software requirements for online courses, see webct.uwo.ca/checkMyBrowser.html.

facebook.com/westernuRegistrar

Student Central offers a wide variety of services for current students, future students, and alumni. Services are offered in person, online, and by telephone. Below is a partial listing of the services offered by Student Central. For detailed information on the services offered by Student Central, visit the website at registrar.uwo.ca.

Transcripts

A transcript is a copy of a student's permanent academic record at this University, duly certified by the Registrar and bearing the seal of the University. Current and former students can order their transcript in four different ways: in person, by mail, by fax, or online. A student's transcript is a confidential document. To ensure student records are kept secure, the student's signature is required for verification purposes or, if ordering online, you must log in using your Western user ID and password before copies of your transcript can be released.

Official Western Letters

An Official Western letter is a document that can be used for purposes such as:
- Proof of current or past enrolment
- Statement of current fees or past fees paid
- Visa letters for international students
- Verification of a degree
- Verification of upcoming graduation
- Courses taken extra to a degree

Some letters can be ordered online through student.uwo.ca. Other letters must be ordered using the paper form found at registrar.uwo.ca > Student Records > Official Western Letters.

Third Party Forms

We complete a variety of third party forms to validate registration.

Western ONECard

A Western ONECard is issued to every student when they first attend Western. Students are to keep their Western ONECard for the duration of their studies and the card is to be used only by the person to whom it is issued. There is a fee charged to replace a lost or damaged Western ONECard. To obtain your Western ONECard, please upload a photo by logging into your Student Center account at student.uwo.ca or by visiting Student Central in person. You will be required to present a piece of government-issued photo identification at Student Central when you come to have your photo taken or to pick up your Western ONECard after uploading a photo.

Students taking only Distance Studies courses can request to have their Western ONECard mailed. Submit the request and a photocopy of one piece of valid government-issued photo ID to Student Central by fax or email (from your @uwo.ca email account). Western ONECards will be mailed to the “Home” address that Western has on file for you.

Release of Information

Through the online Release of Information service, students can give permission to a third party to do specific tasks or to obtain specific information on their behalf in the Office of the Registrar. To add a Release of Information to your file, visit the Student Center at student.uwo.ca and select “Release of Information” under the Personal Information heading.

Fee Payments

Fee payments can be made in Student Central by Canadian debit, cheque, or money order.

Course Registration Assistance

Contact Student Central if you have a special permission for course registration.

Diploma Pickup

Diplomas are retained for two years after Convocation. If a student did not attend Convocation, diplomas can be picked up in person from Student Central, with a valid piece of photo ID.

Marie Bougie received the Angela Armitt Award for obtaining the highest average among part-time students graduating at Fall Convocation, 2016.

“The class material and professors have awakened my curiosity, my love of learning and my interest in a wide variety of subjects. Learning how to think critically, while ensuring I do not fall prey to cognitive biases, is the most valuable benefit I have gained from my studies. Critically looking at the information before making a decision has resulted in more positive outcomes in my life.”

-Marie Bougie
STUDENT SERVICES

Housing
See the Housing website (has.uwo.ca) for information about the following:
- Residence Information
- Off-Campus Housing Service
- On-Campus Apartments

Equity & Human Rights Services
Somerville House, Room 2319
uwo.ca/equity  519-661-3334  equity@uwo.ca
Hours: Monday to Friday, 8:30 a.m. - 4:30 p.m.
Equity & Human Rights Services is a confidential service of Western University. EHRS offers training on human rights and equity-related issues, a resource centre and a variety of other services. We are responsible for implementing the University’s policies on harassment and discrimination, with a focus on informal mediation. Additionally, we oversee and help to implement the University’s policy on Employment Equity.

Western Email Address (Western Identity)
All registered students are issued a Western email address (also referred to as Western Identity). All primary communications from the Registrar’s office, Dean’s offices, and departments will be addressed to your @uwo.ca email. It is expected that you will keep your email in good working order. For more information on Western’s email service see uwo.ca/its/identity/central_email_faq.html.

In order to obtain and activate your Western Identity go to: uwo.ca/its/identity/identities-new-student.html. Please note that all access except for Western’s web mail client - myoffice.uwo.ca - will be active within one hour after signing the AUP. Access to the web mail client is active the following day. If you have already activated your Western email access but have lost or forgotten the password go to uwo.ca/its/identity/resetpw.html to have it reset.

Your Western email account is also used as a central authentication source for a wide variety of applications and services. If interested in the other applications and services that are linked to your Western Identity go to: uwo.ca/its/identity/identities.html.

ITS Customer Support Centre
Support Services Building, Main Floor  uwo.ca/its
Contact Information:
- In Person: Monday to Friday, 8:30 a.m. - 4:30 p.m.
- Phone: 519-661-3800 Ext. 83800
- Website: servlet.uwo.ca/helpdesk

Student Email Directory
Your email address will be put in a central Student Email Directory, which anyone can view on the web at uwo.ca/westerndir. If you do not wish to have your email address published, log into your Student Center (student.uwo.ca) and click on the “Directory Removal” link under Personal Information.

Library Information
lib.uwo.ca
The Western Libraries provide for the information needs of students, faculty and staff in support of research and teaching activities.

The Western Libraries’ website is your gateway to a wide variety of information resources which will help you to succeed in your studies. Through this website students have access to the Western Libraries’ collections via the Library Catalogue alpha.lib.uwo.ca and various other electronic database products. Many of the materials accessible through these systems are provided full-text format, i.e. one may read and/or print pages of a book or journal directly from the Library website.

To access Electronic resources from off campus you must log in through the Off-Campus Access on the Library home page: lib.uwo.ca.

While our website and the various resources it provides is available 24/7, please note that Western Libraries’ building hours are subject to change throughout the academic year. For current hours information please visit the library website: lib.uwo.ca/hours

For information on borrowing library materials see the Access Code at: lib.uwo.ca/policies/accesscode.html. For information on how to receive assistance with your research please see our Help page: lib.uwo.ca/help

Day Care at Western
UCC Flexible Child Care - 519-661-4094
Operated by the YMCA and accepts children ranging 18 months to 5 years; Open Monday to Friday at UCC, Room 40. usc.uwo.ca/flexcare

International and Exchange Student Centre
International and Graduate Affairs Building, Room TA241
iesc.uwo.ca  519-661-2111 x89309  iesc@uwo.ca
The International and Exchange Student Centre (IESC) supports international students throughout their university career. The IESC offers a range of programs and services including orientation, individual assistance, advising and immigration services, social/cultural events, English conversation program, peer guide assistance, transitions workshops, income tax clinics, and many more.

Office of the Ombudsperson
Western Student Services Building Room 3135
uwo.ca/ombuds  519-661-3573  ombuds@uwo.ca
The Office of the Ombudsperson acts as a liaison between the University and its students. The Ombudsperson is a confidential, free and impartial office designed for guiding students through academic and non-academic concerns such as perceived unfair grading; accusations of academic dishonesty, residence contract violations and code of conduct infractions; University recommended withdrawals; and readmissions. Check out their website, uwo.ca/ombuds, and the FAQ section to see if the Ombudsperson can help with any problems you may encounter over the course of your degree.

Parking
Permits can be obtained by registering with Parking Services online at: uwo.ca/parking. For further information please visit our website: uwo.ca/parking; phone: 519-661-3973; or email: parking@uwo.ca.

All registered Western students must activate and check their Western email account. This will be the primary mode of communication with students.
The Student Success Centre
University Community Centre, Room 210
success.uwo.ca  519-661-3559

Services Specifically for Mature Students
- Mature Student Advisor
- Evening hours of academic counselling for mature and part-time students
- A website dedicated to mature students
- A community for mature students that includes information, support and social events.

See success.uwo.ca for links to all these items

The Centre as a whole focuses on helping students with critical transitions and decision making throughout their university career, with programming in the following areas:
- Career Counselling and Education
- Employment Support
- Leadership Development
- Programs for New Students
- Experiential Learning
- Programs for High Achieving Students

The Student Success Centre is here to help you with the steps of your journey to a successful future.

Orientation for new Mature and Transfer Students
Western offers a variety of orientation events which include campus tours, registration assistance, campus life and how to be a successful learner. You may select which events make sense based on your experiences.

The Student Success Centre will send you an email inviting you to register for one or more events. We look forward to connecting with you!

Indigenous Services
Western Student Services Building, Room 2100
indigenous.uwo.ca  519-661-4095 | Toll Free: 1-888-661-4095

Indigenous Services is committed to supporting Indigenous Students in reaching their highest potential through a culturally-responsive space, programs and services that honour Indigenous cultures and languages, foster Indigenous presence and inclusion, and increase Indigenous access, engage Indigenous communities, and facilitate transition, retention, graduation and advancement of Indigenous students at Western.

Sexual Violence Prevention Education
safecampus.uwo.ca/sexual_violence

Sexual Violence Prevention education is a resource for individuals who have experienced sexual violence and those individuals supporting survivors of sexual violence. It provides supports and options available to survivors, and helps prevent sexual violence on campus through education activities, reporting, and compliance with new provincial policies and initiatives.
Western Continuing Studies offers a wide variety of personal and professional development courses, post-degree diplomas and certificates and corporate training opportunities.

French Immersion School

Campus Office: Western Student Services Building
Telephone: 519-661-3637
Fax: 519-850-2313
frenchimmersion.uwo.ca

Western’s French Immersion School offers you the opportunity to take credit courses in French (all levels are offered) from the University’s curriculum, in an immersion setting. You also participate in general interest workshops (co-curricular record approved) and benefit from a full range of social and cultural activities. Accommodation and meals are provided by specially chosen host families. You may choose either the spring or the summer five-week session. Full-time students (those taking at least a 60% course load) may be eligible for a bursary through the Explore Bursary Program to cover most of the costs. Contact the French Immersion School Office for details.

Certificate And Diploma

Programs

In partnership with several Western faculties, Western Continuing Studies offers one-year diploma and certificate programs to complement your degree. Post-Degree Diploma Programs are designed for university students and graduates wanting specific knowledge, skills and experience that today’s employers demand. These programs receive full University accreditation and include hands-on work placements that add valuable experience to your degree.

Diploma Programs

- Clinical Trials Management
- Computer Science
- Human Resources
- Marketing
- Not-for-Profit Management
- Occupational Health and Safety Management
- Pedorthics
- Public Relations

Professional Certificate Programs

- Adobe Design
- Business Analysis
- Communications
- Conflict Management
- Leadership Management
- Marketing
- Project Management

Certificate Program

- Clinical Trials Management

For an up-to-date full listing of all certificates and diplomas offered, please visit wcs.uwo.ca

For application deadlines and program information please contact us at 519-661-3658, or email cstudies@uwo.ca.

Professional Certificate

Programs

Continuing Studies offers many programs to supplement your degree and do not require current enrolment at the University. Examples include:

- Conflict Management
- Marketing
- Communications and Public Relations
- Project Management
- Leadership
- Management
- Business Writing

If you are interested in a professional certificate or courses in personal development, please call us to enrol. For course offerings, please visit our website.

Non-Credit Registration

If you would like to attend the lectures of a class that interests you, you may do so with non-credit registration and written permission from the instructor or department. Non-credit registrants do not require admission to the University, and no credit or grade will be granted. Please contact us for more information on how to register.

Academic Counselling

Western University
Student Financial Services - Office of the Registrar

Western Student Services Building, Room 1120
Telephone: 519-661-2100
Fax: 519-850-2590
finaid@uwo.ca
registrar.uwo.ca

Regular Office Hours *
Mon-Tues, Thurs-Fri: 9:00am - 4:00pm
Wednesday: 10:00am - 5:00pm
* Hours are subject to change

General Information

NOTE: The fees policies and information contained in the Calendar are reviewed annually and subject to change. Please visit the Registrar’s website at registrar.uwo.ca for the most up-to-date information.

It is the student’s responsibility to be familiar with and understand all the University regulations contained in the Academic Calendar; to understand how adding and dropping a course or courses, withdrawal, etc., affects a tuition fee account; and to ensure that tuition fees are paid by the due date without any notice from the University. Refer to the Student Financial Services section of the Academic Calendar for detailed information about tuition fees, compulsory ancillary fees, supplementary fees and other charges. You may also access this information online at registrar.uwo.ca.

Failure to pay outstanding tuition and other related fees will result in academic and financial penalties up to and including removal from courses. For more information, refer to the ACADEMIC SANCTIONS, DEREGISTRATION, and REINSTATEMENT sections of the Academic Calendar.

A student’s registration is dependent upon payment of fees and academic eligibility.

Proof of Canadian citizenship or permanent resident status must be submitted to the Registrar’s Office, WSS 1120, Student Central prior to registration. If this information is not received prior to registration, International Student fees will be charged.

Tax certificates (T2202A) for the tuition portion of fees will be available online through your Student Center (student.uwo.ca) at the end of February each year. Income tax slips for scholarships, awards, and bursaries (T4A) will be available at the end of February to eligible students.

Course Cancellations

When courses are cancelled because a minimum enrolment quota has not been met, the full tuition paid will be refunded to the student. Every attempt will be made to assist the student in finding an alternative course of study. No interest is paid on refunded tuition.

Tuition Fee Payment Deadlines

Students can view their Detailed Statement of Account at student.uwo.ca. You will need your Western Identity user ID and password to access this information. The deadline for payment will be included in the online statement of account. It is the responsibility of the student to pay fees without any notice from the University. A student who for any reason is unable to pay fees by the due date must visit Student Central or email reg-fees@uwo.ca.

Failure to make payment in full by the due date on the statement of account or arrange a deferment will result in a late payment penalty being assessed against your tuition account. For more information, refer to the ACADEMIC SANCTIONS, DEREGISTRATION, and REINSTATEMENT sections of the Academic Calendar.

Payment Options

Payment may be made:

- by internet banking through major Canadian banks. Add University of Western Ontario-Tuition to your list of bank payees (there may be variance in the way each bank lists Western as a payee). Your student number is your account for web payments. Enter it exactly as it appears on your statement of account to ensure accurate posting of your payments. Please allow at least two business days for your payment to be received by the University.
- by cheque or money order payable to The University of Western Ontario. Payment can be put in the drop box outside of Room 1120, Western Student Services Building or mailed to Western University, Student Financial Services, Room 1140, Western Student Services Building, London, Ontario, N6A 3K7. Please include your name and student number on all cheques or money orders. Do not send cash in the mail. Please allow enough time for your payment to reach the University by the due date. Payments by cheque must be received by the University by the due date. Post marks are not sufficient.
- by wire transfer. If arranging payment from outside of Canada, please visit www.registrar.uwo.ca for detailed instructions. Students are encouraged to pay early and to use electronic forms of payment where possible. The University is not responsible for mail service. Payments received after the due date on the statement of account will be assessed a late payment penalty.

Late Payment Penalty

Payments made after the due date specified on the statement of account will be subject to a late payment penalty. These fees are under review. Check our website registrar.uwo.ca/student_finances/fees_refunds/fee_schedules.html for updated information.

Details and specific fee/refund tables can be found on our website: registrar.uwo.ca.

If the withdrawal or course drop results in a credit balance in your fees account: i.e. payments are greater than charges, a refund cheque is produced. The University has been directed by the Ministry of Training, Colleges and Universities to return refunds to the National Student Loan Centre in instances where payment was received through a Government Student Loan. No interest is paid on refunded tuition.
Additionally, students who are charged per-course tuition and withdraw from their courses prior to the start of the session will be assessed a cancellation fee of $66.00 per full course* and/or $33.00 per half course*. Also see WITHDRAWALS AND REFUNDS below.

*Fees for Summer are subject to change. Please check our website for more information.

### Withdrawals and Refunds

To withdraw from a course, you must notify the Faculty Counselling Office in writing of your intent to withdraw. Otherwise you will be considered a course registrant and will be assessed the full fee as well as receiving a grade of “F” for the course.

If the withdrawal or course drop results in a credit balance in your fees account, i.e., payments are greater than charges, a refund cheque is produced.

Refund cheques are automatically prepared by Student Financial Services and are available no earlier than eight weeks after the withdrawal date to allow for bank clearing, dropping and adding of courses, etc. The University has been directed by the Ministry of Advanced Education and Skills Development to return refunds to the National Student Loan Centre in instances where payment was received through a Government Student Loan. No interest is paid on refunded tuition. Full refunds are given if a course(s) is cancelled by the University.

### Concurrent or Combined Degrees

#### One Professional and One Bachelor Degree Taken at the Same Time

Students who are currently registered in a professional degree may apply for permission to register concurrently in a Bachelor degree. Tuition fees applicable to the professional degree will be assessed and primary registration will reflect the Faculty offering the professional degree.

### Changing Your Address

The Office of the Registrar maintains only one address for each student. Please ensure that the Office of the Registrar has your current address. Students may review and change their address online at student.uwo.ca. You will require your Western Identity user ID and password. Mail that is returned to the Office of the Registrar will not be redirected. All primary communications from the Registrar’s office, Dean’s offices, and departments will be addressed to your Western @uwo.ca email. It is expected that you will keep your email in good working order. For more information on Western’s email service see uwo.ca/its/identity/central_email_faq.html.

### OSAP

#### Summer

For information about Summer OSAP, see the Office of the Registrar’s website.

#### Fall/Winter

OSAP Applications for Western students are to be submitted to the Student Financial Aid office. Students must complete the application process, including the submission of all supporting documentation by June 30th, to ensure your funding is available in September. For more information on OSAP visit the OSAP website at Ontario.ca/osap. Averaging of course load for OSAP purposes is not permitted. Students must maintain a 60% course load in first term (September to December) and 60% course load in second term (January to April) to meet the minimum course load requirement for OSAP. Students with a disability must maintain a minimum of 40% course load each term.

#### Bursaries

Bursaries are non-repayable grants provided by various benefactors to assist students who demonstrate financial need. Bursaries normally range in value from $500 to $4,000. Bursaries are meant to supplement other sources of funding (such as government loans, bank loans, parental contribution, and savings) students have for their education. Financial Assistance application forms are available by logging into the Student Center: student.uwo.ca.
Work Study

Western offers a Work Study Program that helps students to meet their educational expenses. Part-time positions are available on campus during the academic year. To be eligible, you must be enrolled and demonstrate financial need. In most situations the amount available is between $2,000 to $3,000 from the summer.

Students must submit the Financial Assistance Profile application which can be found through the Student Center at student.uwo.ca.

Residence @ Huron....

It is closer than you think. Single room and suite-style accommodation is available for first year, upper year, and graduate students from Western and the affiliated colleges. For more information and to enquire about the housing options for upper year and grad students, please contact:

Housing & Student Life

Western University Campus
519.850.2455 info@uccdental.ca
COURSE REGISTRATION

About Web Registration

Course registration is done online through the Student Center (student.uwo.ca).

STEP 1: ACCESS YOUR STUDENT CENTER

Access your Student Center (student.uwo.ca) by entering your Western User ID and password. Remember to ensure that your computer cookies are enabled and your pop up blockers are set to allow pop ups from student.uwo.ca. If you have any trouble logging in to the Student Center call the Helpline at 519-661-2100 (Monday to Friday 9am – 4pm).

