Effective **September 1, 2017**, the PROGRAM INFORMATION page be revised per a submission to SCAPA in December 2016 which contained content that was incorrectly approved. The corrected Calendar Copy will be formally approved at the March Senate meeting.

PROGRAM INFORMATION

The Bachelor of Health Sciences is a limited enrolment program. Enrolment in the Honors Specialization, Specialization and Major modules is restricted to students registered in the School of Health Studies.

The "Minor in Health Sciences" is available on a limited basis to students who meet the prerequisite requirements.

Students registered in the School of Health Studies who complete 5.0 first-year courses with an average of at least 65% in the 5.0 course load with no grade less than 60% will be guaranteed admission into the second year in the School of Health Studies, as long as they have also fulfilled the specific admission requirements for one of the School's Honors Specialization, Specialization or Major modules. 70% will be considered for admission into the second year in the Bachelor of Health Sciences. As this is a limited enrollment program, meeting the minimum requirements for consideration does not guarantee admission. Please refer to the individual module sections in the Academic Calendar for more information.

Notes:

1. All Bachelor of Health Sciences Honors Specialization modules require a minimum grade of 70% in each of Health Sciences 1001A/B and 1002A/B, a minimum grade of 60% in each of Biology 1201A and 1202B (or Biology 1001A and 1002B), and a minimum cumulative average of 70% in 3.0 principal first-year courses, including Health Sciences 1001A/B and 1002A/B, Biology 1201A and 1202B (or Biology 1001A and 1002B) and 1.0 additional course. The Honors Specialization in Health Sciences with Biology requires a minimum average of 70% and no grade less than 60% in 4.0 principal courses. Some Honors Specializations have limited space and additional minimum requirements. Competitive academic standing may be required when demand exceeds enrollment capacity.

2. The Bachelor of Health Sciences Specialization and Major modules require a minimum cumulative average of 65% in 3.0 principal first-year courses, with a minimum grade of 60% in each of: including Health Sciences 1001A/B and 1002A/B, Biology 1201A and 1202B (or Biology 1001A and 1002B) and 1.0 additional course.

3. Failure to meet the above minimum Honors or non-Honors module admission requirements will result in withdrawal from the Bachelor of Health Sciences program and the School of Health Studies.
