PHILOSOPHY

Effective September 1, 2020, the following change(s) be made: Program Revision.

CERTIFICATE IN ETHICS

Program

The **Certificate Diploma** in Ethics is a program of study that may be completed full-time in one year or part-time over a number of years. The **Certificate Diploma**, offered through the Department of Philosophy, is designed as a response to a wide and growing interest in the ethical dimensions of professional and public life. The purpose of this program is to enable participants to strengthen and develop their understanding of ethics so as to enhance their ability to recognize and respond to ethical issues in a wide variety of social settings. The **Certificate Diploma** in Ethics will educate students in the essential concepts, central issues, history, and methodologies of ethical reasoning. The program also emphasizes critical thinking skills, writing skills and verbal skills. The program is geared towards students who have degrees in subjects other than Philosophy, and thus presupposes no prior background in ethics or Philosophy.

Requirements

The program consists of 5.0 **3.0** courses.