STEP 2: SUMMER TERM ACTIVATION (FEBRUARY 6 – JULY 25)

To declare your intention to enroll in summer classes, click on ‘Summer Activation’ under the Student Services Links on the right. You must activate your registration at least 72 hours prior to registering.

STEP 3: COMPLETE A CONFLICT-FREE Timetable

Before registering, work out a conflict-free timetable. Consult the Timetable for days and times when the courses you are interested in are being taught. Plan each of your courses into a day and time slot. It is a good idea to plot the courses that have the fewest class lecture sections first.

Be sure to write down the subject, course number, and 4- or 5-digit class number for each course and possible alternative courses. Check the online timetable at registrar.uwo.ca/course_enrollment/timetables.html for up-to-date course offerings.

Remember: Plot all laboratory, tutorial sections, and exam centres, as well as lecture sections, for each course.

Choose alternative courses in case you cannot register for your first choice. Ensure that you are eligible for the course(s) you select (i.e. you MUST have the REQUIRED prerequisites).

Your course selection may be deleted without warning if you do not have the requisites and you do not have prior written special permission waiving the requisites, or if you exceed the maximum workload (see page 4).

STEP 4: REGISTER IN COURSES

1. On the Student Center page, under ‘Enrollment Dates’ on the right, select the ‘Details’ link. The Enrollment Dates page displays the term you are presently in and when your enrolment start time begins and ends.
2. Once your enrollment begins, under the ‘Academics’ click on ‘Enroll in Classes’.
3. Enter the class number or use ‘Search for class’ to find a course by subject and/or course number.
4. Select the appropriate class and lab/tutorial components, if necessary.
5. Select ‘Next’ to add class to the Course Enrollment Worksheet.
6. Click on ‘Proceed to Step 2 of 3’ to confirm.
7. Click ‘Finish Enrolling’.
8. Review the results for errors or warnings.
9. Select ‘My Class Schedule’ to view course(s) successfully added.

Visit our How to Guides section for a Step by Step guide to Registration registrar.uwo.ca/general-information/how_to_guides

STEP 5: FEES

Make sure fees are paid by the deadline as designated on your Statement of Account available at: student.uwo.ca. If you are relying on OSAP to pay your tuition, see page 11 for important dates.

<table>
<thead>
<tr>
<th>Subject</th>
<th>Course Number</th>

<td>6 weeks May 16 - June 24</td>
</tr>
</tbody>
</table>
After You Select Your Courses

Making Changes
All students may make changes to their course registration via the Student Center up until the deadline to ADD the individual summer sessions listed starting on page 43. After that date, you must follow the paper Add/Drop instructions in this book.

If you are unable to register in a course because it is full, please note that enrolment numbers may change due to students adding and dropping courses. Please check periodically to see if space has become available.

EXAMINATIONS

Examining Locations
Campus: on campus, at the scheduled classroom for the course or wherever specified by the instructor.
Distance Studies: approved locations (see page 5).

How Will I Learn the Date and Time of my Exam?
The official examination timetable is posted online at registrar.uwo.ca.

Examination Dates

Note: See table on page 43. Examination dates are also available to view online at registrar.uwo.ca.

Note: A Special Examination is any examination other than the regular or Supplemental Examinations, and it may be offered only with the permission of the Dean of the Faculty in which the student is registered, in consultation with the instructor and Department Chair. Permission to write a Special Examination may be given on the basis of compassionate or medical grounds with appropriate supporting documents.

Under unusual circumstances, an alternate date for a Special Examination may be approved by the Dean of the student's Faculty of registration in consultation with the Instructor and Chair of the Department offering the course. This date will be communicated to the Office of the Registrar.

Special Examinations must be written at the University or recognized exam center or an Affiliated University College, and supersede any lectures, tutorials, laboratories, etc., in which the student is registered. Note that students are responsible for any coursework, etc., missed while writing the Special Examination.

Helen Wilson received the Angela Armitt Award for obtaining the highest average among part-time students graduating at Spring Convocation, 2016.

“I have had the privilege of going back to university after a satisfying 30 year career in veterinary medicine. My current studies in the Masters program of Classics provides me the excitement of learning, and has greatly broadened my mental horizons. For me, learning is a lifelong journey, and not just a destination.”

- Helen Wilson
Completing the Part-Time Application (New Students Only)

Please complete the part-time application form from the Admissions website at welcome.uwo.ca/admissions/how_to_apply

Program and Session Selections
The three choices allow you to select various programs and sessions. The session selection is when you would like to commence your studies.

Applicant Categories
If you have no post-secondary education, apply to first year.
If you have attended a university or community college, you may be eligible for transfer credit and you may wish to apply to an upper year.

Résumé Portion of Application
Be sure to indicate all secondary and post-secondary institutions attended.
For activities while not in school, feel free to group years together if space is not sufficient but be sure to account for all years from secondary school to the present. If this information is not complete, it can delay the processing of your application.

Submitting the Application
Apply as early as possible. Submit your application and all documentation well in advance of the application deadline to increase the amount of time available to communicate a decision to you. This will give you the maximum amount of time to register.

Deadlines can be found on the Admissions website: welcome.uwo.ca under Admissions > Deadlines
Applying by the appropriate deadline does not guarantee admission or space in specific courses.
Submit documentation appropriate to your educational background. Information about the kind of document(s) required appears on the instruction page of the application. Official documents must be sent by the academic institutions, not by the applicant as student copies are not acceptable. Documentation should be sent to the Admissions address. Electronic requests for transcripts are available for some institutions. Please see the application for details.

After You Submit the Application
Once we receive your application, we will acknowledge its receipt and request any required documentation. After we have evaluated your application and supporting documentation, you will be notified of an admissions decision.

If You Are Admitted
You will receive an Admissions Assessment Form that outlines the particulars of your admission. This form includes information about the degree program, year, and term(s) to which you have been admitted, and any transfer credit that has been granted.

What If I Am Admitted But Do Not Register?
If you do not register during the calendar year in which you have been admitted, your admission will be cancelled and all documents you have submitted will be destroyed. You will have to apply again the following year and re-submit documents.

Registering in Specific Courses:
Registration for specific courses occurs after you have been admitted.

Note: If you have not received an admission decision and the term is about to begin, contact the Admissions Office at 519-661-2100 or the appropriate Affiliated University College Registrar’s Office.

Undergraduate Admissions
Western Student Services Building
Western University
London, Ontario
N6A 3K7
**Course Numbering**

Western has a four-digit course numbering system, which is reflected in this Calendar.

- **0001-0999** Pre-University level Introductory courses *
- **1000-1999** Year 1 Courses
- **2000-4999** Senior-level Undergraduate courses

* These courses are equivalent to pre-university introductory courses and may be counted for credit in the student’s record, unless these courses were taken in a preliminary year.

**Suffixes**

No suffix: full course not designated as an essay course

- **A** first term half (0.5) course
- **B** second term half (0.5) course
- **A/B** first and/or second term half (0.5) course
- **E** essay full (1.0) course
- **F** first term essay half (0.5) course
- **G** second term essay half (0.5) course
- **F/G** first and/or second term essay half (0.5) course
- **H** 1.0 accelerated course (8 weeks)
- **J** 1.0 accelerated course (6 weeks)
- **K** 0.75 course
- **Q/R/S/T** 0.25 course offered within a regular session
- **U** 0.25 course offered in other than a regular session
- **W/X** first and/or second term full (1.0) course (full course offered in one term)
- **Y** half (0.5) course offered in other than a regular session
- **Z** essay half (0.5) course offered in other than a regular session

**Antirequisite**

Antirequisite courses overlap so much in course content that both courses cannot be taken for credit. When you take a course that has an antirequisite, you will lose credit for the first course taken.

**Prerequisite**

A prerequisite is a course you must successfully complete before registering for credit in a desired course. You must satisfy the course prerequisites that appear in course descriptions. There are many courses without prerequisites.

**Corequisite**

A course which must be taken concurrently with (or before registration in) the desired course. Your course selection may be deleted without warning if you do not have the requisites and you do not have prior written special permission waiving the requisites.

**Essay Courses (E, F, G, Z)**

Essay courses require more written assignments than other courses. Full-year introductory essay courses, for example, require the completion of written assignments that total at least 3,000 words, or about twelve typed, double-spaced pages, or 5,000 words for a senior course. See also Graduation Requirements in the Academic Calendar.

---

**Timetable Information**

**Course Components**

Every course is comprised of a class lecture section.

- **CL** is the designation for lecture sections

Some courses may also include a laboratory and/or tutorial section.

- **LA** is the designation for laboratory sections
- **TU** is the designation for tutorial sections

Distance Studies online courses are designated by CO and also include an exam centre component. Exam Centres are listed on page 5 and one MUST be selected for all Distance Studies courses.

**Up to date Timetable Information**

The timetable is correct as of January 30, 2017. You can access timetable information on the Web at registrar.uwo.ca.

**Abbreviations for University Buildings**

- **AH** Alumni Hall
- **AHB** Arts and Humanities Building
- **BGSB** Biological and Geological Science
- **BUC** Brescia University College
- **CHB** Chemistry Building
- **CMLP** Claudette MacKay-Lassonde Pavilion
- **DSB** Dental Science Building
- **FNB** FIMS & Nursing Building
- **HSB** Labatt Health Sciences Building
- **HUC** Huron University College
- **IGAB** International and Graduate Affairs Building
- **IVEY** Richard Ivey Building
- **KB** Kresge Building
- **KUC** King’s University College
- **LWH** Lawson Hall
- **MB** Music Building
- **MBL** Molecular Biology Laboratory
- **MC** Middlesex College
- **MSA** Materials Sciences Addition
- **MSB** Medical Science Building
- **NCB** North Campus Building
- **NSC** Natural Sciences Centre
- **PAB** Physics and Astronomy Building
- **PI** Spencer Engineering Building
- **SH** Somerville House
- **SSB** Support Services Building
- **SSC** Social Science Centre
- **STAB** Staging Building
- **STPS** St. Peter’s Seminary
- **STVH** Stevenson Hall
- **TC** Talbot College
- **TEB** Thompson Engineering Building
- **TH** Thames Hall
- **UC** University College
- **UCC** University Community Centre
- **VAC** Visual Arts Centre
- **WSC** Western Science Centre
- **WSSB** Western Student Services Building
- **3M** 3M Centre on campus
**DISTANCE STUDIES**

You may begin to web register for Summer Distance Studies courses on March 2, 2017. **Note:** Courses are subject to sufficient enrolment. **RESTRICTIONS:**

Distance studies courses may be taken by students resident in Canada or by students abroad who are able to attend one of the scheduled examination centres.

**FINAL EXAMINATIONS:** Final examinations will be scheduled by the Office of the Registrar on July 31 - August 3 at 9:00am, 2:00pm or 7:00pm.

CONTINUED...SUMMER DAY

Academic or non-academic problem? Come to us for advice.

We are confidential, impartial and independent.

We serve all students: graduate, undergraduate, King’s, Brescia, Huron and Main Campus.

Computers, Software, Consumer Electronics and Accessories for your everyday life.

Conveniently located in the UCC, Lower level

www.computerstore.uwo.ca

A service jointly supported by Western University and the University Students’ Council

www.uwo.ca/ombuds
COURSE DESCRIPTIONS

ACTUARIAL SCIENCES

2053 - Mathematics for Financial Analysis
Simple and compound interest, annuities, amortization, sinking funds, bonds, bond duration, depreciation, capital budgeting, probability, mortality tables, life annuities, life insurance, net premiums and expenses. Cannot be taken for credit in any module in Statistics or Actuarial Science.
Antirequisite(s): Actuarial Science 2553A/B
Prerequisite(s): Mathematics 0102A/B or Grade 12U Advanced Functions and Introduction to Calculus (MCB 4U) or equivalent, and 1.0 or two 0.5 courses from Applied Mathematics, Calculus, Linear Algebra, or Mathematics.
3 lecture hours. 0.5 Course. Interession.

ANATOMY AND CELL BIOLOGY

3309 - Mammalian Histology
A detailed study of the cellular and microscopic structure of the various tissues and organ systems of the body, with emphasis on man and other mammals used in medical research. Systems are examined stressing the relations of structure to function.
Prerequisite(s): Registration in third or fourth year. Note: This course is recommended for students with a background in introductory biology.
2 lecture hours, 3 laboratory hours. 1.0 Course. Distance.

3319 - Systemic Human Anatomy
A description of the structure of the organ-systems of the human body: the nervous system and special senses, musculoskeletal, circulatory, respiratory, digestive, urinary and reproductive systems.
Antirequisite(s): Anatomy and Cell Biology 2221.
Prerequisite(s): Registration in third or fourth year. A background in introductory biology is recommended.
2 lecture hours, 1 demonstration hour. This is not a laboratory course. 1.0 Course. Distance.

ANTHROPOLOGY

1025F/G - Introduction to Sociocultural Anthropology
An introduction to the basic concepts used in the anthropological study of non-Western social and cultural institutions that focuses on the unity and diversity of human experience. Topics include kinship, economics, politics, religion, and the present-day conditions of indigenous societies. The ethnography of various peoples is discussed.
Antirequisite(s): Anthropology 1020E.
3 lecture hours. 0.5 Course. Distance.

1026F/G - Introduction to Biological Anthropology and Archaeology
An introduction to aspects of biological anthropology and archaeology which help us to understand the place of humankind in nature. Topics to be covered include heredity, human evolution and variability, archaeological method, the development of culture, the domestication of plants and animals, and the rise of civilization and the state.
Antirequisite(s): Anthropology 1020E.
3 lecture hours. 0.5 Course. Distance.

2255E - Feminist Perspectives in Anthropology
Critical assessment of feminist theory and methodology for cross-cultural interpretations. Topics include: critical examination of gender, division of labor, power, production and reproduction, ideology, communication, "Nature"; controversies over nature/nurture, nature/culture, public/private.
Prerequisite(s): Any Arts and Humanities or Social Science 0.5 or 1.0 Essay course.
3 hours. 1.0 Course. Distance.

2272F/G - Anthropology of Tourism
This course examines various aspects of tourism from an anthropological point of view. Topics will include the cultural effects of tourism on both hosts and guests, on the political and economic issues involved in tourism, on the connection between tourism and environmental concerns, and on conflict over local resources.
Prerequisite(s): At least a 0.5 Essay course in any faculty.
3 lecture hours. 0.5 Course. Distance.

3322 - Field Course in Environmental Anthropology
This course offers students the opportunity to study current issues in environmental anthropology through participation in extended fieldtrips and collaborative research projects during Intersession or summer terms. Students should be prepared to cover necessary travel and living expenses. Applications required and available in department.
Prerequisite(s): Registration in Environment and Culture minor module, or permission of instructor(s).
4 weeks. 1.0 Course. Intersession.

3324A/B - Archaeological Field School - Site Management
This course is about doing fieldwork to preserve an archaeological site using non-invasive and minimally intrusive methods. Fieldwork will focus on the archaeology of past archaeologies, the use of geophysical equipment, and address the contested heritage values such locales hold in society that we as archaeologists need to service.
Prerequisite(s): Registration in third or fourth year in any program.
Application required (see Department website). Lecture/fieldwork, 3 hours. 0.5 Course. Intersession.

3325F/G - Readings in Anthropology
Individual reading and research of current interest in Anthropology. It is up to the student to make arrangements with a Professor in the Department of Anthropology. An application must be completed with approval from the Instructor and the Chair.
Prerequisite(s): Registration in third year in any program with approval from the instructor and the Department Chair. Applications available in the Department of Anthropology.
Hours to be arranged with instructor. 0.5 Course. Summer Evening.

3398A/B - Special Topics in Anthropology
Prerequisite(s): Registration in third or fourth year in any program.
3 lecture hours. 0.5 Course. Intersession.

4430F/G - Supervised Readings/Research in Anthropology
Individual reading and research of current interest in Anthropology. It is up to the student to make arrangements with a Professor in the Department of Anthropology. An application must be completed and receive approval from the Instructor and the Chair.
Prerequisite(s): Registration in fourth year in any program with approval from the instructor and the Department Chair.
Hours to be arranged with instructor. 0.5 Course. Summer Evening.

APPLIED MATHEMATICS

1413 - Applied Mathematics for Engineers I
Limits, continuity, differentiation of functions of one variable with applications, extreme values, integration, the fundamental theorem of calculus, methods and applications of integration to areas, volumes and engineering applications. Sequences and series, convergence, power series, vector functions, partial differential equations, directional derivatives and applications.
Antirequisite(s): Calculus 1000A/B, 1100A/B, 1301A/B, 1500A/B, 1501A/B, Mathematics 1225A/B.
Prerequisite(s): One or more of Ontario Secondary School MHF4U, MCV4U, or Mathematics 0102A/B.
3 lecture hours, 1 tutorial hour. Applied Mathematics 1413 is a suitable prerequisite for any course which lists Calculus 1000A/B plus Calculus 1501A/B. Restricted to students in the Faculty of Engineering, 1.0 Course. Summer Evening.

2276A/B - Applied Mathematics for Electrical and Mechanical Engineering III
Topics covered include a review of orthogonal expansions of functions and Fourier series and transforms, multiple integration with methods of evaluation in different systems of coordinates, vector fields, line integrals, surface and flux integrals, the Green, Gauss and Stokes theorems with applications.
Antirequisite(s): Calculus 2302A/B, 2303A/B, 2520A/B, 2530A/B, Applied Mathematics 2277A/B, the former Applied Mathematics 2411, 2413, 2415.
Prerequisite(s): Applied Mathematics 2270A/B.
3 lecture hours, 1 tutorial hour. Restricted to students in the Faculty of Engineering. 0.5 Course. Intersession.

BIOCHEMISTRY

2280A - Biochemistry and Molecular Biology
An introduction to biochemistry with emphasis on protein structure and function, intermediary metabolism and nucleic acid structure and function.
Antirequisite(s): Biochemistry 2288A.
Prerequisite(s): Either Biology 1001A/B or 12102 and either Biology 1002B or 12202; Chemistry 1301A/B and 1302A/B, or the former Chemistry 1300A/B and 1200B.
3 lecture hours. 0.5 Course. Distance.
Note: It is strongly recommended that a course in organic chemistry be taken previously or concurrently (e.g. Chemistry 2213A/B or 2273A).

