

The following proposals, received on DAP between February 1 - 15, 2010, have now been approved. For more information on the DAP process see the Academic Handbook at <http://www.uwo.ca/univsec/handbook>

---

## FACULTY OF SOCIAL SCIENCE

### ANTHROPOLOGY

Effective **September 1, 2010**, a new course, *Anthropology 3311F/G: Bioarchaeology: Practice and Theory*, will be introduced in the Faculty of Social Sciences:

#### **Anthropology 3311F/G: Bioarchaeology: Practice and Theory**

An introduction to current theoretical and methodological issues in bioarchaeology. Use of ancient human, animal, and plant tissues to reconstruct relationships among biology, culture and environment in international contexts is emphasized. Topics include: diet, demography, disease, identity, mobility, landscape, childhood, gender, ideology, political economy, violence, work, urbanism, and globalization.

Prerequisite(s): Anthropology 2226A/B or Anthropology 2229F/G or instructor's permission.

1 hour lecture, 2 seminar hours, 0.5 course

### FIRST NATIONS STUDIES

Effective **September 1, 2010**, *FNS 2111E: Perspectives on Native-Newcomer Relations, c. 1500 to Present* be introduced:

#### **First Nations Studies 2111E: Perspectives on Native-Newcomer Relations, c. 1500 to Present**

An examination of issues surrounding First Nations, Inuit and Métis peoples since first contact. It explores the development of current relationships with the governments and peoples of Canada based on interaction with European powers, settlers and subsequent British and Canadian administrations. Indigenous historical knowledge and community perspectives will be emphasized.

Antirequisite(s): History 2209E, First Nations Studies 2901E

Prerequisite(s): One of: First Nations Studies 1020E, Anthropology 1025F/G, the former Anthropology 020E, History 1401E, History 1201E, History 1701E.

3 hours, 1.0 course.

### HISTORY

Effective **March 1, 2010**, the following titles of courses will be revised:

**History 2125F/G** (currently named Canadian Business and Labor History) will be renamed: 'Northern Enterprise: Canadian Business and Labor History'

**History 2127F/G** (currently named Toward Today's Canada: Selected Themes, Postwar to Present) will be renamed: 'In Search of Canada: Postwar to Present.'

**History 2404E** (currently named Europe, 1789-1918) will be renamed: Europe, 1789-1918: An Era of Revolutionary Change.

**History 2809E** (currently named History of Judaism) will be renamed: 'Jewish History and Culture to 1492'.

Effective **March 1, 2010**, a new course, *History 2812E: Plague, Pox and Flu: Disease in Global History* will be introduced into the permanent calendar:

#### **History 2812E: Plague, Pox and Flu: Disease in Global History**

This course examines the role of disease in history, exploring how disease swept through cities, devastated populations, and transformed politics, public health and economies. Spanning from antiquity to present day, this global survey investigates society's experience with, and response to, such diseases as the plague, leprosy, smallpox, and AIDS/HIV.

Prerequisite(s): None

Antirequisite(s): None

2 lecture hours, 1.0 course

Effective **March 1, 2010**, History 2801E (currently named Christianity) will be renamed: *Christianity: A History from Ancient to Modern Times*:

**History 2801E: Christianity: A History from Ancient to Modern Times**

This course examines the early Christian movement and diverse approaches to doctrine, governance, and worship, from antiquity to the twentieth century. The course also addresses the role of the Church at various political, social, and cultural cross-roads in western civilization, including the High Middle Ages, the Renaissance and Reformation, and the Enlightenment.

Prerequisite(s): None

Antirequisite(s): None

3 hours, 1.0 course.

Effective **March 1, 2010**, HIS3607F/G (currently named East Asia since 1945) will be renamed: *Cold War East Asia*:

**History 3607F/G: Cold War East Asia**

This course investigates the domestic and international factors affecting the East Asian regional system during the Cold War period. Topics may include the U.S. occupation of Japan, Japan's external relations with the U.S.A., U.S.S.R. and China, the rise of communist China, the Cultural Revolution, and the division of Korea.

Prerequisite(s): 1.0 course in History at the 2200 level or above

Antirequisite(s): None

2 lecture hours, 0.5 course.

Effective **March 1, 2010**, to introduce HIS3320E, *Global America: The United States in World Affairs, 1700 to the present into the permanent calendar*:

**History 3320E: Global America: The United States in World Affairs, 1700 to the present**

Throughout its history the United States has imagined itself as a global project. To better understand America's role in the world and the impact of international developments on the United States, this seminar explores the political, economic, military, and cultural dimensions of U.S. interaction with the world since the 18<sup>th</sup> century.

