***The subsequent revisions to the online academic policies resulted in an inadvertent omission of additional sections. As of May 1, 2020, those omitted sections will be reinstated in the Academic Calendar as follows:***

### **NURSING – ADMISSION**

...

#### **Western-Fanshawe Collaborative Nursing Program**

##### **Admission Requirements**

Enrolment in first year is limited and admission is competitive. The minimum admission average is determined each year and is dependent on the number and quality of applicants, and number of available places in the program. Meeting the minimum requirements listed does not guarantee admission.

Note: All students applying to the Western-Fanshawe Collaborative BScN program do so through the Ontario Universities' Application Centre ([www.ouac.on.ca](http://www.ouac.on.ca)), choosing program code 'ENW' for Western and 'ENF' for Fanshawe College. Students are encouraged to apply to both Western and Fanshawe where applicable.

Note: Priority consideration shall be given, all other things being equal, first to Canadian citizens and permanent residents from Ontario, and second to Canadian citizens and permanent residents from other

Canadian provinces. Special consideration may be given to a student supported by the Canadian International Development Agency or a similar agency.

#### **1. Prerequisite Requirements:**

All applicants must also have completed the following or equivalent Ontario Secondary School courses with a minimum of 65% in each:

- English ENG4U
- Biology SBI4U
- Chemistry SCH4U
- One of:
  - Functions MCR3U
  - Functions and Applications MCF3M

Note: If an applicant does not meet the minimum Math requirement in one of the Grade 11 prerequisites, Western will check for a minimum of 65% in one of Advanced Functions MHF4U, Calculus and Vectors MCV4U, or Math of Data Management MDM4U.

Applicants may be required to submit official detailed course syllabus information to determine if courses other than the above are deemed equivalent to the prerequisite requirements.

#### **2. CASPer requirements (for Admission, September 2020 and beyond):**

All applicants to undergraduate programs in the School of Nursing at Western will be required to complete CASPer (Computer-Based Assessment for Sampling Personal Characteristics), a mandatory online 90-minute computer-based assessment as a component of the admission process. Applicants who do not complete the CASPer test will not be considered for admission. CASPer test results are valid for one admissions cycle. Applicants who have already taken the test in previous years will therefore be expected to re-take it.

CASPer is an online test designed to evaluate key non-cognitive skills, as well as interpersonal and professional characteristics essential for students to be successful in nursing programs and ultimately, as practicing nurses. Since CASPer assesses non-cognitive and interpersonal characteristics, studying is not required.

### **3. Academic Requirements:**

#### **Applicants Presenting an Ontario Secondary School Diploma**

Applicants must complete an Ontario Secondary School Diploma (OSSD) and have a minimum of six Grade 12 U and/or M-level courses (excluding co-op courses), including the prerequisite courses with a minimum grade of 65% in each.

#### **Applicants with High School Standing from other Canadian Provinces**

Applicants from other provinces in Canada are eligible to apply for admission on the basis of senior matriculation if their academic records meet, in subject matter and standing obtained, both the requirements of admission to this School and to a recognized university in their own province. This must include the successful completion of (Grade 12 university preparation) courses in English, Biology, Chemistry and Mathematics, with a minimum grade of 65% in each.

Please refer to Admission of Students From Canadian Provinces Other Than Ontario at ADMISSION - PROVINCES OTHER THAN ONTARIO

...

#### **Compressed Time Frame BScN Program**

##### **Admission Requirements**

Enrolment in this program is limited and meeting the minimum requirements listed does not guarantee admission.

##### **1. Prerequisite Requirements:**

All applicants must also have completed the following courses at an accredited University with a minimum grade of 60% in each of physiology, anatomy and statistics (see below):

1. 1.0 course in human physiology, or equivalent.
2. 0.5 course in anatomy.
3. 0.5 course in introductory statistics.

Prerequisite courses must be taken within 10 year of the year seeking admission.

Applicants may be required to submit official detailed course syllabus information to determine if courses meet the prerequisite requirements.