4483E - Research Project and Seminar
The major laboratory course for the Honors Specialization in Biochemistry and Honors Specialization modules combined with Biochemistry. Lectures on laboratory safety, biosafety, use of animals in research, scientific integrity; an independent research project (topic and advisor chosen by consultation between student and faculty); scientific communication (two seminars and a written report).
Antirequisite(s): Anatomy and Cell Biology 4480E. Chemical Biology 4500E, Medical Bioethics 4970E, Medical Sciences 4900F/G, Microbiology and Immunology 4970E, Pathology 4980E, Pathology and Toxicology 4980E, the former Biochemistry 4485E.
Prerequisite(s): Biochemistry 3390G, 3381A and 3382A, with marks in each of at least 70%. Enrolment is limited, and is available only to students in Year 4 of Honors Specialization modules in Biochemistry, Biochemistry and Cell Biology, Biochemistry and Pathology of Human Disease, Biochemistry and Chemistry, Biochemistry of Infection and Immunity, Computational Biochemistry, Structural and Medical Biophysics and Biochemistry. Students in the Honors Specialization in Biochemistry and Infection and Immunity may substitute one of Microbiology and Immunology 3610F, 3620G, or the former 3600G with a minimum mark of 70% in lieu of Biochemistry 3390G as a prerequisite. Students in the Honors Specialization in Computational Biochemistry may substitute Biochemistry 3383F/G with a minimum mark of 70% in lieu of Biochemistry 3390G as a prerequisite.
15 hours per week. Enrollment in this course is limited. 1.5 Course. Summer Day.

BIOLOGY

1001A - Biology for Science I
The principles of biology taught using an integrative, question-based approach. Topics include inheritance, evolution and ecology. This course is intended for students registered in the Faculty of Science.
Antirequisite(s): Biology 1201A, Biology 1225.
Prerequisite(s): Grade 12U (SB4U) Biology or Grade 11U (SB3U) Biology and permission of the Department. A minimum mark of 80% in Grade 12U Biology (SB4U) is recommended for students registered in a faculty other than the Faculty of Science.
2483A/B - Ecology
An introduction to ecology, the scientific study of the interactions that determine the distribution and abundance of plants, animals, and microorganisms. Ecological concepts at the organism, population, and ecosystem levels will be considered, including tolerance limits, life history evolution, competition, predation, population growth and control, and ecosystem dynamics.
Prerequisite(s): A minimum mark of 60% in either Biology 1001A or 1002A and a minimum mark of 60% in either Biology 1022B or 1202B.
2 lecture hours, 1 lecture/tutorial hour. Mandatory course in most modules offered by the Department of Biology. 0.5 Course. Distance.

3218F/G - Biology of The Fungi
This course provides an introduction to fungi with emphasis on their biology, ecology, genetics and interactions with other organisms, including humans and their crops. Emphasis is on the true fungi, including yeasts, with brief treatment of other fungus-like microbes of the Kingdoms Chromalveolata and Amoebozoa.
Prerequisite(s): At least 1.0 course in Biology at the 2200-level or higher.
2 lecture hours, 3 laboratory/tutorial hours. 0.5 Course. Intersession.

32202 - Field Studies in Biology
Specialized field courses given by biologists from Ontario universities at various times during the year. Students should be prepared to meet travel and living expenses.
Prerequisite(s): Permission of the Department of Biology.
See the Department of Biology office in January each year for list of offerings, requirements, and credits. This course may be used as a half laboratory course.
Sessions and hours by arrangement. 0.5 Course. Summer Day.

42572 - Field Studies in Biology
Specialized field courses given by biologists from Ontario universities at various times during the year. Students should be prepared to meet travel and living expenses.
Prerequisite(s): Permission of the Department of Biology.
See the Department of Biology office in January each year for list of offerings, requirements, and credits. This may be used as a half laboratory course.
Sessions and hours by arrangement. 0.5 Course. Summer Day.

42582 - Field Studies in Biology
Specialized field courses given by biologists from Ontario universities at various times during the year. Students should be prepared to meet travel and living expenses.
Prerequisite(s): Permission of the Department of Biology.
See the Department of Biology office in January each year for list of offerings, requirements, and credits. This may be used as a half laboratory course.
Sessions and hours by arrangement. 0.5 Course. Summer Day.

BUSINESS ADMINISTRATION

1220E - Introduction to Business
Business 1220E, offered by the Ivey Business School, gives students from all faculties the opportunity to learn business fundamentals in finance, marketing, operations, organizational behavior and general management. The course is delivered using Ivey’s renowned case method, which challenges students to think critically and apply classical business management of no more than 85 students. Students explore real business issues, make management decisions, defend their position, and take action. This course will be particularly appealing to those students who want a glimpse of Ivey’s unique learning experience.
Antirequisite(s): Business Administration 2295F/G, 2299E, the former Business Administration 1220, the former Business Administration 2299.
3 lecture hours. 1.0 Course. Summer Evening. Intersession.

1299E - Business for Engineers
Students learn business fundamentals in finance, marketing, engineering economics, organizational behavior and general management. Students learn to use business decision-making tools, including case method, wherein students explore real business issues, make management decisions, defend their position, and take action, within an active class environment of no more than 85 students.
Antirequisite(s): Business Administration 1220E or the former Business Administration 1220, Business Administration 2295F/G, Business Administration 2299E or the former Business Administration 1220, English for the International Student Program. Restricted to Engineering students only. 1.0 Course. Intersession.

2257 - Accounting & Business Analysis
Prerequisite for entry to Honors Business Administration.
Course Divisions: (1) Financial Accounting - development of financial statements, and the assessment of their uses and limitations. (2) Business Analysis and Management Accounting - using case studies with an emphasis on small businesses, students learn various quantitative decision-making tools highlighted by an entrepreneurial feasibility study.
Prerequisite(s): Five courses at University level.
3 lecture hours. 1.0 Course. Summer Evening. Intersession.

CALCULUS

1000A/B - Calculus I
Review of limits and derivatives of exponential, logarithmic and rational functions. Trigonometric functions and their inverses. The derivatives of the trig functions and their inverses.
L’Hospital’s rules. The definite integral. Fundamental Theorem of Calculus. Simple substitution. Applications including areas of regions and volumes of solids of revolution.
Antirequisite(s): Calculus 1500A/B, the former Calculus 1100A/B, Applied Mathematics 1413.
Prerequisite(s): Ontario Secondary School MCV4U or Mathematics 0110A/B.
4 lecture hours. 0.5 Course. Distance. Intersession.

1501A/B - Calculus II for Mathematical and Physical Sciences
Students who intend to pursue a degree in Actuarial Science, Applied Mathematics, Astronomy, Mathematics, Physics, or Statistics should take this course. Techniques of integration: The Mean Value Theorem and its consequences; series, Taylor series with applications, arc length of parametric and polar curves, first order linear and separable differential equations with applications.
Antirequisite(s): Calculus 1501A/B, Applied Mathematics 1413.
Prerequisite(s): A minimum mark of 55% in one of Calculus 1000A/B, 1500A/B or the former 1100A/B.
4 lecture hours. 0.5 Course. Summer Day.

1501A/B - Calculus II for Mathematical and Physical Sciences
Students who intend to pursue a degree in Actuarial Science, Applied Mathematics, Astronomy, Mathematics, Physics, or Statistics should take this course. Techniques of integration: The Mean Value Theorem and its consequences; series, Taylor series with applications, arc length of parametric and polar curves, first order linear and separable differential equations with applications.
Antirequisite(s): Calculus 1501A/B, Applied Mathematics 1413.
Prerequisite(s): A minimum mark of 60% in one of Calculus 1000A/B, 1500A/B or the former 1100A/B.
4 lecture hours. 0.5 Course. Summer Day.

2402A/B - Calculus With Analysis for Statistics
Antirequisite(s): Calculus 2302A/B, Calculus 2502A/B.
Prerequisite(s): Calculus 1301A/B or 1501A/B or Applied Mathematics 1413, in each case with a minimum mark of 55%. 3 lecture hours. 0.5 Course. Summer Evening.

CENTRE FOR GLOBAL STUDIES

1022F/G - Introduction to Globalization
This course offers an interdisciplinary introduction to the dominant material and cultural trends under the conditions of economic globalization. Key topics are labour in the global economy, the globalization of the capitalist mode of production, transnational resource flows, responses to inequality and resistance.
Antirequisite(s): Centre for Global Studies 1000E.
CHEMISTRY

010 - Introductory Chemistry
This course is equivalent to Grade 12U Chemistry, studying the nature of scientific activity and the explanation of chemical reactions, modern atomic theory and molecular structure. This course is open only to students in the Preliminary Year. Antirequisite(s): Grade 12U Chemistry. Prerequisite(s): High school Chemistry at the advanced level. 2 lecture hours, 3 laboratory/tutorial hours. 1.0 Course. Summer Evening.

1301A/B - Discovering Chemical Structure
An introduction to the foundational principles of chemical structure and properties, emphasizing their relevance to modern science. Topics include: atomic structure; theories of chemical bonding; structure and stereochemistry of organic molecules; and structure in terms of material conditions, language and symbolic economies. Prerequisite(s): The former Chemistry 1024A/B or 1100A/B. 3 lecture hours. 1.5 laboratory hours (3 hours every other week). 0.5 Course. Intercession.

1302A/B - Discovering Chemical Energies
An examination of how the fundamentals of energetics influence chemical processes. Topics include: gases; thermodynamics and thermochemistry; chemical equilibria; solubility; weak acids and bases, electrochemistry; and chemical kinetics. Antirequisite(s): The former Chemistry 1302A/B. 1200B. Prerequisite(s): Grade 12U Chemistry (SCH4U) or equivalent and Grade 12U Advanced Functions (MHF4U) or Calculus & Vectors (MCV4U) or Mathematics 1301A/B or 1305A/B, is strongly recommended. 3 lecture hours, 1.5 laboratory hours (3 hours every other week). 0.5 Course. Intercession.

2213A/B - Organic Chemistry for Life Sciences
An introduction to the basic concepts of structure, stereoreactivity and reactions in organic chemistry with an emphasis on its connections to the biological, health or medical sciences. Antirequisite(s): Chemistry 2273A. Prerequisite(s): Chemistry 1301A/B and Chemistry 1302A/B, or the former Chemistry 1100A/B and 1200B, or the former Chemistry 1050. 3 lecture hours, 1.5 laboratory hours (3 hours every other week). Note: The combination of Chemistry 2213A/B and Chemistry 2223B provides the equivalent of a full course in Organic Chemistry with a laboratory, which is a prerequisite for some professional programs. 0.5 Course. Intercession.

2223B - Organic Chemistry of Biological Molecules
An examination of the chemistry of naturally occurring molecules, emphasizing organic compounds in importance in the Biological and Health Sciences. Prerequisite(s): Chemistry 2213A/B or 2283G. 3 lecture/tutorial hours, 1.5 laboratory hours (3 hours every other week). Intended primarily for students in Biology, and students interested in the Health or Medical Sciences. Note: The combination of Chemistry 2213A/B and Chemistry 2223B provides the equivalent of a full course in Organic Chemistry with a laboratory, which is a prerequisite for some professional programs. 0.5 Course. Intercession.

CHILDHOOD & SOCIAL INSTITUTIONS

1025F/G - Child and Social Institutions
An overview of the study of childhood in contemporary humanistic and social scientific disciplines. The course focuses on the concept of childhood as it is socially, historically, and culturally constructed. Emphasis is given to understanding children's perspectives, the discursive and structural position of childhood in modern culture and social institutions. Antirequisite(s): The former Childhood and Social Institutions 1020. 3 lecture hours. 0.5 Course. Intercession.

3393A/B - Special Topics in Childhood & Social Institutions
Topic and course description will be available at time of registration. Prerequisite(s): CSI 1025F/G or the former 1020. 3 lecture hours. 0.5 Course. Intercession.

3395A/B - Special Topics in Childhood & Social Institutions
Topic and course description will be available at time of registration. Prerequisite(s): CSI 1025F/G or the former 1020. 3 lecture/tutorial hours. 0.5 Course. Intercession.

CHINESE

2242F/G - Representative Works in Traditional Chinese Literature
A survey of major works of prose by pre-modern Chinese writers. This course focuses on reading texts and analyzing their textual structure, aesthetic values, and historical contexts. Attention will also be paid to the evolution of the Chinese language from the Classical to the vernacular. 3 hours. 0.5 Course. Summer Day.

2244F/G - Representative Works in Modern Chinese Literature
A survey of major works of prose by modern Chinese writers. Selected works will be discussed in relation to the writers' ideas of political involvement, social change, revolution and the function of literature. Events that have shaped modern Chinese history and society will also be examined. 3 hours. 0.5 Course. Summer Day.

2245F/G - Cinema in The Chinese Mainland
This course examines representative films produced in major historical periods in the Chinese Mainland, with an emphasis on issues of nationalism and national identity, as well as cultural, social, and political changes occurred and are occurring in 20th century and contemporary China. 3 hours. 0.5 Course. Intercession.

2246F/G - Chinese Cinema in Taiwan & Hong Kong
This course examines representative films produced in major historical periods in Taiwan and Hong Kong, with an emphasis on issues of nationalism and national identity, as well as cultural, social, and political changes occurred and are occurring in 20th century and contemporary Taiwan and Hong Kong. 3 hours. 0.5 Course. Intercession.

2601A/B - The Political and Socio-Economic Foundations of Modern China
A survey of the social, political, and economic factors that shape modern China. Taught in English. Antirequisite(s): The former Centre of Global Studies 2202A/B. 3 hours. 0.5 Course. Intercession.

2602A/B - The Cultural Foundations of Modern China
A survey of the artistic, philosophical, and religious factors that shape modern China. Taught in English. Antirequisite(s): The former Centre of Global Studies 2203A/B. 3 hours. 0.5 Course. Intercession.

3340A/B - Business Chinese 1
This course is intended for students who can read and write Modern Standard Chinese. Students will develop specific knowledge and skills in business communication in Chinese. Business etiquette and protocol will be discussed. Translation and competence in interpretation will be fostered by the study of business terms, documents, and practices. 4 hours. 0.5 Course. Summer Day.

3341A/B - Business Chinese 2
This course is intended for students who can read and write Modern Standard Chinese. Students will study business terms, communication styles and formats, and acquire linguistic and cultural knowledge for conducting business in Chinese. Students will develop competence through practical experience in reading and writing market reports and analysing contracts. 4 hours. 0.5 Course. Summer Day.

CLASSICAL STUDIES

4580F/G - Vindolanda Field School
This course is a 6-week study abroad experience in northern England. Students participate five days per week on the archaeological excavation at the Roman fort at Vindolanda, learning practical techniques of field archaeology. Weekends are spent taking field trips to the historical sites of Northern England and Scotland. Prerequisite(s): 0.5 Classical Studies course at the 3000-3999 level and permission of the department. Field trip to Great Britain. 0.5 Course. Intercession.

COMPUTER SCIENCE

1025A/B - Computer Science Fundamentals
The nature of Computer Science as a discipline: the design and analysis of algorithms and their implementation as modular, reliable, well-documented programs written in an object-oriented language (Java). Intended for students with little or no background in programming. Antirequisite(s): Computer Science 1025A/B, Engineering Science 1036A/B. 3 lecture hours, 2 laboratory/tutorial hours. 0.5 Course. Summer Evening.

1027A/B - Computer Science Fundamentals
A continuation for both Computer Science 1025A/B and Computer Science 1019A/B. Data organization and manipulation; abstract data types and their implementations in an object-oriented setting (Java); lists, stacks, queues, trees; pointers; recursion; file handling and storage. Antirequisite(s): Computer Science 1027A/B. Prerequisite(s): Computer Science 1025A/B or 1026A/B. 3 lecture hours, 1 laboratory/tutorial hour. 0.5 Course. Summer Evening.

1032A/B - Information Systems and Design
Techniques used for determining technological needs of businesses; building and managing systems to meet those needs; development roles of individuals and organizations; planning and management of concepts, personnel and processes; related software tools (spreadsheets, databases). Intended primarily for Management and Organizational Studies students. Antirequisite(s): Management and Organizational Studies 1033A/B. 3 lecture hours. 0.5 Course. Distance.
1033A/B - Multimedia and Communication I
This course explores the use of different types of media (e.g., text, images, sound, animation) to convey ideas and facilitate interaction. Topics include the design and use of a range of software tools for media creation and editing, covering image, sound, animation, and video. This knowledge will be applied to authoring web sites.

2 lecture hours, 2 laboratory/tutorial hours. 0.5 Course.
Summer Evening.

3380F/G/Z - Project
A supervised study involving a research paper, the design of or development of a software project.
Prerequisite(s): Computer Science 4460Z, 4480Y, 4490Z.
Prerequisite(s): Permission from the department, plus: Computer Science 2202A/Y and registration in the Specialization or Major in Computer Science. To be allowed into this course, the student must have found a topic and a willing departmental supervisor before the end of the add period.
3 lecture hours. 0.5 Course. Summer Evening.

4476A/B/Y - Summer of Code
An examination of open source software development through Google’s annual Summer of Code program. Students are exposed to real-world software development scenarios in mentored projects from a number of open source projects, gaining valuable and practical skills and experience in open source software development and maintenance.
Prerequisite(s): Computer Science 4437A/Y if taken during the Summer 2013 or 2014 academic terms.
Prerequisite(s): Computer Science 3307A/B/Y or permission of the Department.
3 lecture hours.
Note: Students must notify the Department of their interest in registration in the course prior to the preceding May 1st for Computer Science 4476A/Y. Registration in the course is conditional upon acceptance into the Google Summer of Code program. Students are advised that the timeline for this program varies from year to year and it is their responsibility to ensure that they can participate in the program according to their schedule and needs. 0.5 Course. Summer Evening.

4490Z - Thesis
A project or research paper completed with minimal faculty supervision. An oral presentation plus a written submission will be required.
Prerequisite(s): Computer Science 3380F/G/Z, 4460Z, 4470Y, 4480Y.
Prerequisite(s): (2.0 courses from: Computer Science 3305A/B, 3307A/B/Y, 3313A/B, 3340A/B, 3342A/B, 3350A/B; plus registration in the Honors Specialization in Computer Science or the Combined Honors BSc Computer Science/Juris Doctor (JD) Program) or (2.0 courses from: Computer Science 3305A/B, 3307A/B/Y, 3319A/B, 3331A/B, 3340A/B, 3357A/B; plus registration in the Honors Specialization in Information Systems).
3 lecture hours. 0.5 Course. Summer Evening.

DIMENSIONS OF LEADERSHIP
1031 - Exploring Leadership
An interdisciplinary course providing students with an introduction to the concept and history of leadership. Students will examine the philosophical, psychological and theoretical perspectives on leadership through readings, engagement with representative leaders, and experiential simulations and activities.
Prerequisite(s): The former Interdisciplinary Studies 1031.
3 lecture hours. 1.0 Course. Intersession.

DISABILITY STUDIES
1010A/B - Exploring Disability
Explores provocative ethical and practical Disability Studies topics using a Liberal Arts framework. Students actively engage both sides of cases with legal, medical, and recreational significance. Examines how disability, mental health and neuro-diversity intersect with modern culture and social institutions.
Prerequisite(s): The former Interdisciplinary Studies 1010A/B.
3 lecture hours. 0.5 Course. Distance.

2294A/B - Special Topics in Disability Studies
Topic and course description will be available at time of registration.
Prerequisite(s): Disability Studies 1010A/B or the former Interdisciplinary Studies 1010A/B
3 hours. 0.5 Course. Intersession.