Prerequisite(s): 1.0 course in History at the 2300, 3300 or 4300 level or enrolment in the Honors Specialization in International Relations.

Antirequisite(s): HIS3319E: Foreign Policy of the United States since 1775

3 hours, 1.0 course.

Effective **March 1, 2010**, to introduce HIS4412E, *'The Tudors and the Stuarts: Early Modern England'* into the permanent calendar.:

**History 4412E: The Tudors and the Stuarts: Early Modern England**

This course considers the Tudor and Stuart dynasties, 1485-1714. Areas covered include the political and religious: how radical was the English reformation, how 'glorious' the revolution of 1688? Cultural topics will also be integral. What rituals dominated people's lives? How riotous were the English?

Prerequisite(s): 2.0 courses in History at the 2200 level or above

Antirequisite(s): The former HIS495E (2004-2008); HIS4493E (2008-2010)

3 hours, 1.0 course.

Effective **March 1, 2010**, remove HIS4415E: *The Soviet Union as an anti-requisite*. List anti-requisite as the former HIS439E: *The Soviet Union*:

**History 3419F/G: The Rise and Fall of Communism in the USSR and Eastern Europe**

Prerequisite(s): HIS1401E or Political Science 2231E or 2245E or IR2701E

Antirequisite(s): The former HIS439E: *The Soviet Union*, Political Science 3340F/G, the former Political Science 249E

2 lecture hours, 0.5 course.

Effective **March 1, 2010**, remove all current anti-requisites and add the former HIS439E: *The Soviet Union as an anti-requisite*:

**History 3420F/G: The Soviet Experiment**

Prerequisite(s): 1.0 course in History at the 2200 level or above.

Antirequisite(s): The former HIS439E: The Soviet Union

2 lecture hours, 0.5 course.

**PSYCHOLOGY**

Effective **September 1, 2010**, Psychology 3141F/G, Language Development, will be added to the Psychology course offerings. Calendar copy is as follows:

**Psychology 3141F/G: Language Development**

This course covers how children learn and use their first language. Major topics include the stages of language development, how these phenomena can inform theories of language representation and use in humans, the biological bases of language learning, and the relationship between first and second language learning.

**Prerequisite(s):** Either Psychology 2820E or both 2800E and 2810, and one of 2134A/B, 2135A/B, 2410A/B.

3 lecture hours, 0.5 course.

Effective **September 1, 2010**, the following Psychology courses will be withdrawn:

**Psychology 1200: Biological Foundations of Psychology****Psychology 3181F/G: Research in Sensation and Perception****Psychology 3280F/G: Research in Animal Behavior and Animal Cognition.**

Effective **September 1, 2010**, Applied Mathematics 1201A/B will be added to the list of possible math courses that can be taken as part of the first year math prerequisite for Psychology Major, Honors BA, and Honors BSc modules. Calculus 1201A/B will be listed as the former Calculus 1201A/B:

**For Psychology Major:**

1.0 course from: Calculus 1000A/B, 1100A/B, 1301A/B, 1501A/B, or the former 1201A/B, Linear Algebra 1600A/B, Mathematics 0110A/B, 1225A/B, 1228A/B, 1229A/B, Applied Mathematics 1201A/B, Statistical Sciences 1024A/B. If Mathematics 0110A/B is selected then either Statistical Sciences 1024A/B or Mathematics 1228A/B must be taken. Mathematics 1228A/B and Statistical Sciences 1024A/B is the recommended combination.

**For Psychology HBA:**

1.0 course from: Calculus 1000A/B, 1100A/B, 1301A/B, 1501A/B or the former 1201A/B, Linear Algebra 1600A/B, Mathematics 0110A/B, 1225A/B, 1228A/B, 1229A/B, Applied Mathematics 1201A/B, Statistical Sciences 1024A/B. If Mathematics 0110A/B is selected then either Statistical Sciences 1024A/B or Mathematics 1228A/B must be taken. Mathematics 1228A/B and Statistical Sciences 1024A/B is the recommended combination.

**For Psychology HBSc:**

1.0 course from: Calculus 1000A/B, 1100A/B, 1301A/B, 1501A/B, or the former 1201A/B, Linear Algebra 1600A/B, Mathematics 1225A/B, 1228A/B, 1229A/B, Applied Mathematics 1201A/B, 1413, Statistical Sciences 1024A/B, or the former Mathematics 030.