##### **2. CASPer requirements:**

All applicants to undergraduate programs in the School of Nursing at Western will be required to complete CASPer (Computer-Based Assessment for Sampling Personal Characteristics), a mandatory online 90-minute computer-based assessment as a component of the admission process. Applicants who do not complete the CASPer test will not be considered for admission. CASPer test results are valid for one

admissions cycle. Applicants who have already taken the test in previous years will therefore be expected to re-take it.

CASPer is an online test designed to evaluate key non-cognitive skills, as well as interpersonal and professional characteristics essential for students to be successful in nursing programs and ultimately, as practicing nurses. Since CASPer assesses non-cognitive and interpersonal characteristics, studying is not required.

### **3. Academic requirements:**

To be eligible to apply to the Compressed Time Frame Bachelor of Science in Nursing (BScN) program, applicants:

- Must have completed at least ten (10.0) university-level full-course equivalents with a minimum 75% (3.0 GPA), and
- Have no more than 5.0 courses at the introductory level (equivalent to courses numbered 1000 to 1999 at Western University).

If courses are repeated within the last 10.0 credits completed, both attempts are utilized in the admission average.

Students with university preparation outside of North America must submit documentation from the World Education Services (WES) [www.wes.org](http://www.wes.org).

#### **Submission of Application for Admission**

All applicants must apply through the Ontario Universities Application Centre. The application deadline is February 15. It is recommended that the application be made early. The enrolment in this program is limited.

#### **Admission Appeals Procedure**

Applicants wishing to appeal an admission decision must do so following the procedure outlined in Admission Appeals Procedure specified for Western-Fanshawe Collaborative BScN Program.

...

## **NURSING - PROGRESSION REQUIREMENTS**

### **Western Fanshawe Collaborative BScN Program/~~Compressed Time Frame~~ BScN Program for Registered Nurses**

#### **Program**

Enrolment in non-Nursing courses is limited and in some cases demand exceeds that limit. The University is unable to guarantee registration in any particular course and reserves the right to withdraw course offerings.

The Western-Fanshawe Collaborative and Compressed Time Frame Programs offer BScN programs that qualify graduates to apply to write the NCLEX-RN and subsequently register as a professional nurse with the College of Nurses of Ontario.

The Western-Fanshawe Collaborative BScN program is offered collaboratively by the University of Western Ontario and Fanshawe College of Applied Arts and Technology. The first two years of the program are offered at both institutions. All students complete years 3 and 4 at the Western site. Program requirements are the same at both sites.

The Compressed Time Frame (CTF) Nursing Program allows students to complete a Bachelor of Science in Nursing degree in five consecutive terms. The program is designed for students who already possess a university degree or those who have completed a minimum of two years of university study (certain restrictions apply).

(See COMPRESSED TIME FRAME BScN PROGRAM for specific program/course requirements and regulations regarding full-time study.)

### **Progression Requirements**

Students may proceed to the next year of their program if the following conditions are met:

- A PASS is required in professional practice courses.
- A passing grade of at least 65% in Nursing theory courses.
- A passing grade of at least 60% in non-Nursing required courses.
- A passing grade of at least 50% in all elective courses.

A student whose year average is below 65% may not proceed to the next year/level of the program until the average has been raised to 65% or above.

A maximum of 2.0 full course equivalent credit (FCE) failures are permitted throughout the program.

Failed nursing courses may be repeated only once. Students who fail a theory or professional practice course will be required to repeat the corequisite theory/practice course.

***The Dean's Honour List policy in the Academic Calendar showed changes beginning April 1, 2020, to correct an ordering problem in the Undergraduate Combined Degree Programs section.***

## **DEAN'S HONOUR LIST AND GRADUATION**

...

### **Undergraduate Combined Degree Programs**

The following statements apply to Undergraduate Combined Degree Programs:

Students who are registered in the Fall/Winter session in an approved program of full-time studies leading to two undergraduate degrees will be adjudicated for the Dean's Honour List of each Faculty provided that at least 3.5 courses of the year's work have been approved for credit toward the particular degree.