EARTH SCIENCES
1070A/B - Introduction to The Geology and Resources of Earth
An introduction to geology covering rock forming minerals and rock forming processes. Emphasis will be placed on how mineral and hydrocarbon resources develop. A survey of the geological record is carried out to illustrate how resources are classified and distributed throughout time.
Prerequisite(s): Earth Sciences 1022A/B, 1081A/B.
Only available online, purchase of Rock and Mineral Kit required. 0.5 Course. Distance.

1086F/G - Origin and Geology of The Solar System
Our best perception of the origin of the Universe, the Milky Way Galaxy, and our Solar System, meteorites, asteroids, comets and the formation of planets. The slow growth of Planetary Science reason and analysis of hypotheses. Why and how Earth evolved along a path radically different than the other planets.
Prerequisite(s): Earth Sciences 2232F/G, Astronomy 2201A/B, 2232F/G, or the former Earth Sciences 2001F/G.
The equivalent of 3 lecture hours per week. Offered only online (see Western Distance Studies). 0.5 Course. Distance.

2200A/B - Plate Tectonic Theory, Environments and Products
Rock types and their distribution within the Earth’s crust are a result of tectonics, including continental rifting, seafloor spreading, subduction, obduction, and orogenic uplift and collapse. Lectures synthesize and explore major rock types in primary and secondary tectonic settings. Laboratories examine rocks and textures in hand specimens.
Prerequisite(s): Any 0.5 Earth Sciences course at the 1000 level or registration in a Major, Specialization, Honors Specialization or Professional program in the Faculty of Science or in the Basic Medical Sciences.
2 lecture hours, 3 laboratory hours. 0.5 Course. Distance.

ECONOMICS
0012A/B - Introduction to Microeconomics
This course introduces students to current Canadian and international economic issues with a focus on large scale economic performance and measuring economic performance, including topics in economic instability and fiscal policy, banking and monetary policy, and international trade and economic growth.
Prerequisite(s): Ontario High School C4UE or equivalent.
Prerequisite(s): Registration in a Preliminary Year program at Brescia University College.
3 hours. 0.5 Course. Intersession.
Students are strongly advised to take Economic 0011A/B before taking Economics 0012A/B.

1021A/B - Principles of Microeconomics
The problem of scarcity and its implications, choice, opportunity cost, specialization and exchange: supply and demand; economic choices of households and firms; competition and monopoly; resource markets; public policy; income distribution.
Prerequisite(s): Economics 1020.
2 lecture hours, 1 tutorial hour. 0.5 Course. Distance. Summer Evening.

1022A/B - Principles of Macroeconomics
National income, aggregate supply and aggregate demand; inflation, unemployment and interest rates; money and monetary institutions; economic growth; balance of payments; and exchange rates.
Prerequisite(s): Economics 1020.
Pre or Corequisite(s): Economics 1021A/B.
2 lecture hours, 1 tutorial hour. 0.5 Course. Distance. Summer Evening. Summer Day.

2122A/B - Econometrics I
An introduction to econometric description and inference which covers: descriptive statistics for cross-section and time-series samples; probability; probability distributions and random variables; estimators and sampling distributions; confidence intervals and tests of hypotheses; simple linear regression.
Note: Students wishing to enroll in higher-level courses in the Department of Statistics and Actuarial Sciences are encouraged to consult that department.
Prerequisite(s): Economics 2223A/B.
Prerequisite(s): Economics 2212A/B and 1022A/B, or 2001A/B, and one of MCV4U, Mathematics 0110A/B, Calculus 1000A/B, Calculus 1500A/B, Mathematics 1225A/B or the former Calculus 1000A/B.
3 lecture hours. 0.5 Course. Summer Evening.

2123A/B - Econometrics II
An introductory course in regression analysis which covers: multivariate probability distributions; the classical linear regression model; heteroscedasticity; autocorrelation; introduction to time series; dynamic linear models; diagnostic testing; instrumental variables; nonlinearities and limited dependent variables.
Prerequisite(s): Economics 2223A/B.
Prerequisite(s): Economics 2212A/B and 1022A/B, or Economics 2001A/B, and one of MCV4U, Mathematics 0110A/B, Calculus 1000A/B, Calculus 1500A/B, Mathematics 1225A/B or the former Calculus 1000A/B.
3 lecture hours. 0.5 Course. Summer Evening.

2150A/B - Intermediate Microeconomic Theory I
Theories of the behavior of consumers and firms and the theory of competitive markets.
Prerequisite(s): Economics 2260A/B.
Prerequisite(s): Economics 2212A/B and 1022A/B, or Economics 2001A/B, and one of MCV4U, Mathematics 0110A/B, Calculus 1000A/B, Calculus 1500A/B, Mathematics 1225A/B or the former Calculus 1000A/B.
3 lecture hours. 0.5 Course. Distance. Summer Evening.

2151A/B - Intermediate Microeconomic Theory II
Theories of imperfectly competitive markets and the markets for factors of production: game theory, general equilibrium and welfare economics.
Prerequisite(s): Economics 2261A/B.
Prerequisite(s): Economics 2150A/B.
3 lecture hours. 0.5 Course. Summer Evening.

2152A/B - Intermediate Macroeconomic Theory and Policy I
National income accounts, price indexes, theories of aggregate demand and aggregate supply; rational expectations; the determination of real income, employment, wages, the rate of interest and the price level.
Prerequisite(s): Economics 2220A/B.
Prerequisite(s): Economics 2101A/B and 1022A/B, or Economics 2001A/B, and one of MCV4U, Mathematics 0110A/B, Calculus 1000A/B, Calculus 1500A/B, Mathematics 1225A/B or the former Calculus 1000A/B.
3 lecture hours. 0.5 Course. Summer Evening.

2153A/B - Intermediate Macroeconomic Theory and Policy II
Inflation; unemployment; economic growth and fluctuations; the determination of the balance of payments and the exchange rate; and monetary and fiscal stabilization policies in closed and open economies.
Prerequisite(s): Economics 2221A/B.
Prerequisite(s): Economics 2152A/B.
3 lecture hours. 0.5 Course. Summer Evening.
2156A/B - Labour Econ - Bargaining
The economic and legal aspects of labor relations will be approached under some or all of the following headings: the history and origin of the trade union movement, the economics of trade unions, labor law, wage/price controls and the relationship of unions, firms and governments.
Antirequisite(s): Economics 3344A/B and Economics 3345A/B.
Prerequisite(s): Economics 2012A/B and 2022A/B, or Economics 2001A/B.
3 lecture hours. 0.5 Course. Intersession.

2167A/B - International Economics
This course is an introduction to international economics. Topics will include the standard theories of international trade, trade policies, and international labour mobility, foreign direct investment, fixed and flexible exchange rates, international capital mobility and macroeconomic adjustment policies.
Antirequisite(s): Economics 2163A/B, Economics 2164A/B, Economics 3325A/B, Economics 3333A/B.
Prerequisite(s): Economics 2012A/B and 2022A/B, or Economics 2001A/B.
3 lecture hours. 0.5 Course. Intersession.

ENGINEERING SCIENCE

1021A/B - Properties of Materials in Engineering
An introduction to the relationship between the microstructure and engineering properties of metals, ceramics, polymers, semiconductors and composites.
Analysis of forces on structures and machines, including addition and resolution of forces and moments in two and three-dimensions. The application of the principles of equilibrium. Topics: stresses; frames; friction; and centroids.
2 lecture hours/week; 1 tutorial hour/week for ten weeks; each term - this is equivalent to 3 lecture hours/week and 2 tutorial hours/week over one term 0.5 Course. Summer Day.

1036A/B - Programming Fundamentals for Engineers
Designing, implementing and testing computer programs using a modern object-oriented language such as C++ to fulfill given specifications for small problems using sound engineering principles and processes. Awareness of the engineering aspects of the process of constructing a computer program.
Antirequisite(s): Computer Science 2052A/B, 2062A/B.
3 lecture hours, 2 laboratory hours. 0.5 Course. Intersession.

1150 - Engineering Summer Co-Op
Provides Engineering undergraduates with a co-operative education placement providing practical professional learning experience. Students are supervised by a practicing engineer and are required to submit performance evaluations and to write a final report on the work performed.
Prerequisite(s): Completion of first year of the Engineering program, 65% average and a solid academic record, full-time course load directly before/after placement period. Non-credit course. Summer Day.

2276 - Chemical & Biochemical Engineering Externship Program
The Externship Program provides Engineering undergraduates, after third year of the Chemical and Biochemical Engineering Option B program, with an eight-month placement at Fanshawe College which offers courses related to a practical Chemical Engineering Program.
Prerequisite(s): Completion of third year of the CBE (Biochemical and Environmental Option) program, 70% YWA with no failed courses.
Non-credit course. Summer Day.

3390 - Summer Community Development Placement
This course will provide engineering undergraduate students with a meaningful placement providing practical professional learning experience in Canada or abroad. Students will be supervised by a practicing engineer and/or suitable aid agency personnel and are required to submit performance evaluations and to write a final report on the work performed. Recognition of this work experience will be indicated by a transcript notation on the student’s academic record.
Prerequisite(s): CEE 3327A/B, completion of second year of Civil Engineering Option F.
Non-credit course. Summer Day.

4450 - Engineering Summer Co-Op
Provides Engineering undergraduates with a co-operative education placement providing practical professional learning experience. Students are supervised by a practicing engineer and are required to submit performance evaluations and to write a final report on the work performed.
Prerequisite(s): Completion of fourth year of the Engineering program, 65% average and a solid academic record, full-time course load directly before/after placement period. Non-credit course. Summer Day.

4498F/G - Engineering Ethics, Sustainable Development and The Law
This course will cover professionalism, ethical theory, the code of ethics and enforcement; the environment; and contracts and risk.
Prerequisite(s): Completion of third year of the Engineering program.
3 lecture hours. 0.5 Course. Intersession.

ENGLISH

1020E - Understanding Literature Today
By studying a broad range of exciting and important literary works from the past and present, this course will increase your understanding and appreciation not just of the richness and power of the works themselves, but also of the role of literature in reflecting and shaping our perceptions of the world and of ourselves.
Antirequisite(s): English 1022E, 1035E.
Prerequisite(s): Grade 12U English or permission of the Department. For part time students who have been admitted without the OSSD, this permission will be granted as a matter of course. 3 hours. 1.0 Course. Distance.

2017 - Reading Popular Culture
If Shakespeare were alive today, he'd be writing for television. This course addresses the many forms of popular culture, including television, music, popular fiction and film, urban myths, and celebrities. The aim of this course is to encourage students to develop a critical understanding of all aspects of popular culture.
3 lecture hours. 1.0 Course. Summer Evening.

2033E - Children's Literature
Readings from significant books written for children, selected primarily for literary quality. Some attention will be given to the historic evolution of "Children's Literature" as a separate class, but the principal aim of the course will be to consider the nature and development of the two major genres: nonsense verse and romance.
Antirequisite(s): English 2730F/G (King's).
3 hours. 1.0 Course. Distance. Intersession.

2071F/G - Speculative Fiction: Science Fiction
From Mary Shelley's Frankenstein to Ridley Scott's Blade Runner, a consideration of the history and development of science fiction. Will include science fiction themes such as the Other, new technologies, cybernetics, paradoxes of space/time travel, first contact, and alien worlds.
3 hours. 0.5 Course. Distance.

2072F/G - Speculative Fiction: Fantasy
A study of the purposes and historical origins of fantasy, and modern developments in fantasy: alternate worlds, horror or ghost stories, sword & sorcery, heroic fantasy. May include writers such as Tolkien, Simmons, Neale, Herbert, Beagle, Rowling.
3 hours. 0.5 Course. Distance.

2307E - Major British Authors
What makes a literary classic? How do matters of gender, sexuality, race, class, or nation shape assumptions about literature and authorship? This survey charts the changing forms of British literature through study both of its major authors - from Shakespeare to Shelley, Austin to Rushdie - and some less-celebrated writers.
Prerequisite(s): At least 60% in 1.0 of English 1020E or 1022E or 1024E or 1035E or 1036E or both English 1027F/G and 1028F/G, or permission of the Department.
3 hours. 1.0 Course. Distance.

2308E - American Literature Survey
This course offers a survey of important texts and authors from the Puritan and Revolutionary periods to the present. It addresses not only the major movements and styles of American literature associated with such authors as Poe, Dickinson, Twain, Hemingway, and Morrison, but also the innovative work of less familiar Indigenous and ethnic authors.
Antirequisite(s): English 2341E, 2342F/G, 2343F/G, 2344E, 2345F/G, 2346E/B and 3652E/B.
Prerequisite(s): At least 60% in 1.0 of English 1020E or 1022E or 1024E or 1035E or 1036E or both English 1027F/G and 1028F/G, or permission of the Department.
3 hours. 1.0 Course.

3227E - Shakespeare
Shakespeare remains one of the most influential of English writers. This course studies twelve plays across a range of genres. Instructors may integrate theatre-oriented exercises and/or other dramatic or non-dramatic material, depending on individual emphasis. When possible, the teaching program will include an autumn theatre trip.
Antirequisite(s): English 2371E, 2372F/G, 2373F/G and 2340E.
Prerequisite(s): At least 60% in 1.0 of English 1020E or 1022E or 1024E or 1035E or 1036E or both English 1027F/G and 1028F/G, or permission of the Department.
3 hours. 1.0 Course.

FAMILY STUDIES

1001A/B - Introduction to Families in Canada
This introductory course explains the field of Family Studies, examining the factors that shape family life, from individual psychology to group dynamics to social forces such as the workplace, the economy, and the government. Families are considered across the life course, and family diversity is highlighted.
Antirequisite(s): Family Studies 1020.
3 lecture hours. 0.5 Course. Intersession.

1015A/B - Close Relationships
Intimate relationships, like those found between marital or dating partners, are evaluated from a social science perspective, looking at love, mate selection, attraction, loneliness, conflict, relationship dissolution, and factors contributing to successful long-term relationships. Other close relationships are also considered, such as those between friends or parents and children.
3 lecture hours. 0.5 Course. Intersession.

2235 - Introduction to Counselling
This course introduces students to the basics of counselling within the context of the study of Family Studies. Students will learn about the history of the counselling professions, will gain an understanding of various approaches, skills, and work settings, and will consider the role of counselling.
among diverse populations, including adolescents, couples, and families. Topics include ethical and legal aspects, assessment, individual and group counselling, and research, use of technology, and multicultural issues having to do with counselling.

Prerequisite(s): Any Family Studies 1000-level course or permission of the instructor.

3 hours. 1.0 Course. Summer Evening.

FILM STUDIES
2194A/B - Special Topics in Film Studies
Please consult Department for current offerings.
2 lecture/tutorial hours, 1.3-hour screening. 0.5 Course. Distance.

FIRST NATIONS STUDIES
2112 - Iroquoian Language and Culture
In this course the student will learn the basics of a particular North American aboriginal language (Mohawk) and will examine the relationships of that language to various culturally relevant concepts.

Prerequisite(s): Anthropology 2112.

3 lecture/tutorial hours. 3.0 Course. Summer Day.

2919F/G - The Iroquoians: Their History and Culture
An examination of the culture and history of the Iroquoian Peoples from European contact to present day as presented by historical and contemporary writings and interpretation of events. Students will use a combination of primary and secondary sources drawn from both Iroquoian and Non-Iroquoian traditions.

Prerequisite(s): Registration in second year or higher of any program.

3 lecture hours. 0.5 Course. Summer Day.

3001F/G - Special Topics in First Nations Studies
Special topics of current interest in the First Nations. List of special topics may be available in the Program office.

Prerequisite(s): Third of fourth year registration in any program with approval of the Director.

3 lecture/seminar hours. 0.5 Course. Summer Day.

3002E - Special Topics in First Nations Studies
Special topics of interest in First Nations Studies. List of topics may be available in the Program's office.

Prerequisite(s): Registration in third year in any program.

3 lecture/seminar hours. 1.0 Course. Summer Day.

3011F/G - Readings in First Nations Studies
Individual reading and research of current interest in First Nations topics. Students must make arrangements with a Professor in the First Nations Studies program. An application must be completed with approval from the Instructor and the Director. Applications are available in the First Nations Studies office.

Prerequisite(s): Third of fourth year registration in any program with approval of the Director. Hours to be arranged with the Instructor. 0.5 Course. Summer Evening.

4011F/G - Supervised Reading/Research in First Nations Studies
Individual reading and research of current interest in First Nations topics. Students must make arrangements with a Professor in the First Nations Studies program. An application must be completed with approval from the Instructor and the Director. Applications are available in the First Nations Studies office.

Prerequisite(s): Fourth year registration in any program with the approval of the Director. Hours to be arranged with the Instructor. 0.5 Course. Summer Evening.

4022E - Field School in First Nations Studies
An advanced seminar course combining in-class discussions of theoretical texts, research papers alongside community-based research. Students will be trained in appropriate methodologies and ethics of working with First Nations Communities. Areas of research and instruction may include land claims, self-government, education, health care, and urban issues.

Prerequisite(s): Registration in fourth year, a 70% average in First Nations Studies, 1.5 courses from First Nations Studies 3140F/G, 3141F/G, 3306F/G, 3722F/G, 3911F/G, 3921F/G, 3971F/G, or permission of the instructor.
3.0 hours seminar/field school (practicum). 1.0 Course. Intersession.

FOODS AND NUTRITION
1021 - Nutrition for Modern Living
A survey of human nutritional needs including nutrient requirements, nutrient functions and sources of nutrients in foods. Maternal and infant nutrition, food addititives, food legislation, world food problems, and other current topics.

Prerequisite(s): Foods and Nutrition 1030E or Foods and Nutrition 2121.

3 lecture/tutorial hours. 1.0 Course. Summer Evening. Intersession.

2121 - Introduction to Human Nutrition
An introduction and overview of the basic principles of human nutrition. Exploration of the facts and myths surrounding the subject.

Prerequisite(s): Foods and Nutrition 1021, Foods and Nutrition 1030E.

3 lecture hours. 1.0 Course. Summer Evening. Intersession.

2232 - Principles of Food Science
A study of the physical structure, chemical composition and nutritive value of foods with emphasis on the effect on a finished product of the physical and chemical conditions, the proportion of ingredients and manipulative techniques. Discussion of aesthetic qualities and food economics.

Prerequisite(s): Registration in the Nutrition and Families modules (Honors Specialization, Specialization, Major).

3 lecture hours. 1.0 Course. Summer Evening. Intersession.

3348A/B - Food Production Management I
The application of scientific principles to the procurement, storage, processing and service of institutional food. Menu planning to meet nutritional requirements while working under the constraints of budgeted and the available food supplies, equipment and staff. Food trends, sanitation and safety.

Prerequisite(s): Registration in the Foods and Nutrition or Nutrition and Families modules (Honors Specialization, Specialization, Major). MDModules (Honors Specialization, Specialization, Major). Minor in Foods and Nutrition).

Pre-or Corequisite(s): Foods and Nutrition 3342A/B.

3 lecture hours, 3 laboratory hours. 1.0 Course. Intersession.