Effective **September 1, 2010**, Psychology 3141F/G, Language Development, will be added to the Psychology course offerings. Calendar copy is as follows:

**Psychology 3141F/G: Language Development**

This course covers how children learn and use their first language. Major topics include the stages of language development, how these phenomena can inform theories of language representation and use in

humans, the biological bases of language learning, and the relationship between first and second language learning.

**Prerequisite(s):** Either Psychology 2820E or both 2800E and 2810, and one of 2134A/B, 2135A/B, 2410A/B.

3 lecture hours, 0.5 course.

*Effective **September 1, 2010**, Psychology 3141F/G will be included on the list of courses that fulfill the science requirement of the Honors Specialization in Psychology—BSc module:*

### **Honors Specialization in Psychology-BSc**

**Note:** To fulfill the BSc requirements within the Honors Specialization in Psychology - BSc module, 6.0 of the Psychology courses must be selected from the following list: Psychology 2115A/B, 2134A/B, 2135A/B, 2210A/B, 2220A/B, 2221A/B, 2800E, 2810, 3130A/B, 3138A/B, 3139A/B, 3140F/G, **3141F/G**, 3184F/G, 3185F/G, 3209F/G, 3220A/B, 3221F/G, 3224A/B, 3225A/B, 3226A/B, 3229A/B, 3285F/G, 3440F/G, 3441F/G, 3442F/G, 3443F/G, 3485F/G, 3800F/G, 4222F/G.

## **BRESCIA UNIVERSITY COLLEGE**

### **FAMILY STUDIES**

*Effective **September 1, 2010**, Family Studies 3220A/B (Theoretical Perspectives in Family Studies Research) and 3230A/B (Qualitative Research in Family Studies) are changed from third year courses to fourth year courses:*

#### **Family Studies 4220A/B - Theoretical Perspectives in Family Studies Research**

Students will be introduced to the major theoretical frameworks used by social scientists to explain variation in family life including life span, life course, developmental, social learning, social exchange, social conflict, symbolic interactionist, ecological, family systems and feminist theory perspectives.

Antirequisite(s): The former Family Studies 3220A/B.

Prerequisite(s): Family Studies 1020 or permission of the instructor.

3 lecture hours, 0.5 course. (Brescia)

#### **Family Studies 4230A/B - Qualitative Research in Family Studies**

An introduction to qualitative research and its application to the study of the family. Topics to be considered include participant observation, interview skills, life histories and methods of analysis.

Antirequisite(s): The former Family Studies 3230A/B.

Prerequisite(s): Family Studies 1020 or permission of the instructor.

3 lecture hours, 0.5 course. (Brescia)

*Editor note: As of approval time, we are still waiting for revisions to programs and other courses that this change will impact. The department that submitted the change needs to provide this please.*

## **REGISTRAR'S UPDATE**

The following minor changes were approved:

### **FACULTY OF ARTS and HUMANITIES**

Proposed Calendar Copy:

#### **Spanish 1030**

...

4 hours, 1.0 course.

*Reasons for the Proposal:*

Spanish 1030 does not have a laboratory hour.

## SCHULICH SCHOOL OF MEDICINE & DENTISTRY

Proposed Calendar Copy:

### **Biochemistry 4435B: Field Guide to the Human Genome**

Students will learn to use internet-based resources to explore human genomic sequences and associated data. Topics covered include: genome organization; genetic variation and genetic diseases; identifying regulatory DNA elements; and identifying protein interaction networks using microarrays and proteomics databases. Skills acquired will be applicable to many biomedical science disciplines.

Prerequisite(s): Biochemistry 3381A and Biology 2581B.

Extra Information: Recommended: Biochemistry 3382B.

2 lecture/demonstration hours; 2 laboratory hours every other week, 0.5 course.

### *Reasons for the Proposal:*

The Department of Biochemistry would like to offer this half course in second term and revise the course description to attract more students.

## FACULTY OF SCIENCE

Proposed Calendar Copy:

### **Statistical Science 3843A**

...

3 lecture hours, 0.5 course.

### **Statistical Science 4853A**

...

3 lecture hours, 0.5 course.

### *Reasons for the Proposal:*

The 1 tutorial hour was included in the original DAP out of habit, but it isn't necessary and won't be used and its inclusion only complicates timetabling.