#### **1. Engineering:**

Students registered in a combined degree program will be adjudicated for the Dean's Honour List for Engineering based on all courses taken in the academic year (i.e., September - April) provided the student is registered in a minimum of five courses (5.0 credits). In addition, an average of 80% must be achieved on all courses taken towards the BESC degree with no failed courses.

#### **Engineering and Business:**

For Engineering students in the BESC/BA(HBA) program, refer to point 1 above. For Business students in this program, refer to point 2 below.

#### **Engineering and Law:**

For Engineering students in the BESC/JD program, refer to point 1 above. At the Law School, students are considered for the Dean's Honour List during their first year of Law (Year Four).

Students enrolled in Years Five and Six of the combined program are considered for the Dean's Honour List provided they take Law courses totaling at least 12 credit hours. Only the Law courses will be used in the calculation for the Dean's Honour List for Law.

## **2. Business - all Combined Degree Programs:**

At the Richard Ivey School of Business, students are considered for the Dean's Honour List during their first year of HBA. Students enrolled in Years 4 and 5 of the combined program are considered for the Dean's Honour List in Year 5 only and only grades obtained in 4000-level Business courses will be used in calculating averages for the purpose of determination of Dean's Honour List standing.

### **Exception:**

#### **A) Business and Law (HBA/JD program)**

At the Richard Ivey School of Business, students are considered for the Dean's Honour List during their first year of HBA. Students enrolled in Years 5 and 6 of the combined degree program are considered for the Dean's Honour List in Year 6 only. Only grades obtained in 4000-level Business courses will be used in calculating averages for the purpose of determination of Dean's Honour List standing.

A student who takes Law courses totaling at least 12 credit hours in each of Years 5 and 6 of the combined program is considered for the Dean's Honour List at the Faculty of Law in that year on the basis of those courses.

#### **B) JD/MBA program**

~~Students are considered for the Dean's Honor List at the Faculty of Law during their first year of Law and at the Richard Ivey School of Business during their first year of the MBA.~~

~~In the third and fourth years of the combined program, students who take Law courses totaling at least 12 credit hours in any year are considered for the Dean's Honor List at the Faculty of Law on the basis of those courses.~~

~~In the fourth year, students also are considered for the Dean's Honor List at the Business School on the basis of the MBA courses taken during the third and fourth years of the combined program. Only grades obtained in 6000-level Business courses will be used in calculating averages for determining Dean's Honor List standing. Courses taken on exchange and courses taken outside of the Richard Ivey School of Business are excluded.~~

#### **C) B) Business and Health Sciences**

For Business, see point 2 above. In the Faculty of Health Sciences, students will be adjudicated for the Dean's Honour List based on all courses taken in the academic year (i.e., September – April) provided the student is registered in a minimum of five courses. In addition, an average of 80% must be achieved on all courses taken toward the BHSc degree with no failed courses.

#### **D) C) Business and Media, Information and Technoculture**

For Business, see point 2 above. In the Faculty of Information and Media Studies, students may be eligible for the Dean's Honor list in Years 4 and 5. Adjudication will be based on having an overall 80% average on all courses (including both MIT and HBA courses) taken in each academic year.

**D) Faculty of Arts and Humanities**

For Business, see point 2 above. In Arts and Humanities, students will be considered for the Dean's Honour list in the usual way in Years 1 and 2. Students who take at least 3.0 Arts and Humanities courses in each of Year 4 and Year 5 will be considered for the Dean's Honour List in each year on the basis of those courses. If fewer than 3.0 Arts and Humanities courses are attempted in Year 4, all Arts and Humanities courses taken in Years 4 and 5 will be considered for the Dean's Honour list at the end of Year 5

...

**Eligibility for Honours Designations at the Ivey Graduate Programs**

For Eligibility for Honours Designations at the Ivey Graduate Programs and Combined JD/MBA Program, see [Dean's Honour List - Grad and Undergrad](#)