3480F/G - Independent Study
An advanced reading course on a defined topic with a specified bibliography.

Prerequisite(s): Registration in year 3 or 4 of the BScFN Honors Specialization in Nutrition and Dietetics, Honors Specialization in Food Science and Technology, Specialization in Foods and Nutrition or permission of the Division.

0.5 Course. Intersession.

4488W/X - Supervised Field Work & Research
Provides an overview of processes involved in patient care, counselling, nutritional/community assessment, clinical activities for disease conditions, electronic patient records, data systems, clinical interface with food service operations. Simulation exercises engage students in critical thinking, clinical reasoning and evidence-based decision-making, raise awareness and allow the assessment of students' competencies to practice.

0.5 Course. Intersession.

4902Y - Regulatory, Legal & Ethical Issues of Dietetic Practice
An exploration of ethical issues, including ethics and critical incidents review boards, current national/international standards/guidelines, legal principles/issues related to informed consent, liability, and regulatory and legal issues related to dietetic practice. Ethical dilemmas and their resolution will provide opportunities for developing competence and judgment skills, attitudes and confidence. 0.5 Course. Intersession.

4903Y - Practice-Based Dietetic Research
Provides an overview of evidence-based practice, the grant-writing process, budgetary aspects of grants, budgeting and managing funds. Students complete agreements. Information management and knowledge transfer will be emphasized as they report on their research projects at the end of their placements. 0.5 Course. Intersession.

4904Y - Practicum
Students complete 1300 hours of practice in varied practice areas and locations. They work on-site or conduct site-related work on a predetermined schedule, typically 30 - 35 hours per week. Students must successfully complete the practical training in all areas to satisfy the practicum requirements for the diploma. 0.5 Course. Intersession.

FRENCH
1010 - Intermediate French
Grammar review, composition, translation, oral practice. (One hour per week in the language laboratory may be required.)

Note that students who have successfully completed Grade 12 French or equivalent cannot take this course for credit.

Prerequisite(s): French 101A/B, the former French 1101, Ontario Grade 12 French (Core, Extended or Immersion) or equivalent.

3 lecture hours, 3 or 4 tutorial hours.

Note: Students who have Grade 11 French but have not taken French courses for more than 3 years should consult the Department. 1.0 Course. Summer Evening. Intersession.

1910 - University French (Level 1)
A study of the French language based on cultural, written material and basic grammar problems.

Prerequisite(s): French 1900E.

3 lecture hours, 3 or 4 tutorial hours.

Note: Students who have Grade 12 French but have not taken French courses for more than 3 years, or have an average below 75% in Grade 12 French, should consult the Department of French Studies. 1.0 Course. Intersession.

2600E - Introduction to French Literature
A study in depth of some major French texts, with training in the skills of literary analysis.

Prerequisite(s): French 2605F/G, 2606F/G.

3 lecture hours, 3 or 4 tutorial hours. 1.0 Course. Distance.

2905A/B - Language and Reading
Intensive grammar review with an emphasis on textual analysis and understanding various forms of writing (2 hours lecture + 1 hour tutorial). Oral practice in the language laboratory (1 hour).

Prerequisite(s): French 2101, 2900.

3 or 4 lecture/tutorial hours. 0.5 Course. Distance.

2906A/B - Language and Expression
A review of selected elements of grammar with an emphasis on written and oral expression (2 hours lecture + 1 hour tutorial). Oral practice in the language laboratory (1 hour).

Prerequisite(s): French 2101, 2900.

3 or 4 lecture/tutorial hours. 0.5 Course. Distance.

34 COURSE DESCRIPTIONS On Campus and Distance Studies 2017 > Western University
3390 - Language (Advanced Level III)  
Grammar, composition, translation and oral practice. (One hour per week in the language laboratory may be required.)  
Antirequisite(s): French 3905A/B, 3907A/B, 3908A/B.  
Prerequisite(s): 10 course from French 2905A/B, French 2906A/B, French 2907A/B (or French 2900), or permission of the Department of French Studies, based on Placement Test.  
3 or 4 tutorial hours. 1.0 Course. Distance.  

3910F/G - Introduction to Interprofessional Health Education  
This course is intended to aid students considering a career in any health-related profession. It will help to prepare students for education and practice in the evolving healthcare system and introduce concepts that will help them to understand how to be effective as part of an interprofessional team. Diverse methods of teaching and evaluation will be used, including online facilitation and small group learning.  
Prerequisite(s): Enrolment in third or fourth year in the Faculty of Health Sciences, the Bachelor of Medical Sciences program, the School of Social Work or the Foods and Nutritional Sciences Program.  
0.5 Course. Distance.  

2010A/B - Geography of Canada  
An overview of the regional geography of Canada. Topics considered may include demographics, culture, the economy, resources and environmental issues.  
3 lecture hours. 0.5 Course. Intersession.  

2011A/B - Ontario and The Great Lakes  
A detailed examination of the province as part of the Great Lakes region, with special reference to its historical development, natural resources and patterns of human and economic activity.  
2 lecture hours. 0.5 Course. Distance.  

2050A/B - Western Europe  
Investigation of geographical factors in the political, economic and social patterns of Western Europe; selected themes and case studies.  
3 lecture hours. 0.5 Course. Intersession.  

2060A/B - World Cities  
A global perspective on urbanism. In each session a selected city is used to emphasize a particular urban problem, urban spatial structure or world region.  
2 lecture hours. 0.5 Course. Intersession.  

2131A/B - The Natural Environment  
An examination of the characteristics, origins and history of selected natural environments with particular reference to North America.  
Antirequisite(s): Geography 1300A/B.  
2 lecture hours, 1 tutorial hour. 0.5 Course. Distance.  

2143A/B - Foundations of The Geography of World Business  
Geographical theories of local and international trade; relationships between the location of production and flows of goods, services and factors of production among countries and regions; the geographical patterns of world commerce.  
2 lecture hours. 0.5 Course. Intersession.  

2152F/G - Geography of Hazards  
A survey of the methods and models used to understand human responses to hazards. The course reviews the rich tradition of hazards research in geography, particularly through the lens of social science. The course will include discussions of both so-called “natural hazards” (e.g., floods, fires, earthquakes) and “technological hazards” (e.g., nuclear technology, genetically modified organisms, terrorism, war) as examples.  
Antirequisite(s): The former Geography 2152A/B.  
3 lecture hours. 0.5 Course. Intersession.  

HEALTH SCIENCES  
1001A/B - Personal Determinants of Health  
This course focuses on health and wellness with an emphasis on increasing knowledge and awareness of a wide variety of health-related topics, as well as on improving individual health.  
Antirequisite(s): The former Health Sciences 1000 or 021.  
3 lecture hours, 1 tutorial hour. 0.5 Course. Intersession.  

2300A/B - Systemic Approach to Functional Anatomy  
A gross anatomical description of systemic structure and function of the human body, with emphasis on skeletal, muscular and cardiovascular systems. Integration between systems will be discussed using clinical examples related to sport, medicine, and physical therapy. This is an introductory level lecture course.  
Antirequisite(s): Anatomy and Cell Biology 2221, 3319, Kinesiology 2222A/B.  
Prerequisite(s): Grade 12U Biology or equivalent is strongly recommended.  
3 lecture hours, 1 laboratory hour. 0.5 Course. Summer Evening.  

2301E - The United States, Colonial Period to The Present  
Emphasis first term upon the emergence of the American nation, the egalitarian impulse, national expansion and sectional conflict; second term, upon the great transformations of the modern era: the growth of industrialism, big government, a pluralistic society, and international predominance.  
2 lecture hours, 1 tutorial hour. 1.0 Course, Distance.  

3813E - Public History  
An exploration of history as it is understood by and interpreted for the public in varied venues and media, including museums, historic sites, historical fiction, the internet, and film. Topics include the history of public history, ethical practice, the relationships between form and content and between public and academic history.  
Prerequisite(s): 1.0 History course at the 2200 level or above.  
2 seminar hours, 1.0 Course. Summer Evening.  

HISTORY  
1401E - Modern Europe, 1715 to The Present: Conflict and Transformation  
Examines central events and themes of modern European history, including origins and impact of the French and industrial revolutions; Napoleonics wars; liberalism and reaction; socialism; nationalism; women’s emancipation movements; imperialism, national rivalries and world wars; the Russian Revolution, Communist rule, and the collapse of the Soviet Union; Nazism; European integration.  
2 lecture hours, 1 tutorial hour. 1.0 Course. Distance.  

1404E - Hitler, Stalin & Mussolini: The Totalitarian Age  
An introduction to the theory and practice of totalitarianism through a comparative study of regimes established by Hitler, Stalin and Mussolini. Topics include the seizure of power, personality cults, culture, education and propaganda, bio-politics, terror, war, the Holocaust, resistance movements.  
Antirequisite(s): History 2145A/B, 2147A/B, or the former 2133A/B.  
3 hours. 1.0 Course. Intersession.  

2101A/B - Fragile Freedoms? Human Rights in Canada  
This course examines the history of human rights in Canada. It explores the creation of rights linked to ethnicity, gender, language, religion, region, class and other characteristics. It asks what rights might have been created and what factors have limited the development of rights.  
Antirequisite(s): History 2187.  
2 lecture hours. 0.5 Course. Summer Day.  

2147A/B - Nazi Germany  
We analyze how the Nazi Party came to power; the regime’s use of propaganda, intimidation and terror within Germany after 1933; Hitler’s foreign policy. Nazi methods in occupied Europe; anti-Semitism, the Holocaust, and other programs of mass murder; resistance within Germany, and the reasons for the regime’s defeat.  
Antirequisite(s): History 1403E, History 2145A/B.  
2 lecture hours. 0.5 Course. Intersession.  

2158A/B - Food in World History  
This course explores the role of food in world history with an emphasis on international exchange and cultural interaction following the discovery of the Americas. Students will consider the impact and influence of food upon politics, trade, conflict, and other aspects of society and culture.  
2 hours. 0.5 Course. Summer Evening.  

2220 - Introduction to The History of Medicine  
An overview of the development of medicine from antiquity to the present, including the growth of medical sciences, concepts of disease, therapies, and the history of medical practice and institutions.  
3 lecture hours, 1.0 Course. Summer Evening.  

HUMAN ECOLOGY  
2266F/G - Communications  
A social-psychological analysis of communication theory in the context of interpersonal small-group and large-group dynamics. Group exercises to improve communication skills and to stimulate discussion. Assignments and laboratories to provide an opportunity to prepare and present information within the scope of foods and nutrition and human ecology.  
Antirequisite(s): Management and Organizational Studies 2200F/G, Health Sciences 3620A/B.  
Prerequisite(s): Registration in the Foods and Nutrition or Nutrition and Families modules (Honors Specialization, Specialization, Major).  
2 lecture hours, 2 laboratory hours. 0.5 Course. Intersession.  

3349A/B - Principles of Management  
An introductory study of management principles, evolution of theories and influence of the behavioral sciences on current management practice. Fundamental concepts, assessment and development of managerial skills. Case studies to help develop analytical and decision-making skills.  
Prerequisite(s): Registration in the Foods and Nutrition modules (Honors Specialization).  
3 lecture hours. 0.5 Course. Intersession.  

JAPANESE  
1036 - Japanese for Beginners  
An intensive introduction to spoken and written Japanese with emphasis on the development of communicative skills. Intended for students with little or no previous knowledge of Japanese. Prepares students for progression to Japanese 2250. Not open to students who have successfully completed Grade 12 Japanese or equivalent cannot take this course for credit.  
Antirequisite(s): Grade 12U Japanese, or Japanese 1050, 1051A/B, 1052A/B.  
4 hours. 1.0 Course. Summer Day.  

1050 - Japanese I  
An introduction to spoken and written Japanese with emphasis on the development of communicative skills. Intended for students with little or no previous knowledge of Japanese. Prepares students for progression to Japanese 2250.  
Antirequisite(s): Japanese 1036, 1051A/B, 1052A/B, or the former Japanese 102, 003A/B, 004A/B, 006, or the former International and Comparative Studies 006.  
4 hours. Those students with Grade 12U Japanese must consult the Department before registering for this course. 1.0 Course. Intersession.  

KINESIOLOGY  
2236A/B - Introduction to Athletic Injuries  
Students will be introduced to the most commonly occurring activity injuries. Initial treatments, guidelines for referral, return to sport, and preventative measures will be discussed.  
Pre-or Corequisite(s): Kinesiology 2222A/B or Health Sciences 2300A/B or 2303A/B or the pre-requisite, or Anatomy and Cell Biology 2221 or 3319 as pre- or corequisite.  
3 lecture hours. 0.5 Course. Summer Evening.  

2961A/B - Foundations of Training Technique  
An introduction to the basic knowledge and techniques associated in designing exercise programs for beginners. Students will be expected to learn and put into practice techniques used to develop muscular endurance, muscular strength and cardiovascular fitness. The student will train for eight weeks.  
Antirequisite(s): The former Kinesiology 22404/R/S/T. The former Kinesiology 20404A/B.  
Prerequisite(s): Completion of the first year Kinesiology program and registration in the School of Kinesiology.  
5 lecture/laboratory hours. 0.5 Course. Summer Evening.
3347A/B - Psychological Interventions in Exercise, Sport and Injury Rehabilitation
This course is designed to increase the student’s understanding of the psychological interventions that can be employed to increase participation and performance in various physical activity settings.

Antirequisite(s): Kinesiology 3371B (001) 2008-09 and 2009-10.
3 lecture hours. 0.5 Course. Distance.

MANAGEMENT & ORGANIZATIONAL STUDIES

1021A/B - Introduction to Consumer Behavior and Human Resources
This course introduces students to the study of management and organizations based on best available evidence. Topics covered may include consumer behavior, human resource management, business processes, intercultural relations, and multinational corporations in a globalized economy. These topics are fundamental to understanding managing people, consumer choice, and global commerce.

Prerequisite(s): Enrolment in BMOS on Main Campus or Music Administrative Studies (MAS). Note: First-year students in non-BMOS programs refer to class notes for registration details.
3 lecture hours. 0.5 Course. Intersession.

1023A/B - Introduction to Accounting and Finance
This course provides students with a basic introduction to the fields of accounting and corporate finance. The accounting unit introduces students to basic accounting concepts from financial and managerial accounting. The corporate finance unit explains how financial markets work and how corporate managers use these markets to create and sustain corporate value.

Prerequisite(s): Enrolment in BMOS on Main Campus or Music Administrative Studies (MAS). Note: First-year students in non-BMOS programs refer to class notes for registration details.
3 lecture hours. 0.5 Course. Intersession.

2181A/B - Organizational Behavior
A multidisciplinary approach to the study of human behavior in organizations from the individual, group and organizational levels of explanation.

Antirequisite(s): MOS 2180.
Prerequisite(s): Enrolment in BMOS or Music Administrative Studies (MAS).
3 lecture hours. 0.5 Course. Distance.

2275A/B - Business Law I
An introduction to Canadian business law, including: tort law, contracts, property, employment, partnerships, corporations, debtor and creditor, bankruptcy and insolvency, sale of goods and consumer protection. Cases and current events are used to illustrate legal issues and to solve legal problems.

Antirequisite(s): Business Administration 4450A/B, Law 5510A/B, 5520A/B.
Prerequisite(s): Enrolment in BMOS or Honors Specialization in Urban Development or Technical Entrepreneurship Certificate (TEC).
3 lecture hours. 0.5 Course. Distance.

2285A/B - Global Business Environment
This course examines the forces affecting businesses as they enter and operate in global markets. Students will learn theories and techniques which will help them understand how businesses decide where and when to enter markets and what makes a given location a good fit for their operations.

Antirequisite(s): MOS 1020A/B.
Prerequisite(s): Business 1220E.
3 hours. 0.5 Course. Intersession.

2310A/B - Finance
This course provides overview of issues in financial management and corporate finance. Students will learn how financial managers make investment, financing and other decisions and the tools they use to make such decisions. Topics covered include time value of money, risk, valuation, capital structure, dividend policy and other selected issues.

Antirequisite(s): Financial Modelling 2555A/B, the former Actuarial Science 2555A/B and MOS 3300A/B.
Prerequisite(s): MOS 1020A/B or both MOS 1021A/B and 1023A/B and enrolment in BMOS or Music Administrative Studies (MAS). 3 lecture hours.
Note: Students interested in pursuing an HBA Degree at the Richard Ivey School of Business should not take this course in second year as Ivey does not recognize this course as part of the HBA degree.
0.5 Course. Distance. Intersession.

2320A/B - Marketing
An introduction to the role of marketing in the organization including information systems, corporate strategy, opportunities assessment, product differentiation, pricing strategies, distribution, communication and advertising.

Antirequisite(s): MOS 3302A/B.
Prerequisite(s): MOS 1020A/B or both MOS 1021A/B and 1023A/B and enrolment in BMOS or Music Administrative Studies (MAS). Note: Students interested in pursuing an HBA Degree at the Richard Ivey School of Business should not take this course in second year as Ivey does not recognize this course as part of the HBA degree.
3 lecture hours. 0.5 Course. Intersession.

3310A/B - Finance for Management & Organizational Studies
An introduction to the role of financial management including financial markets and analysis, working capital management, capital budgeting and long-term financing.

Antirequisite(s): MOS 2310A/B.
Prerequisite(s): Business 2257 and enrollment in BMOS.
3 lecture hours. 0.5 Course. Intersession. Summer Day.

3360A/B - Intermediate Accounting I
Theory and concepts of financial accounting with particular emphasis on financial statements, revenue recognition, and current and long-term assets.

Antirequisite(s): Business Administration 4417A/B.
Prerequisite(s): Business Administration 2257 and enrollment in 3rd or 4th year of BMOS or Music Administrative Studies (MAS).
Pre-or Corequisite(s): MOS 2310A/B or MOS 3310A/B.
3 lecture hours. 0.5 Course. Summer Evening.

3370A/B - Management Accounting
What does it cost? This question is asked in every organization. The determination of cost is a key accounting process that supports decision making. This course will cover management accounting techniques related to cost: behavior, allocation, determination, and strategic cost management.

Antirequisite(s): Business Administration 3307K, 4407Q/R, S/T, the former MOS 3372.
Prerequisite(s): Business Administration 2257 and enrolment in 3rd or 4th year of BMOS or Music Administrative Studies (MAS).
3 lecture hours. 0.5 Course. Distance. Intersession.

3385A/B - Essentials of Human Resources for Non-Hr Students
An introduction to human resources management (HRM) processes in organizations. Topics include: history of HRM, role of HRM departments in organizations, basics in job design, staffing analysis, recruitment and selection.

Antirequisite(s): MOS 4405F/G.
Prerequisite(s): Enrollment in 3rd or 4th year of BMOS.
3 lecture hours. 0.5 Course. Intersession.

3398A/B - Selected Topics in Management and Organizational Studies
Examination of selected topics in Management and Organizational Studies. Topic and course outline available at the beginning of each term.

Prerequisite(s): Enrollment in 3rd or 4th year of BMOS.
3 lecture hours. 0.5 Course. Summer Day.

4410A/B - Strategic Management
Identification and analysis of problems and strengths in the organization, strategies, distribution, communication and advertising.

Antirequisite(s): MOS 4425A/B.
Prerequisite(s): Enrollment in 4th year of BMOS.
3 lecture hours. 0.5 Course. Distance.

4465A/B - Advanced Accounting
Advanced financial accounting topics including international accounting and Canadian accounting treatment of intercorporate investments, business combinations, foreign currency transactions and translation, and accounting for not-for-profit organizations to omit antibasics.

Antirequisite(s): Business Administration 4427A/B and the former MOS 4464A/B and 4461A/B.
Prerequisite(s): MOS 3361A/B and enrollment in 4th year of BMOS.
3 lecture hours. 0.5 Course. Intersession.

MATHMATICS

1225A/B - Methods of Calculus
Elementary techniques of integration; applications of Calculus such as area, volume, probability functions of several variables, Lagrange multipliers. This course is intended primarily for students in the Social Sciences, but may meet minimum requirements for some Science modules. It may not be used as a prerequisite for any Calculus course numbered 1300 or above.

Prerequisite(s): Ontario Secondary School MCV4U, Mathematics 4110A/B.
3 lecture hours. 0.5 Course. Summer Evening. Intersession.

1228A/B - Methods of Finite Mathematics
Permutations and combinations; probability theory. This course is intended primarily for students in the Social Sciences, but may meet minimum requirements for some Science modules.

Antirequisite(s): Mathematics 2124A/B, 2155F/G, the former Mathematics 2155A/B, Statistical Sciences 2035, 2141A/B, 2857A/B.
Prerequisite(s): One or more of Ontario Secondary School MCV4U, MHF4U, MDM4U, Mathematics 4110A/B, 1225A/B, 1229A/B.
3 lecture hours. 0.5 Course. Summer Evening. Intersession.

1229A/B - Methods of Matrix Algebra
Matrix algebra including vectors and matrices, linear equations, determinants. This course is intended primarily for students in the Social Sciences, but may meet minimum requirements for some Science modules.

Antirequisite(s): Applied Mathematics 1411A/B, 2151B.
Prerequisite(s): Mathematics 1600A/B, 2120A/B, 2155F/G, 2211A/B, the former Mathematics 2155A/B.
Prerequisite(s): One or more of Ontario Secondary School MCF3M, MCR3U, or equivalent.
3 lecture hours. 0.5 Course. Summer Evening. Summer Day.

1600A/B - Linear Algebra I
Properties and applications of vectors; matrix algebra; solving systems of linear equations; determinants; vector spaces; orthogonality; eigenvalues and eigenvectors.

Antirequisite(s): Applied Mathematics 1411A/B, 2151B.
Prerequisite(s): One or more of Ontario Secondary School MCV4U, Mathematics 1229A/B, Calculus 1000A/B or 1500A/B, the former Calculus 1100A/B, Calculus 1000A/B or 1500A/B may be taken as a pre- or corequisite.
3 lecture hours. 0.5 Course. Summer Evening.

MEDIA, INFORMATION & TECHNOCULTURE

3090F/G/Z - MIT Academic Internship I
The MIT Academic Internship is an unpaid credit internship for up to four months, or a minimum of 140 hours. The internship will require students to make connections with academic study while undertaking supervised duties in organizations and businesses with media-related or information-related interests, public service organizations, and community groups. The student is required to a) maintain a suitable level of performance in the position as verified by the employer through evaluations and b) submit a mid-term as well as a final report demonstrating how the experience gained through the internship relates to his/her coursework and program of study.

Antirequisite(s): MIT 3990F/G, 3991F/G.
Prerequisite(s): Registration in the third or fourth year of a module in MIT or MPI, with a minimum cumulative average of 72%, and have no failures or documented academic offences. Approval of, and acceptance into, an internship placement.
The internship is given 0.5 course credit, and will show on the student’s transcript as Pass with Distinction, Pass, or Fail. 0.5 Course. Intersession. Summer Day.

**3901F/G-Z - MIT Academic Internship II**

The MIT Academic Internship II is an unpaid, credit internship for up to four months, or a minimum of 140 hours. The internship will require students to make further connections with academic study while undertaking supervised duties in organizations and businesses with media-related or information-related interests, public service organizations, and community groups. In addition, a faculty supervisor will grade the required in-depth research paper relating the knowledge gained on the internship to the theoretical underpinnings of media studies.

Antirequisite(s): MIT 3900F/G, 3991F/G.

Prerequisite(s): Completion of MIT 3900F/G-Z Academic Internship I with Pass with Distinction, plus a cumulative average of 78% and no failures or documented academic offences. The student must find a faculty supervisor willing to oversee and grade his/her final paper.

The internship is given a 0.5 course credit, with a numeric grade based on the paper and fulfillment of the internship requirements. 0.5 Course. Summer Day.

**3206F/G - Critical Perspectives in Advertising**

This course will examine some of the issues that arise from such commercial - and non-commercial - activity. Topics include structure and symbolism in advertising, consumption as communication, the potential link between advertising and purchase, the perpetuation of stereotypes and other promises and perils pertaining to the marketing machine.

Antirequisite(s): MIT 3850F if taken in 2010-2011, MIT 3851F if taken in 2011-12 or 2012-13 or MIT 3851F if taken in 2013-2014.

3 lecture hours. 0.5 Course. Distance.

**3990F/G - MPI Academic Internship I**

The MPI Academic Internship I places undergraduate students in unpaid positions where they work in a new and challenging cultural milieu for community groups, non-government organizations and public services with media- and information-related interests. Placements are selected and supervised by instructors in consultation with the Undergraduate Affairs Committee.

Antirequisite(s): MIT 3090F/G-Z, MIT 3091F/G-Z.

Prerequisite(s): Registration in the 3rd or 4th year of a module in MPI, with a min. cum. average of 72%, no failures or documented academic offences. Approval of, and acceptance into, an internship placement.

Corequisite(s): MIT 3950F or MIT 3951F/G.

The internship is given 0.5 course credit, and will show on the student’s transcript as Pass with Distinction, Pass, or Fail. 0.5 Course. Intersession.

**3991F/G - MPI Academic Internship II**

The MPI Academic Internship II places undergraduate students in unpaid positions where they work in a new and challenging cultural milieu for community groups, non-government organizations and public services with media- and information-related interests. Placements are selected and supervised by instructors in consultation with the Undergraduate Affairs Committee.

Antirequisite(s): MIT 3090F/G-Z, MIT 3091F/G-Z.

Prerequisite(s): Registration in the 3rd or 4th year of a module in MPI, with a min. cum. average of 72%, no failures or documented academic offences. Approval of, and acceptance into, an internship placement.

Corequisite(s): MIT 3950F or MIT 3951F/G.

The internship is given 0.5 course credit, and will show on the student’s transcript as Pass with Distinction, Pass, or Fail. 0.5 Course. Intersession.

**MEDICAL SCIENCE**

**4931F/G - Selected Topics in Medical Sciences**

An introduction to the basic medical sciences through a discussion and investigation of selected topics in medical sciences. Topics will focus on human diseases or conditions which are most common or result in most illness and death or burden to the health system (e.g., diabetes, obesity, cancer, neurodegenerative disease)

Antirequisite(s): Medical Sciences 4930F/G.

Prerequisite(s): Registration in Year 4 of a BMSc, BSc, BESc or BHSc degree, with the exception of the Honors Specialization in IMS, or permission of the instructor.

3 lecture/tutorial hours/week or equivalent online delivery. 0.5 Course. Distance.

**MUSIC**

**1122A/B - Fundamentals of Music Theory**

A concise introduction to music theory that will develop both practical and intellectual fluency with musical skills and concepts. Not available for credit for music students.

Prerequisite(s): Registration in Year 4 of the Western-Fanshawe Collaborative BScN program or Compressed Time Frame BScN program. 3 lecture hours. 0.5 Course. Distance.

**2702A/B - Introduction to Jazz**

A survey of various styles of jazz. Consideration of artists, jazz ensembles, the harmonic and rhythmic language of jazz, and performing practices, including the nature and role of improvisation.

Antirequisite(s): The former Music 267A/B. 3 hours.

Open to non-music students. 0.5 Course. Distance.

**NURSING**

**2250A/B - Ways of Knowing: Research**

This course will introduce students to ways of knowing, questioning, and advancing nursing practice. Students will explore the basic strategies for identifying knowledge gaps through literature review and critique. Research methods pertinent to nursing will be explored.

Antirequisite(s): Nursing 3319A/B.

Prerequisite(s): Registration in the Year 2 Western-Fanshawe Collaborative BScN program. 3 lecture hours. 0.5 Course. Summer Evening.

**3600W/X - Clients With Health Challenges**

Topics will focus on human diseases or conditions which are most common or result in most illness and death or burden to the health system (e.g., diabetes, obesity, cancer, neurodegenerative disease)

Antirequisite(s): Nursing 3300.

Prerequisite(s): Registration in the Year 2 Western-Fanshawe Collaborative BScN program or Compressed Time Frame BScN program. 5 lecture hours. All 2000-level courses in the program must be completed successfully before enrolling in 3000-level courses. 1.0 Course. Summer Evening.

**3700Q/R/S/T - Professional Practice I: Clients With Health Challenges**

Topics will focus on human diseases or conditions which are most common or result in most illness and death or burden to the health system (e.g., diabetes, obesity, cancer, neurodegenerative disease)

Antirequisite(s): Nursing 3300.

Prerequisite(s): Registration in the Year 2 Western-Fanshawe Collaborative BScN program or Compressed Time Frame BScN program. 2 seminar hours, 29 hours practice. 1.0 Course. Summer Evening.

**4400A/B - Advanced Concepts for Professional Practice**

This course will assist students to integrate multiple sources of knowledge gained in the program to engage in in-depth exploration of health/illness issues.

Antirequisite(s): Registration in Year 4 of the Western-Fanshawe Collaborative BScN program or Compressed Time Frame BScN program. 3 lecture hours. All 3000-level courses in the program must be completed successfully before enrolling in 4000-level courses. 0.5 Course. Summer Evening.

**4410A/B - Professional Practice: Clients With Complex Health Challenges**

This course will allow students to synthesize knowledge from multiple sources to engage with clients experiencing health/illness challenges.

Antirequisite(s): Registration in Year 4 of the Western-Fanshawe Collaborative BScN program or Compressed Time Frame BScN program. 344 clinical hours. All 3000-level courses in the program must be completed successfully before enrolling in 4000-level courses. 0.5 Course. Summer Evening.

**4440A/B - Future Directions for Nursing & Health Care**

This course focuses on contemporary issues in nursing, health care and health policy. Students will explore the role of nursing in shaping and influencing future directions incorporating policy concepts such as social justice, empowerment, and change and transformative theory.

Antirequisite(s): Nursing 4412W/X, the former Nursing 3300.

Prerequisite(s): Registration in the Year 4 of the Western-Fanshawe Collaborative BScN program or Compressed Time Frame BScN program. 3 lecture hours. 0.5 Course. Summer Evening.

**4497 - Integrative Practicum**

The final course in the program, builds upon knowledge and experience gained in previous courses and integrates theory with practice. Consists of concurrent seminars and practica, evaluated separately. Seminars use problem-based and case study methods. Practica in urban and rural health care settings are based upon student learning needs.

Antirequisite(s): Registration in the Primary Health Care Nurse Practitioner Certificate program.

6 hours seminar, 29 hours practice. 1.0 Course. Summer Evening.

**PHARMACOLOGY**

**2060A/B - Introductory Pharmacology and Therapeutics**

A course for students in the BSc in Nursing and other Health Sciences programs as well as students in BMSc and BSc programs, to provide a basic understanding of the fundamentals of drug action and the mechanisms of action and therapeutic use of the important classes of drugs.

Antirequisite(s): Pharmacy 3620.

Pre- or Corequisite(s): One of Biology 100A or 120A and one of Biology 102B or 122B, or registration in the BSc in Nursing.

1 tutorial hour (optional). 0.5 Course. Distance.

**4980E - Experimentation and Communication in Pharmacology**

Course requirements: i) theory and practice of modern laboratory techniques, ii) scientific writing, iii) appropriate use of experimental models, iv) research project supervised by faculty, v) scientific communication consisting of instruction on communication skills, preparation of seminar, poster presentation and preparation of a research proposal and final research report.

Antirequisite(s): Pharmacy 3620 and Pharmacology 3580Z.

Prerequisite(s): Physiology 3120; Physiology 3140A; and registration in either an Honors Specialization in Pharmacology or an Honors Specialization in Physiology and Pharmacology.

Minimum 11 laboratory hours per week plus 2 seminar hours per week. 1.5 Course. Summer Day.
PHILOSOPHY

1250F/G - Right and Wrong
A survey of selected philosophical problems in the areas of ethics and political/legal philosophy, with reference to works of both classical and contemporary philosophers. Specimen topics include ethical relativism, freedom and determinism, anarchy and government, and the justification of punishment. Primarily for first year students.
Antirequisite(s): Philosophy 1100E, 1300E.
3 hours. 0.5 Course. Intersession.

1305F/G - Questions of The Day
This course develops students' ability to approach disputed questions by seeing them from both sides, so that they reach their own view only after respecting a broad range of argument. Six questions will be considered, including human (over) population, the public funding of art, and the limits of religious freedom.
3 hours. 0.5 Course. Summer Day.

1340F/G - Philosophy Through Film
This course introduces students to philosophical inquiry through film. Certain films can be interpreted as attempting to answer our deepest questions. We will view films in order to explore the nature of truth, knowledge, time, self, evil, and life's meaning.
3 hours. 0.5 Course. Intersession.

2074F/G - Business Ethics
Ethical analysis of issues arising in contemporary business life. Sample topics: ethical codes in business; fair and unfair competition, advertising and consumer needs and wants; responsibilities to investors, employees and society; conflicts of interest and obligation; business and the regulatory environment.
3 hours. 0.5 Course. Intersession.

2200F/G - Ancient Philosophy
A critical examination of key works of Greek philosophers with major emphasis on Plato and Aristotle.
3 hours. 0.5 Course. Intersession.

2250 - Introduction to Logic
A study of sentential and predicate logic designed to train students to use procedures and systems (trees, natural deduction, axiomatic systems) for determining logical properties and relations, and to give students an understanding of syntactic and semantic metatheoretical concepts and results relevant to those procedures and systems.
Antirequisite(s): Philosophy 2020, 225W/X, or the former Philosophy 222A/B.
3 hours. 1.0 Course. Summer Day.

2500F/G - Introduction to The Theory of Knowledge
An introduction to the main problems of epistemology. Specimen topics include: the nature of human knowledge and belief, perception, evidence, truth and confirmation.
3 hours. 0.5 Course. Summer Evening.

2700F/G - Introduction to Ethics and Value Theory
Critical study of the nature and justification of ethical and value judgements, with an analysis of key concepts and a survey of the main contemporary theories.
3 hours. 0.5 Course. Distance.

2730F/G - Media Ethics
A study of ethical issues in media, including such topics as: the reasonable limits of free expression; intellectual property and the public domain; official secrets and access to information; regulating online content; commercial databases and informational privacy; cameras in the courtroom; plagiarism and piracy; defamation; hastvism and the hacker ethic.
3 hours. 0.5 Course. Intersession.

2810F/G - Global Justice and Human Rights
What are our obligations to other countries and their citizens? Do those obligations issue from universal human rights? This course will address these questions through the consideration of a number of topics that raise issues of global justice, for example economic globalization, genocide and military intervention.
Antirequisite(s): Political Science 3346E.
3 hours. 0.5 Course. Summer Day.

PHYSICS

0010 - Introduction to Physics
An introduction to the concepts and theories of physics. Topics covered: motion, energy, waves, electric fields and potential, DC circuits, magnetic fields, electromagnetic radiation; and the interface between energy and matter. Students will also develop inquiry skills, and an understanding of the scientific method.
Antirequisite(s): Grade 12U Physics or any university level Physics course.
Prerequisite(s): High School Physics (Grade 11 Advanced Level or equivalent) or permission of the Dean, and registration in the Preliminary Year program at Brescia University College.
2 lecture hours, 3 laboratory/tutorial hours. 1.0 Course. Intersession.

1301A/B - Introductory Physics I
An introductory calculus-based laboratory course in physics covering the foundational principles of kinematics, force and motion, energy, linear momentum, rotation, torque and angular momentum, gravitation, fluids.
Antirequisite(s): Physics 101, 102B/A, 1401A/B, 1501A/B, the former Physics 1020, 1024, 1103.
Prerequisite(s): Grade 12U Calculus and Vectors (MCV4U) or Mathematics 0110A/B.
3 lecture hours, 3 laboratory/tutorial hours.
Note: The department recommends that students also take a concurrent course that includes Calculus.

1302A/B - Introductory Physics II
An introductory calculus-based laboratory course in physics covering the foundational principles of oscillations, waves, electric fields and potential, DC circuits, magnetic fields, magnetic induction.
Antirequisite(s): Physics 1021, 1029A/B, 1402A/B, 1502A/B, the former Physics 1020, 1024, 1103.
Prerequisite(s): one of Physics 1301A/B or 1401A/B or 1501A/B, or a minimum mark of 70% in Physics 1028A/B.
3 lecture hours, 3 laboratory/tutorial hours.
Note: The department recommends that students also take a concurrent course that includes Calculus.

PHYSIOLOGY

2130 - Human Physiology
A survey course outlining the principles of human/mammalian physiology: general properties of the living cell and internal environment; neural, muscle, cardiovascular, respiratory, gastrointestinal, renal and endocrine system; metabolism, reproduction, and homeostasis.
Antirequisite(s): Physiology 1020, 1021, 3120.
Prerequisite(s): First-year courses in Biology and Chemistry are recommended.
2 lecture hours, 1 tutorial hour. 1.0 Course. Distance.

4980E - Seminar and Research Project - Physiology
A major laboratory project in Physiology which emphasizes experimental design, instrumentation, collection and analysis of data and communication of experimental results by oral, poster and written presentations.
Prerequisite(s): Physiology 3120, 3130 and Physiology 3140A.
Minimum 10 laboratory hours per week plus 2 seminar hours alternate weeks. Enrolment limited to students in Honors Specialization modules in Physiology, Physiology and Pharmacology, and Physiology and Psychology. 1.5 Course. Summer Day.

POLITICAL SCIENCE

1020E - Introduction to Political Science
An introduction to the study of politics. The course focuses on ideas (including politics, power, democracy, justice, freedom), ideologies (including liberalism, conservatism, socialism, feminism), institutions (including the nation-state, constitutions, legislatures, executives, the judiciary), political mobilization (participation, elections, parties, interest groups), and research skills, emphasizing Canadian, comparative, and international examples.
3 hours. 1.0 Course. Distance.

2208E - Special Topics in International Politics
Prerequisite(s): Political Science 2010E. 1.0 Course. Intersession.

229F - The Politics of Human Rights
A lecture course on the political dimensions of human rights. The course begins by examining the meaning and interpretations of human rights, and then discusses the application of the human rights discourse in real world situations both within states and at the international level.
Antirequisite(s): Political Science 3386E, the former Political Science 209E, if taken in 2001-02, 2002-03, 2003-04.
Prerequisite(s): Political Science 2010E.
3 lecture hours. 1.0 Course. Intersession.

2230E - Canadian Government and Politics
An examination of selected problems in Canadian government and politics, such as federalism, political parties and pressure groups.
Antirequisite(s): Political Science 2103A/B, 2130, 2133A/B.
Prerequisite(s): Political Science 2010E.
3 hours. 1.0 Course. Distance.

2231E - International Relations
This course surveys contemporary world politics and examines contesting theories used by scholars and policymakers to make sense of international affairs. It also provides the conceptual tools and theories to interpret the international system.
Antirequisite(s): Political Science 2131.
Prerequisite(s): Political Science 2010E.
3 hours. 1.0 Course. Distance.

2237E - Intro to Political Theory
An examination of central themes and issues in the history of political thought from ancient to modern times.
Antirequisite(s): Philosophy 2800F/G, 2801F/G, 2802E.
Prerequisite(s): Political Science 2010E.
3 hours. 1.0 Course. Distance.

2245E - Introduction to Comparative Politics
Examines theoretical approaches to the study of comparative politics. The course introduces students to the methodology of comparative politics through the study of both developed and developing societies.
Prerequisite(s): Political Science 2010E.
3 hours. 1.0 Course. Distance.

2246E - Public Administration
The basic principles of public administration in the modern state, including organization, procedures and the relation of administration to policy making.
Antirequisite(s): Political Science 2146.
3 hours. 1.0 Course. Distance.
2270E - Women and Politics
This course focuses on how women participate and effect political change. It examines women's subordination and the wide-range of emancipatory struggles women have undertaken to achieve equality.
Antirequisite(s): Political Science 2255F/G, Political Science 3307F/G.
Prerequisite(s): Political Science 1020E or Women's Studies 1020E or registration in Honors Specialization or Major modules in Social Justice and Peace Studies.
3 hours, 1.0 Course. Summer Day.

3324F/G - Introduction to Research Methods in Political Science
This course introduces students to a range of methodological approaches to questions in political science. Students will become familiar with qualitative and quantitative data sources and ways of using each to address political issues.
Antirequisite(s): Health Sciences 2810A/B, Psychology 2800E, Psychology 2820E, and Sociology 2206A/B.
Prerequisite(s): Registration in 3rd or 4th year of Political Science, International Relations or a BMOS Public Administration module.
2 lecture hours, 0.5 Course. Distance.

3366E - International Conflict Management
An examination of theories and strategies of international conflict and conflict management, including the causes of war, arms control, and various methods of reducing or eliminating conflict.
Prerequisite(s): Political Science 2331E or Political Science 2245E or International Relations 2702E, or the former International Relations 2701E.
2 hours, 1.0 Course. Distance.

3394F/G - Selected Topics in Political Science
Prerequisite(s): Enrolment in 3rd or 4th year in any Political Science module, or permission of the Department.
0.5 Course. Intersession.

4931E - Research Report
Prerequisite(s): Political Science 4901A/B, 4902A/B, 4903A/B, 4904A/B.
1.0 Course. Intersession.

PSYCHOLOGY

1000 - Introduction to Psychology
An introductory survey of the methods and findings of modern scientific psychology. The following topics will be covered: history and methodology, biological psychology, sensation and perception, learning and motivation, verbal and cognitive processes, social psychology, individual differences (intelligence and personality), and clinical psychology.
Antirequisite(s): Psychology 1100E, the former Psychology 1200.
3 lecture hours, 1.0 Course. Distance. Summer Evening.

2020A/B - Drugs and Behavior
Survey of the major drugs of abuse used to treat psychopathological disorders including a brief section on methods of administration, drug distribution and elimination, neurotransmitters. The history and patterns of use and abuse, clinical indications, neurochemical bases for action for a variety of licit and illicit drugs.
3 lecture hours, 0.5 Course. Intersession.

2030A/B - The Maladjusted Mind
This course will survey various categories of maladjusted behavior and consider different explanatory models and treatment strategies for the control of such behavior. Theories of human adjustment and maladjustment will be reviewed.
Antirequisite(s): Psychology 2050, 2310A/B and 3310F/G.
3 lecture hours, 0.5 Course. Distance.

2031A/B - Psychology and Law
This course provides an overview of theory and research in the field of psychology and law. Basic and applied research in cognitive, developmental, clinical, and social psychology is related to legal issues, such as eyewitness memory, face identification, polygraph testing, child witnesses, and jury decision-making.
Antirequisite(s): Psychology 2032A/B, 3313A/B, 3314F/G.
3 lecture hours, 0.5 Course. Intersession.

2035A/B - Understanding Yourself and Others
This course examines ways in which recent research findings in psychology may be applied in the individual's life. Emphasis on psychology as an empirical science and on avenues of self-understanding and personal growth. Topics include: personality, stress and coping, person perception, interpersonal communication, friendship and love, sexuality, vocational development
Antirequisite(s): Psychology 2050.
3 lecture hours, 0.5 Course. Distance.

2036A/B - The Psychology of Physical Health and Illness
This course will cover the role of psychological factors in the prevention of illness and the maintenance of good health, and treatment of already-existing illness. Topics will include the stress/illness relationship, psychological influences on physical symptom perception and reporting, personality and health, behavioral factors in disease; coping, adherence and compliance.
Antirequisite(s): Psychology 2330A/B, 3330F/G.
3 lecture hours, 0.5 Course. Distance.

2040A/B - Child Development
A survey of theory and research in developmental psychology including learning, cognition, perception, personality, and social development in infancy and childhood.
Antirequisite(s): Psychology 2044, 2410A/B, 2480E, Health Sciences 2702A/B and the former 3702A/B.
3 lecture hours, 0.5 Course. Distance.

2070A/B - Social Psychology
An introduction to the theories, methods, findings and problems encountered in the study of people as social beings.
Antirequisite(s): Psychology 2720A/B, 2780E.
3 lecture hours, 0.5 Course. Intersession.

2075 - Human Sexuality
A survey of the psychological study of human sexual behavior. Topics include history, methodology, theory, anatomy, physiology, attraction, sexual function, sexual orientation, contraception, conception and birth, sexual health and sexual coercion, and pornography.
3 lecture hours, 1.0 Course. Distance.

2115A/B - Introduction to Sensation and Perception
An introduction to the study of the human senses and higher order perceptual processes. Data gathered from psychophysical research and studies of the nervous system in both humans and other animals will be discussed. The course will review the mechanisms and principles of operation of vision, hearing, touch, taste and smell.
Antirequisite(s): Psychology 2015A/B.
Prerequisite(s): At least 60% in a 1000 level Psychology course.
4 lecture hours, 0.5 Course. Intersession.

2135A/B - Cognitive Psychology
An introduction to empirical, computational, and theoretical approaches to the study of human cognitive processes. The topics surveyed will include: perception, attention, memory, concepts, language and problem-solving. The course will show how these diverse psychological processes are related to and influence one another.
Antirequisite(s): Psychology 2010A/B, 2180E.
Prerequisite(s): At least 60% in a 1000 level Psychology course.
4 lecture hours, 0.5 Course. Distance.

2220A/B - Introduction to Behavioral and Cognitive Neuroscience
Structure and function of the nervous system in relation to behavior. The physiological basis of the major aspects of behavior in human and other animals (principally mammals) will be covered, including: sensorimotor control, sleep and waking cycles, reproduction, ingestion, aggression, learning, memory, communication and behavioral disorders. Some background in biology is desirable.
This course is the normal prerequisite for Psychology 3285F/G.
Antirequisite(s): Neuroscience 2000, Psychology 2221A/B. 
Prerequisite(s): At least 60% in a 1000 level Psychology course.
3 lecture hours, 0.5 Course. Intersession.

2221A/B - Introduction to Biological Basis of Behavior
An introduction to the principles of evolutionary biology, genetics, and physiology in relation to behavior. This course is intended as an introduction to the biological basis of behavior for students who do not have a background in biology.
Antirequisite(s): Neuroscience 2000, Psychology 2220A/B.
Prerequisite(s): At least 60% in a 1000 level Psychology course.
3 lecture hours, 0.5 Course. Intersession.

2550A/B - Introduction to Personality Theory and Research
A survey of the history, methodology and content of the study of individual differences. Topics to be covered include: evaluation of typical personality assessment methods and a consideration of modern empirical research in personality theory and assessment.
Antirequisite(s): Psychology 2050 if taken before 2016. 
Prerequisite(s): At least 60% in a 1000 level Psychology course.
4 lecture hours, 0.5 Course. Intersession.

2720A/B - Introduction to Social Psychology
An introduction to the theories, findings, methods, and problems encountered in the study of people as social beings. Emphasis will be placed on experimental research, conducted both in the laboratory and in the field. Content areas include: attitudes and social cognition, social interaction and influence, group processes and applications of social psychology.
Antirequisite(s): Psychology 2070A/B, 2717F/G, 2780E.
Prerequisite(s): At least 60% in a 1000 level Psychology course.
2 lecture hours, 2 tutorial hours. 0.5 Course. Distance.

2800E - Research Methods in Psychology
Using selected examples, this course will introduce students to the variety of ways to conduct research in Psychology. Topics to be covered include: the scientific approach; ethical issues in human and animal research; designing, running, analyzing and writing up a research project; experimental, observational and correlational research strategies.
Antirequisite(s): Psychology 2855F/G and 2856F/G, 2820E, 2840F/G.
Prerequisite(s): At least 60% in a 1000 level Psychology course.
2 lecture hours, 2 laboratory hours. 1.0 Course. Summer Evening.

2810 - Statistics for Psychology
Introduction to data analysis with particular reference to statistical procedures commonly used in Psychological research.
Prerequisite(s): One full course in mathematics plus at least 60% in a 1000-level Psychology course. To fulfill the mathematics requirement, you must complete a full course equivalent by taking 10 courses from among the following courses: Applied Mathematics 1201A/B or the former Calculus 1201A/B, Mathematics 1210A/B, 1121A/B, 1228A/B, 1229A/B, 1604A/B, Calculus 1200A/B, 1100A/B, 1301A/B, 1500A/B, 1501A/B, the former Linear Algebra 1600A/B, Statistical Sciences 1024A/B, former Mathematics 303 and 311. If Mathematics 1010A/B is selected, then either Statistical Sciences 1024A/B or Mathematics 1228A/B must be taken. The combination of Mathematics 1228A/B and Statistical Sciences 1024A/B is strongly recommended.
2 lecture hours, 2 laboratory hours. 1.0 Course. Distance.

2820E - Research Methods and Statistical Analysis in Psychology
An introduction to the design, conduct, and statistical analyses of psychological research. The intent is to provide students with knowledge of how to implement and evaluate research in both laboratory and applied settings. Design and statistical analysis will be taught in the context of specific studies and
data sets from correlational, experimental, quasi-experimental and qualitative research. Written research projects will be required.

**3 lecture/discussion hours. 0.5 Course.** Distance.

**3301P/F - Clinical Psychology**

This course offers a survey of major topics in clinical psychology, including assessment and intervention approaches; experimental psychopathology; ethical, professional and theoretical issues; and emerging trends

**Antirequisite(s):** Psychology 2301A/B, the former 3300A/B.

**Prerequisite(s):** Psychology 2820E or both Psychology 2800E and 2810, and one of Psychology 2205A/B or 2230A/B.

**3 lecture/seminar hours. 0.5 Course. Distance.**

**3720F/G - The Psychology of Prosocial and Antisocial Behavior**

The course will consider the social, situational and personality factors responsible for the occurrence of antisocial behaviors such as violence and aggression, and of prosocial behaviors such as helping others in disaster or crisis situations.

**Antirequisite(s):** Psychology 2820E or both Psychology 2800E and 2810 (or Psychology 2780E or permission of the Department at Huron).

**3 lecture/discussion hours. 0.5 Course. Distance.**

**3800F/G - Psychological Statistics Using Computers**

This course covers most statistical procedures used in psychological research, and the use and interpretation of SPSS for Windows. Topics covered include the t-test, various forms of analysis of variance, chi-square, bivariate and multiple regression and correlation, factor analysis, multivariate analysis of variance, and Monte Carlo methods.

**Antirequisite(s):** Psychology 3830F/G.

**Prerequisite(s):** Psychology 2820E or both Psychology 2800E and 2810 (or Psychology 2780E or permission of the Department at Huron).

**2 lecture hours, 2 laboratory/tutorial hours. 1.0 Course. Summer Evening.**

**2850A/B - Statistics for Psychology II**

This course provides an introduction to techniques of statistical analysis with an emphasis on applications in Psychology. Topics include descriptive statistics, the normal distribution, probability, inferential statistics, and hypothesis testing. Also included will be discussion on the interpretation of statistics in other research designs including correlation, repeated samples testing and analysis of variance.

**Prerequisite(s):** At least 60% in a 1000 level Psychology course.

**3 hours. 0.5 Course. Summer Evening.**

**2990A/B - Applications of Psychology**

The purpose of this course is to acquaint students with some of the ways in which psychological evidence and techniques can be applied to the practice of law, business, education, the health sciences, etc.

**Prerequisite(s):** At least 60% in a 1000 level Psychology course.

**3 lecture hours. 0.5 Course. Distance.**

**3130A/B - Psychology of Thinking**

Theoretical and empirical studies on problem solving, reasoning, concept formation, thinking and cross-cultural variations in thinking processes.

**Antirequisite(s):** Psychology 2820E or both Psychology 2800E and 2810, and one of Psychology 2115A/B, 2134A/B, 2135A/B.

**3 lecture/discussion hours. 0.5 Course. Distance.**

**3227A/B - Neuropsychology: Brain Injury Diagnosis, Treatment & Recovery**

This course will discuss: 1) Common forms of brain injury, 2) basic neuropsychology, 3) various methods of diagnosing brain injuries, including neuropsychological assessments and neuromaging techniques, 4) historical and current treatments of the more common forms of brain injury, and 5) treatment outcomes.

**Antirequisite(s):** Psychology 3232A/B.

**Prerequisite(s):** Psychology 2200A/B or 2222A/B and registration in third or fourth year of the Honors Specialization or Major in Psychology modules.

**3 lecture hours. 0.5 Course. Summer Day.**

**3228A/B - Evolution and Psychology: The Science of Human Nature**

A survey of evolutionary approaches to the study of human behavior, including evolutionary psychology.

**Antirequisite(s):** Psychology 3232A/B.

**Prerequisite(s):** Psychology 1000 or Biology 1001 with a minimum grade of 60% and registration in third or fourth year.

**3 lecture/discussion hours. 0.5 Course. Distance.**

**2 lecture hours. 0.5 Course. Summer. Intercession.**

**2172A/B - Advertising and Society**

The social role of advertising and public relations in society. Special emphasis is given to advertising content, the mechanisms of persuasion, and controversies over advertising effects on human behavior and socialization.

**2 lecture hours. 0.5 Course. Summer. Intercession.**

**2179A/B - Promotion of Community Health**

The course examines health from a community perspective. The main focus will be on understanding the influence of the community on health, with particular attention to the relationship between social inequality and health. The course will also consider the implications of a sociological perspective for health promotion policies.

**3 lecture hours. 0.5 Course. Distance.**

**2205A/B - Statistics for Sociology**

An introduction to the techniques of statistical analysis used by sociologists, including descriptive statistics, the normal curve, hypothesis testing and various measures of association.

**Prerequisite(s):** At least 60% in 1.0 from Sociology courses at the 1000 level, or Social Work 1025A/B and 1025B.

**3 lecture hours. Mandatory for students registered in Yr 2 of an Honors Specialization offered through the Dept. of Sociology. 0.5 Course. Intercession.**

**2206A/B - Research Methods in Sociology**

An introduction to the research process and ethical dilemmas faced by sociologists, as well as a survey of the essential procedures used to collect sociological data, e.g., sampling, questionnaire design, and observational field research techniques.

**Antirequisite(s):** Social Work 2206A/B or the former 2205, Health Sciences 2801A/B or the former Health Sciences 2800.

**Prerequisite(s):** At least 60% in 1.0 from Sociology courses at the 1000 level.

**3 hours. Mandatory for students registered in Yr 2 of an Honors Specialization offered through the Dept. of Sociology. 0.5 Course. Intercession.**

**2240E - Survey of Sociological Theory**

A survey of sociological theory from the historical roots of sociology to the present.

**Antirequisite(s):** Sociology 2270A/B and Sociology 2271A/B.

**Prerequisite(s):** At least 60% in 1.0 from: Sociology 1020, 1021E, 1025A/B, 1025B/G, 1027A/B.

**3 lecture hours. Sociology 2240E or 2270A/B and 2271A/B are mandatory for students registered in Yr 2 of an Honors Specialization offered through the Dept. of Sociology. 1.0 Course. Distance.**

**2246A/B - Sociology of Health and Illness**

This course examines how health and illness are related to social processes and social structure. We will investigate how the social organization of Canadian society influences and is influenced by the types and distribution of disease and illness. Patterns of health and illness in Canada will be studied in relation to the variables of age, gender, class and race. In addition the impact of stress, work and the environment on the health of Canadians will be addressed. This will be followed by an examination of the social experience of illness.

**Antirequisite(s):** Sociology 2245.

**Prerequisite(s):** 1.0 from: Sociology 1020, 1021E, 1025A/B, 1025B/G, 1026F/G, 1027A/B.

**3 lecture hours. 0.5 Course. Distance.**

**2247A/B - Sociology of Health Care**

This course examines how health care in Canada is related to social processes and social structure. We will investigate how the health care system in Canada is organized to respond to health and illness. Various occupations within the health care division of labour will be studied. This will be followed by
an examination of key institutions involved in the provision of health care, both public and private. Finally, the role of the state in the health care system and various strategies of health reform will be examined.

**Antirequisite(s):** Sociology 2245.

**Prerequisite(s):** 1.0 from: Sociology 1020, 1021E, 1025A/B, 1026F/G, 1027A/B.

3 lecture hours. 0.5 Course. Distance.

2253A/B - Administration of Criminal Justice

A sociological analysis of the criminal justice system in Canada (public involvement, police, courts, and correctional programs). The organization, structure and functioning of the criminal justice system are examined.

**Prerequisite(s):** 1.0 from Sociology courses at the 1000 level.

3 lecture hours. 0.5 Course. Intersession.

2266A/B - An Introduction to Criminology

The sociological aspects of crime in Canada. The measurement patterns, causes and social explanations of criminal behavior will be examined.

**Prerequisite(s):** 1.0 from: Sociology 1020, 1021E, 1025A/B, 1026F/G, 1027A/B.

3 lecture hours. 0.5 Course. Distance.

3313F/G - Drugs and Society

This course considers the sociological significance of drugs and drug use in society. The historical, political and cultural underpinnings of drug use are examined, while highlighting the social implications of policies that approach drugs and drug use from moral rather than empirical positions.

3 lecture hours at the 1000 level and third or fourth year standing in a module in Sociology, Criminology.

3 hours. 0.5 Course. Intersession.

3343F/G - The Sociology of Religion: Understanding Islam I

Using a Weberian approach to its cultural and social evolution, Islam is considered as a prothetic and charismatic force and as an element in ethnic, state and regional social structures and ideologies. The seminar is a background for the understanding of modern topics in the sociology of Islam.

3 hours. 0.5 Course. Summer Evening.

3363F/G - Sociology of Terrorism

A sociological examination of the construction, causes, manifestations, and consequences of terrorism. This course explores the discursive construction of “terrorism” from dominant and subaltern perspectives; analyzes the causes and manifestations of terrorist actions; and engages in a comparison of the impact of responses to terrorism by the US and Canada.

**Prerequisite(s):** 1.0 from Sociology courses at the 1000 level and third or fourth year standing in a Sociology or Criminology module.

3 hours. 0.5 Course. Summer Evening.

**SOCIAL WORK**

1021A/B - Introduction to Social Welfare

An introductory course on Canada’s social welfare system. Emphasis is on pursuing a critical analysis of Canada’s existing social welfare programs and institutions. Attention is given to the history of society’s response to meeting human needs, to varying theoretical perspectives and motivations for forming the social welfare system in Canada. Required for admission to the Social Work program.

**Antirequisite(s):** The former Social Work 1020.

3 lecture hours. 0.5 Course. Intersession.

1022A/B - Introduction to Social Work

An introductory course addressing key concepts and contemporary issues in professional social work practice in Canada. The ethical underpinnings of the profession along with micro, mezzo and macro levels of intervention will be discussed and an emphasis placed on their application to diverse populations of practice in the Canadian setting. Required for admission to the Social Work program.

**Antirequisite(s):** The former Social Work 1020.

3 lecture hours. 0.5 Course. Intersession.

2224A/B - Introduction to Generalist Social Work Practice

An introductory course addressing key concepts and contemporary issues in professional social work practice in Canada. The ethical underpinnings of the profession along with micro, mezzo and macro levels of intervention will be discussed and an emphasis placed on their application to diverse populations of practice in the Canadian setting. Required for admission to the Social Work program.

**Antirequisite(s):** The former Social Work 1020.

3 lecture hours. 0.5 Course. Intersession.

2215A/B - Introduction To Social Work Practice Theories And Skills

Students are introduced to a number of contemporary theories that underlie the practice of social work. A communications laboratory offers a small group experiential means of learning foundational communication and interviewing skills. Required for admission to the Social Work program.

**Antirequisite(s):** The former Social Work 2204.

3 lecture hours. 0.5 Course. Intersession.

4462A/B - Social Work Practice With The Aged

An examination of social, physiological, psychological, economic and cultural factors in aging, as required in Social Work practice with the aged. Current policies and services will be critically studied in relation to needs of the aged in our society.

**Prerequisite(s):** Third-year social work courses.

3 lecture hours. 0.5 Course. Intersession.

4463A/B - Social Work Practice With Children and Adolescents

An analysis of Social Work methodologies related to children and adolescents as vulnerable groups in society. Emphasis is on the use of specialized techniques with traumatized and bereaved children. Concepts of attachment, resilience, adaptation and coping are explored.

**Prerequisite(s):** Third-year social work courses.

3 lecture hours. 0.5 Course. Intersession.

**SPANISH**

1030 - Spanish for Beginners

Using traditional and communicative practices (songs, videos, films, games) this course prepares students to interact in a daily life context and provides the foundation for continued studies in Spanish. Designed for students with little or no knowledge of Spanish.

**Antirequisite(s):** Grade 12 U Spanish, Spanish 1030W/X.

3 lecture hours plus 1 hour online. Includes a Community Service Learning option. 1.0 Course. Intersession. Summer Day.

**SPEECH**

2001 - The Major Forms of Oral Discourse

For effective communication of ideas: Public Address, with basic purposes; Group Discussion; Debate; Voice and Diction; Interpretative Reading.

3 hours. 1.0 Course. Intersession.

**STATISTICAL SCIENCES**

1024A/B - Introduction to Statistics

Statistical inference, experimental design, sampling design, confidence intervals and hypothesis tests for means and proportions, regression and correlation.

**Antirequisite(s):** All other courses or half courses in Introductory Statistics, except Statistical Sciences 1023A/B and 2037A/B.

**Prerequisite(s):** Grade 12U Mathematics or Mathematics 1030W/X or 1229A/B.

Offered in two formats: 3 lecture hours, or weekly online lectures and 2 in-class lab hours. 0.5 Course. Distance.

2035 - Statistics for Business and Social Sciences

Descriptive statistics and graphs, probability and distributions. Sampling, hypothesis testing, and confidence intervals. Experimental design and analysis of variance. Regression and correlation, including multiple regression. Applications emphasized. This course cannot be taken for credit in any module in Statistics, Actuarial Science, or Financial Modelling.

**Prerequisite(s):** One full course or equivalent from: Applied Mathematics 1201A/B, 1413. Statistical Sciences 1024A/B, Calculus 1000A/B or 1100A/B or 1500A/B, Calculus 1301A/B or 1501A/B, Mathematics 1600A/B or the former Linear Algebra 1600A/B, Mathematics 1225A/B, 1228A/B, 1229A/B, 3 lecture hours. 1.0 Course. Distance.

2141A/B - Applied Probability and Statistics for Engineers

An introduction to statistics with emphasis on the applied probability models used in Electrical and Civil Engineering and elsewhere. Topics covered include samples, probability, probability distributions, estimation (including comparison of means, variance and regression). Cannot be taken for credit in any 3-year or honors program or in any module in Statistics, Actuarial Science, or Financial Modelling.

**Prerequisite(s):** Applied Mathematics 1413, or 0.5 course from Calculus 1000A/B, 1100A/B or 1500A/B plus 0.5 course from either Calculus 1301A/B or 1501A/B.

3 lecture hours, 1 tutorial hour. 0.5 Course. Summer Evening.

2244A/B - Statistics for Science

An introductory course in the application of statistical methods, intended for honors students in departments other than Statistical and Actuarial Sciences, Applied Mathematics, Mathematics, or students in the Faculty of Engineering. Topics include sampling, confidence intervals, analysis of variance, regression and correlation. Cannot be taken for credit in any module in Statistics, Actuarial Science, or Financial Modelling.

**Prerequisite(s):** A full mathematics course, or equivalent, numbered 1000 or above. Statistical Sciences 1024A/B can be used to meet 0.5 of the 1.0 mathematics course requirement. 2 lecture hours, 3 lab hours. 0.5 Course. Summer Evening.
THANATOLOGY

2231A/B - Bereavement and Grief: Overview and Interventions
A study of bereavement and grief, with a review of topics such as attachment theory, the normal course of grief, current research and trends in bereavement theory and interventions, factors influencing the grief response, and specific types of loss and specific populations and grief. 3 lecture hours. 0.5 Course. Distance.

2232A/B - Children & Death: Theory & Interventions
An examination of children's understanding of death, the dying child, children and funerals, specific ages and interventions for the grieving child, the family system and death, and death and trauma in children. 3 lecture hours. 0.5 Course. Distance. Summer Evening.

2233A/B - Suicide: Theory & Interventions
A study of suicide with emphasis on North American culture. Topics will include the epidemiology of suicide and current research on suicide, suicide across the life span, theories about suicide, suicide prevention, intervention, and grief after a suicide. 3 lecture hours. 0.5 Course. Distance. Summer Evening.

3323A/B - Grief and Trauma
An exploration of the intersection between grief, loss, and trauma in a variety of contexts. Theories of grief and trauma intervention will be applied to the role of first responders, death notification, traumatic response teams, unique features of sudden loss, and implications for treatment of survivors in various populations, as well as professional caregiver issues. 3 lecture hours. 0.5 Course. Distance.

3355A/B - Ethical Issues in Death, Dying & Bereavement
Overview of ethical issues pertinent to end of life and bereavement aftercare. Exploration of various theoretical frameworks and specific relevant topics such as euthanasia, assisted suicide, informed choice and decision-making capacity, patient rights, research ethics, medical futility, resource allocation, and quality of life issues. 3 lecture hours. 0.5 Course. Distance.

3360A/B - Practicum in Thanatology
Students will be exposed to various care providers in the community that work with individuals and families facing death and experiencing grief after a loss. Focus will be on integration of theoretical knowledge with clinical application. Students with a clinical focus and background will be given priority. Prerequisite(s): Thanatology 2200, 2230A/B, 2231A/B Class meets for 8 hours each Monday for the first seven weeks of term. Practicum is 45 additional hours in placement setting. 0.5 Course. Summer Evening.

THEATRE STUDIES

3206F/G - Shakespeare and Performance
A historical, theoretical, and analytical introduction to Shakespeare's plays in performance. This course focuses on specific problems related to past productions and to those in the current Stratford Festival season. Class meets for three hours a day, five afternoons a week, and includes attendance at Shakespearean productions. Summer Day only. Antirequisite(s): the former English 2042F/G. 0.5 Course. Summer Day.

3207F/G - Voice and Text in The Theatre
A workshop in which students will experience, with simple, practical exercises, the ways in which Festival actors develop and maintain their voices and explore various aspects of the text they are performing. The class meets for three hours, four mornings a week. Taught by Stratford Festival staff. Summer Day only. Antirequisite(s): the former English 2043F/G. Prerequisite(s): English 2041F/G or equivalent. Corequisite(s): Theatre Studies 3206F/G. 0.5 Course. Summer Day.

VISUAL ARTS STUDIO

1020 - Foundations of Visual Arts
A studio course designed to introduce students to techniques and processes of two-dimensional and three-dimensional media; the theoretical concepts which inform and direct studio practice will be emphasized. Antirequisite(s): VIS 1041F/G. 1 lecture hour and 3 studio lab hours. Note: No Visual Arts portfolio required. Note: Some sessions may involve drawing from the nude [female or male] as a required component of the course. 10 Course. Intersession.

WOMEN'S STUDIES

1023F/G - Gay Life and Culture in The 21st Century: Beyond Adam and Steve
Judging by the media, you would think the only issue in gay life today is same-sex marriage. This course will examine many of the other issues affecting gay men, such as sexual politics and practices, body image, health, consumer culture, social media, television and film, and conversations with race and class. 3 hours. 0.5 Course. Distance.

2223F/G - Gender, Sexuality and Disability
This interdisciplinary course brings a critical lens to the study of disability, sexuality and gender. Employing critical disability studies and feminist, critical sexuality and queer theories, students will explore and question issues affecting the sexual lives, gender expressions, and subjectivities of people with disabilities. 3 hours. 0.5 Course. Distance.

2224 - Women and Health
This course provides an overview of historical, social, economic, political and biological influences on women's health. Using a feminist perspective, both experiential and theoretically based knowledge will be explored through the process of critical reflection. Antirequisite(s): The former Women's Studies 2154. 3 hours. 1.0 Course. Distance.

3359F/G - Special Topics in Women's Studies
An advanced seminar on topics of current interest in Women's Studies. Consult the Department of Women's Studies and Feminist Research for current offerings. Prerequisite(s): Women's Studies 2201E, or permission of the Department. 3 hours. 0.5 Course. Distance.

WRITING

1002F/G - Introduction to Writing in English
This course is an introduction to academic writing for first-year English as a Second Language students in all disciplines. Topics range from grammar, sentence structure, and paragraphing to the principles of scholarly argument and research. Antirequisite(s): the former Writing 0002F/G, 1020F/G, 1021F/G, 1022F/G, 2101F/G. 3 lecture hours. 0.5 Course. Intersession.

1020F/G - Writing: Introduction to University Essay Writing
A practical introduction to the basics of successful academic writing, designed for first-year students in all disciplines. Topics will range from grammar, sentence structure, and paragraphing to the principles of scholarly argument and research. Antirequisite(s): Writing 0002F/G, 1020F/G, 1021F/G, 1022F/G, 2101F/G. 3 lecture hours. 0.5 Course. Intersession. Summer Day.

2011F/G - Writing in The World: Introduction to Professional Writing
This course will introduce students to various genres of workplace writing such as letters, memos, and reports. Topics include: employment communications (application letters and resumes); business writing style; positive, negative, and persuasive messages; cross-cultural communication; oral communication. 3 hours. 0.5 Course. Distance.

2203F/G - From Headline to Deadline: Writing for Publication
This course introduces writing intended for various forms of publication, including media releases and public letters, reviews and reports, newspaper and magazine articles. Students will develop skills in the preparation, writing, copy-editing, and formatting of materials for publication, focusing on effective organization at every level of writing. Antirequisite(s): MT 3820F/G; MIT 3870G if taken in 2009-10, 2010-11, or 2011-12. Prerequisite(s): At least 65% in one of Writing 2101F/G, 2112F/G, or 2121F/G, or at least 70% in one of Writing 1000F/G, 1030F/G, or 1031F/G, or permission of the Department (consult the Undergraduate Program Director, Writing). 3 hours. 0.5 Course. Distance.

2211F/G - The Naked Writer: Fundamentals of Creative Writing
Students will explore fundamentals of creative writing and challenge their creativity through the writing of fiction, poetry and creative nonfiction. In craft talks and in small workshop settings, students will examine their work and the work of others for the use of basic elements such as character, voice, and setting. Prerequisite(s): At least 65% in one of Writing 2101F/G, 2112F/G, or 2121F/G, or at least 70% in one of Writing 1000F/G, 1030F/G, or 1031F/G, or permission of the Department (consult the Undergraduate Program Director, Writing). 3 hours. 0.5 Course. Distance.

2291F/G - Special Topics in Writing
Please consult the Writing, Rhetoric, and Professional Communication Office, Faculty of Arts and Humanities for current offerings. Prerequisite(s): At least 65% in one of Writing 2101F/G, 2112F/G, or 2121F/G, or at least 70% in one of Writing 1000F/G, 1030F/G, or 1031F/G, or permission of the Department (consult the Undergraduate Program Director, Writing). 3 hours. 0.5 Course. Intersession.

4998F/G - Re-Visioning Self: Creating Your Professional Portfolio
In this half-course students will write new documents and revise documents written in previous Writing classes to include in a portfolio of their work. The portfolio will be both online and printed. Class time will be devoted to a combination of lecture and writing workshop. Antirequisite(s): The former Writing 2299F/G. Prerequisite(s): Two or more Writing courses numbered 2200 and above, or permission of the Department (consult the Undergraduate Program Director, Writing). 3 lecture hours. 0.5 Course. Distance.
## IMPORTANT SUMMER DATES

**Web registration begins on March 2 at 9:30 a.m. for all Summer sessions**

### Online Course Registration Ends

| SESSION | DURATION | ONLINE COURSE REGISTRATION ENDS  
| --- | --- | (last day to add a course) |
| Distance Studies – 1.0 or 0.5 course (12 weeks) | May 8 – July 28 | May 12 |
| Distance Studies – First term 0.5 course (6 weeks) | May 8 – June 16 | May 12 |
| Distance Studies – Second term 0.5 course (6 weeks) | June 19 – July 28 | June 23 |
| Summer Evening – 1.0 or 0.5 course (12 weeks) | May 8 – July 28 | May 12 |
| Summer Evening – First term 0.5 course (6 weeks) | May 8 – June 16 | May 12 |
| Summer Evening – Second term 0.5 course (6 weeks) | June 19 – July 28 | June 23 |
| Intersession – 1.0 or 0.5 course (6 weeks) | May 15 – June 23 | May 16 |
| Intersession – First term 0.5 course (3 weeks) | May 15 – June 2 | May 16 |
| Intersession – Second term 0.5 course (3 weeks) | June 5 – June 23 | June 16 |
| Summer Day – 1.0 or 0.5 course (6 weeks) | July 3 – Aug 11 | July 4 |
| Summer Day – First term 0.5 course (3 weeks) | July 3 – July 21 | July 4 |
| Summer Day – Second term 0.5 course (3 weeks) | July 24 – Aug 11 | July 25 |

### Last Day for Paper Drop Exams

- **Distance Studies – 1.0 or 0.5 course**: June 12
- **Distance Studies – First term 0.5 course**: June 5
- **Distance Studies – Second term 0.5 course**: July 17
- **Summer Evening – 1.0 or 0.5 course**: June 12
- **Summer Evening – First term 0.5 course**: June 5
- **Summer Evening – Second term 0.5 course**: July 17
- **Intersession – 1.0 or 0.5 course**: June 5
- **Intersession – First term 0.5 course**: May 29
- **Intersession – Second term 0.5 course**: June 16
- **Summer Day – 1.0 or 0.5 course**: July 21
- **Summer Day – First term 0.5 course**: July 14
- **Summer Day – Second term 0.5 course**: August 4

### Exams

- **Distance Studies – 1.0 or 0.5 course**: July 31 – August 3
- **Distance Studies – First term 0.5 course**: See instructor
- **Distance Studies – Second term 0.5 course**: July 31 – August 3
- **Summer Evening – 1.0 or 0.5 course**: July 31 – August 1
- **Summer Evening – First term 0.5 course**: See instructor
- **Summer Evening – Second term 0.5 course**: July 31 – August 1
- **Intersession – 1.0 or 0.5 course**: June 26 – 27
- **Intersession – First term 0.5 course**: See instructor
- **Intersession – Second term 0.5 course**: June 26 – 27
- **Summer Day – 1.0 or 0.5 course**: August 14 – 15
- **Summer Day – First term 0.5 course**: See instructor
- **Summer Day – Second term 0.5 course**: August 14 – 15

### Important Dates

- **March 1**: Last day to receive admission applications for Spring/Summer Distance Studies, Summer Evening and Intersession from students applying for the first time. All supporting documentation must be submitted within seven days of this date.
- **May 1**: Last day to receive admission applications for Summer Day courses from students applying for the first time. All supporting documentation must be submitted within seven days of this date.
- **May 22**: Victoria Day. No classes. (Western Holiday)
- **June 30**: Canada Day. No classes. (Western Holiday)
- **Aug. 7**: Civic Holiday. No classes. (Western Holiday)
- **Aug. 31**: Deadline to apply for relief against a final grade in a Summer Evening course.
- **Sept. 15**: Deadline to apply for relief against a final grade in a Summer Day course.
- **Oct. 15**: Deadline to apply for relief against a final grade in a Spring/Summer Distance Studies course.
- **July 31**: Deadline to apply for relief against a final grade in an Intersession course.

*Any of the following deadlines that occur on a Saturday, Sunday, or a Statutory Holiday will be extended to the next working day.*
LIVE ON CAMPUS AFTER FIRST YEAR!

You can choose to live in one of the two suite-style upper-year residences: **Alumni House** or **London Hall**, both of which have double beds and an optional meal plan.

- **Pick your preferred building**
- **Live with your friends**
- **Reserve your suite**

**Alumni House** provides easy access to bus routes to Masonville and Richmond Row. It’s a smaller and quiet residence, meaning more privacy and comfort.
